AGREEMENT

1. This Agreement is entered into by the San Francisco Municipal Transportation Agency hereinafter "SFMTA" and the Municipal Executives Association (hereinafter "Association"). It is agreed that the delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City, the Association, and represented employees. Such achievement is recognized to be a mutual obligation of the parties to this Agreement within their respective roles and responsibilities.

ARTICLE I: REPRESENTATION

I.A. Recognition

2. The SFMTA acknowledges that the Association has been certified by the Civil Service Commission as the recognized employee representative, pursuant to the provisions set forth in the SFMTA's Employee Relations Operating Resolution for units TM and TEM as listed in Appendix A.
3. Recognition shall only be extended to individual classes accreted to existing bargaining units covered by this Agreement. Application of this provision shall not extend to bargaining units acquired through affiliations or service agreements. Upon request of the Association the SFMTA will meet and confer concerning proposed changes to bargaining units.
4. Successor job codes resulting from the consolidations or divisions of classes currently represented by MEA shall continue to be subject to this MOU.
5. The SFMTA agrees to recognize the Association as the collective bargaining representative of any job code which constitutes a successor job code to a job code which the Association currently represents. Where there is question as to whether or not a new job code is a successor class, the SFMTA Human Resources shall make the final determination, which shall be appealable pursuant to the Employee Relations Operating Resolution.
6. Issues related to job code descriptions shall be subject to meet and confer process with final review and approval by the Civil Service Commission, not subject to grievance or arbitration.

I.B. Intent

7. It is the intent of the parties that the provisions of this Agreement shall become binding upon adoption or acceptance by the SFMTA and ratification by the general membership of the Association, or upon a final decision rendered by an arbitration panel pursuant to the interest arbitration procedure under Charter Section A8.409.

8. Pursuant to the provisions of the Meyers-Milias-Brown Act, as amended, the SFMTA agrees to meet and confer with the Association in advance regarding any proposed changes in working conditions within the scope of representation except as provided elsewhere in this Agreement.

I.C. No Strike Provision

9. During the term of this Agreement the SFMTA will not lock out the employees who are covered by this Agreement. This Association and the employees shall not strike, cause, encourage, or condone a work stoppage, slowdown, or sympathy strike during the term of this Agreement.

I.D. Meet and Confer Responsibility During the Term of The Agreement

10. Except in cases of emergency involving an imminent or substantial threat to the public health or safety or as otherwise provided in this Agreement, the SFMTA shall give reasonable written notice to the Association of proposed changes directly relating to matters within the scope of representation as specified in Government Code Section 3504.5. The Association shall be provided with the opportunity to meet and confer with regard to any such proposed change should it desire to do so.
11. In cases of emergency when the SFMTA determines that a proposed change as described herein must be adopted immediately without prior notice or meeting with the Association, the SFMTA shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such change.
12. If the Association does not respond within ten (10) working days from the date of mailing of written notification of a proposed change as described in Paragraphs 10 and 11 hereof, the Association shall be deemed to have waived its opportunity to meet and confer on the proposed change.
13. If the Association timely requests the opportunity to meet and confer as provided herein, the SFMTA agrees to meet and confer with the Association over such proposed change or changes within ten (10) days of receipt of such timely request, unless a longer period of time is mutually agreed upon, in order freely to exchange information, opinions and proposals and to endeavor to reach agreement on the proposed change or changes.
14. During the term of an MOU, disputes regarding changes in wages, hours, benefits and other terms and conditions of employment shall not be subject to the impasse procedures provided in Charter section A8.409 et seq., but may be subject to grievance arbitration.

I.E. Management Rights

15. In accordance with applicable state law, nothing herein shall be construed to restrict any legal SFMTA rights concerning direction of its work force, or consideration of the merits, necessity, or organization of any service or activity provided by the SFMTA.
16. The SFMTA shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public and exercise control and discretion over the SFMTA's organization and operations. The SFMTA may also relieve SFMTA employees from duty due to lack of work or funds, and may determine the methods, means and personnel by which the SFMTA's operations are to be conducted.
17. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequences of any such actions on wages, hours, benefits or other terms and conditions of employment whenever memoranda of understanding providing a grievance procedure are in full force and effect.

I.F. Official Representatives

18. The Association may select as many as five (5) members of the Association to attend during regular duty or work hours without loss of compensation, meetings scheduled with the Civil Service Commission, the SFMTA Human Resources, the SFMTA Director of Human Resources, or designee, when such meetings have been scheduled for the purpose of meeting and conferring on matters within the scope of representation affecting such appropriate unit, and to participate in the discussions, deliberations, and decisions at such meetings.
19. Release time shall be provided for MEA representatives to participate in disciplinary meetings, grievance meetings, meet and confer sessions and other labor relations matters with the SFMTA. Release time shall not be withheld unreasonably.
20. In scheduling meetings, reasonable consideration shall be given to the operating needs and work schedules of the particular employee's and representatives' department(s).
21. No representative may leave the duty or work station without specific approval of his supervisor.
22. Representatives shall be responsible for the performance of their work load consistent with release time approved pursuant to rules established herein.

I.G. Grievance Procedures

23. The following procedures are adopted by the Parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.
1. Definition
24. A grievance shall be defined as any dispute which involves the interpretation or application of, or compliance with this Agreement. Grievances may be filed only by the Association. Discipline may not be grieved under this section. In the event that an individual or a group of individuals elect(s) to file a complaint with any governmental agency or court alleging a factual basis which is also the basis of a grievance, the Association agrees that any grievance filed on behalf of the individual(s) will be held in abeyance pending the individual's election of remedies. If an individual or group of individuals elect(s) another remedy the grievance shall be deemed withdrawn.
2. Time Limits
25. The time limits set forth herein may be extended or waived by mutual agreement of the parties. Any such agreement must be confirmed in writing. For purposes of calculation of time a "day" is defined as a "calendar day," including weekends and holidays.
26. Any deadline date under this procedure that falls on a Saturday, Sunday or holiday shall be continued to the next business day.
3. Steps of the Procedure
27. Except for grievances involving multiple employees, all grievances must be initiated at Step 1 of the grievance procedure. Except as otherwise provided in subsection 10, a grievance affecting more than one employee shall be filed with the appointing officer. Grievances affecting more than one SFMTA department shall be filed with the SFMTA Human Resources Director. In the event the SFMTA disagrees with the level at which the grievance is filed, the SFMTA may submit the matter to the Step it believes is appropriate for consideration of the dispute. The step procedures set forth herein may be modified or waived by mutual agreement of the parties. Any such agreement must be confirmed in writing.
28. An employee shall first attempt to resolve the alleged violation informally with his/her immediate supervisor.
29. Step 1: If the alleged violation is not resolved informally with the immediate supervisor, the Association will submit the grievance on behalf of the

represented employee in writing to the immediate supervisor within fifteen (15) days of the date of the occurrence of the act or the date the represented employee might reasonably have been expected to have learned of the alleged violation. The grievance will set forth the facts of the grievance, the terms and conditions of this Agreement claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the Association.

30. The immediate supervisor shall respond in writing within ten (10) days following receipt of the written grievance.
31. Step 2: If dissatisfied with the supervisor's response at Step1, the Association, on behalf of the individual grievant, may appeal to the Appointing Officer, in writing, within ten (10) days of receipt of the Step1 response. The Appointing Officer may convene a meeting within fifteen (15) days with the grievant and the grievant's Association representative. The Appointing Officer shall respond in writing within twenty (20) days of the meeting or receipt of the appeal, whichever is later.
32. Step 3: If dissatisfied with the Appointing Officer's response at Step 2, the Association, on behalf of the individual grievant, may appeal to the MTA Human Resources Director, in writing, within fifteen (15) days of receipt of the Step 2 response. The SFMTA Human Resources Director may convene a grievance meeting within fifteen (15) days with the Association and the represented employee. The SFMTA Human Resources Director shall respond to the grievance in writing within twenty (20) days of the meeting or, if none is held, within twenty (20) days of receipt of the appeal.
33. Step 4: If the Association is dissatisfied with the Step 3 response it may appeal by notifying the SFMTA Human Resources Director, in writing, within twenty (20) days of the Step 3 decision that arbitration is being invoked. The parties shall select an arbitrator pursuant to section 4 within fifteen (15) days of receipt of the Association's written notice of the Association's intent to arbitrate.

4. Selection of the Arbitrator

34. The parties shall select an arbitrator from the list of panelists attached hereto as Appendix B. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within seven (7) days the arbitrator shall be selected from the permanent panel by utilizing a strike-off procedure.

5. Authority of the Arbitrator
35. The arbitrator shall have no authority to add to, ignore, modify or amend the terms of this Agreement.
6. Fees and Expenses of Arbitrator
36. The fees and expenses of the Arbitrator and court reporter shall be shared equally by the Association and the SFMTA
7. Hearing Dates and Date of Award
37. Hearings shall be scheduled within forty-five (45) days of selection of an arbitrator. Awards shall be due within forty-five (45) days following the receipt of closing arguments. As a condition of appointment to the permanent panel arbitrators shall be advised of this requirement and shall certify their willingness to abide by these time limits.
8. Monetary Relief
38. Any claim for monetary relief shall not extend more than twenty (20) days prior to the filing of a grievance, unless considerations of equity or bad faith justify a greater entitlement.
9. Failure to Respond
39. Except as otherwise provided herein, a grievance shall be void in the event a grievance is not initiated or appealed through the steps in accordance with the time periods set forth above. Failure of the SFMTA to timely reply to a grievance shall authorize appeal to the next grievance step.
10. Immediate Dispute Resolution
40. In the event there is a dispute regarding the interpretation or application of this Agreement that imminently affects the Association or a substantial number of members represented by the Association, and that will result in harm for which monetary relief would be an insufficient remedy, either the SFMTA or the Association may request suspension of the grievance process as described in section 3 of this Section and proceed to immediate dispute resolution discussions with the Director of Employee Relations. The Director shall schedule and conclude discussions within twenty (20) days of receipt of a written request by either party and the action triggering the request for immediate dispute resolution may be stayed upon mutual agreement.

- 41. Should the dispute still not be resolved it may be submitted directly to an arbitrator selected in accordance with the procedure detailed below.
 - 42. If the parties cannot otherwise agree, an arbitrator shall be selected by the parties from an arbitrator provided in Appendix B. The first arbitrator, selected at random by the parties, available within a two week period shall be selected.
 - 43. There will be no post-hearing briefs in an immediate arbitration unless such briefs are requested by the arbitrator.
 - 44. This section may not be invoked for disciplinary grievances.
11. Petitions to Compel Arbitration
- 45. The prevailing party in any petition to compel arbitration shall be awarded reasonable attorneys' fees and costs.

I.H. Dues Deduction

- 1. Authorization for Deductions
- 46. The SFMTA shall deduct Association dues, initiation fees, premiums for insurance programs and political action fund contributions from an employee's pay upon receipt by the Controller of a form authorizing such deductions by the employee. The SFMTA shall pay over to the designated payee all sums so deducted. Upon request of the Association, the Controller agrees to meet with the Association to discuss and attempt to resolve issues pertaining to delivery of services relating to such deductions.
- 2. Dues Deductions
- 47. Dues deductions, once initiated, shall continue until the authorization is revoked in writing by the employee. For the administrative convenience of the SFMTA and the Association, an employee may only revoke a dues authorization by delivering the notice of revocation to the Controller during the two week period prior to the expiration of this Agreement. The revocation notice shall be delivered to the Controller either in person at the Controller's office or by depositing it in the U.S. Mail addressed to the Payroll/Personnel Services Division, Office of the Controller, 875 Stevenson Street, San Francisco, CA 94103; Attention: Dues Deduction. The SFMTA shall deliver a copy of the notices of revocation of dues deductions authorizations to the Association within two (2) weeks of receipt.
 - 48. No later than nine working days following payday, the Controller will promptly pay over to the Association all sums withheld for membership dues. The Controller shall

also provide with each payment a list of employees paying dues. Such lists shall contain the employee's name, employee number, job code, department number, and the amount deducted.

49. On a quarterly basis, the SFMTA shall provide Association a list of covered employees containing employee name, employee number, job code, department, Civil Service status, annual salary, salary range and whether the employee pays dues to the Association. Such list shall be provided in hard copy and on computer disk in a mutually agreeable format.
50. The above information shall be provided by the SFMTA at no cost to the Association.
51. The Association agrees to indemnify and hold the SFMTA harmless for any loss or damage arising from the operation of this section, provided the SFMTA has complied with its obligations in this section.
52. If agency shop becomes legal under Meyers-Milias-Brown, Cal. Govt. Code section 3500 et seq., for units represented by the Association, the Association shall have that benefit. The Association shall meet all legal and reporting requirements in that case.

ARTICLE II: EMPLOYMENT CONDITIONS

II.A. Non-Discrimination

53. The SFMTA and the Association agree that this Agreement shall be administered in a nondiscriminatory manner and that no person covered by this Agreement shall in any way be discriminated against because of race, color, creed, religion, sex, sexual orientation, national origin, physical or mental disability, age, political affiliation or opinion or Association membership or activity, or non-membership, nor shall a person be subject to sexual harassment. The SFMTA shall process complaints of sexual harassment pursuant to Civil Service Rules, the Administrative Code and Federal and State laws.
54. The Association may not arbitrate any claim under this section unless and until the employee executes a complete, knowing and intelligent waiver, reasonably acceptable to the SFMTA, of any and all claims arising from the same facts. The waiver shall release all claims under any and all federal, state and local laws and regulations relating to employment, including but not limited to Title VII of the 1964 Civil Rights Act, as amended, the Civil Rights Act of 1991, the California Fair Employment and Housing Act, the Americans with Disabilities Act, the California and United States Constitutions, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, and the Civil Rights Acts of 1866.
1. Americans with Disabilities Act
55. The parties agree that they are required to provide reasonable accommodations for persons with disabilities in order to comply with the provisions of Federal, State and local disability anti-discrimination statutes and the Fair Employment and Housing Act. The parties further agree that this Agreement shall be interpreted, administered and applied so as to respect the legal rights of the parties. The SFMTA reserves the right to take any action necessary to comply therewith.
2. Family Medical Leave Act
56. The SFMTA acknowledges its obligation to comply with the provisions of the Family Medical Leave Act and the California Family Rights Act.

II.B. Probationary Period

57. The probationary period for all newly hired or promoted employees shall be 2,080 hours as defined by the Civil Service Commission except that the probationary period for an employee returned to duty in a different department following lay off shall be 1040 hours as defined by the Civil Service Commission.

58. The probationary period shall be thirty (30) days as defined by the Civil Service Commission for any employee appointed permanently to a class in which the employee has served the equivalent of the probationary period as a provisional, temporary or temporary exempt employee. To qualify, the prior service must be continuous and in the same department as the permanent appointment.
59. The Association agrees that the probationary period may be extended by a written mutual agreement between the SFMTA and a represented employee.

II.C. Discipline

60. Discipline shall continue to be implemented pursuant to San Francisco Charter Section A8.341 and A8.342. However, pursuant to Charter Section A8.341 (b), the Association and the SFMTA agree to modify the disciplinary rights provided in those sections as follows:
 61. Eligible, represented employees may appeal disciplinary suspensions of five days or greater, demotions and terminations to a hearing officer selected from Appendix B. The hearing officer shall be mutually selected pursuant to the striking procedure set forth in Article I.G.4.
 62. The fees and expenses of the hearing officer shall be shared equally by the Association and the SFMTA. Transcripts shall not be required, except that either party may request a transcript, provided, however, that the party making such a request shall be solely responsible for the cost. Direct expenses of the hearing officer shall be borne equally by the parties.
 63. Upon the completion of 2080 hours of continuous service in a current represented job code, employees in non-exempt job codes covered by this agreement with temporary status shall be subject to discipline for just cause only, and shall be entitled to the post-disciplinary appeal rights set forth in Charter Sections A8.341 and A8.342 as modified in the sub-sections herein.
 64. Materials relating to disciplinary actions for conduct which is three (3) or more years old shall not be used for the basis of future discipline, provided there has been no reoccurrence of the same or similar conduct upon which the discipline was based.

II.D. Workforce Reduction

65. Spring 2010: Between the date of this Agreement and June 30, 2010, inclusive, layoffs of employees represented by member unions of the PEC that result in complete loss of SFMTA employment will be limited to zero for this period. However, any notices issued previously as a result of the service modifications will proceed.

- 66. Fall 2010: Between July 1, 2010 and December 31, 2010, inclusive, there will be no layoff for employees represented by member unions of the PEC.
- 67. Spring 2011: Between January 1, 2011 and June 30, 2011, the SFMTA may layoff employees covered by this agreement only if the SFMTA Board projects an operating deficit \$20 million or more as verified by the Controller's Office.
- 68. The SFMTA may layoff employees represented by members of the PEC or the PEC only if the SFMTA Board projects an operating deficit \$20 million or more as verified by the Controller's Office.

In either such event, the SFMTA will provide the Public Employee Committee of the the San Francisco Labor Council ("PEC") with complete and current Budget Information (as defined in paragraph 69 below) supporting the need for additional layoffs. Immediately after issuing any such layoff notices, the SFMTA will schedule a meeting with the PEC. At least one week prior to the scheduled meeting, the SFMTA will provide the required Budget information. This meeting will be in addition to meet and confer sessions required by MMBA and/or MOU. The purpose of the PEC meeting will be to identify alternatives to additional job loss (including, but not limited to, reductions in SFMTA contracts and measures to increase SFMTA revenue) and to minimize the number and impact of any necessary additional layoffs.

- 69. "Budget Information", for purposes of this Agreement, shall mean complete copies of all reports provided to the SFMTA Board, and confirmed by an expert selected and paid by the PEC. The expert shall be given access to supporting information for SFMTA's budget reports, financial records, aggregate payroll costs by bargaining unit and the total number of FTEs within the appropriate bargaining unit and information on any balancing solution proposed to address deficits.
- 70. Nothing in this Agreement shall waive or prejudice the right or position of the SFMTA or any PEC member union with respect to layoffs and rights granted by Charter, the Civil Service Commission, MOU, or state law.
- 71. Prop F and Temporary Exempt
The Deputy Director of Human Resources agrees to work with the divisions to ensure proper utilization of Proposition F and temporary exempt ("as needed") employees when such positions would more appropriately or efficiently be filled by permanent employees. In addition, the SFMTA will work with the Department of Human Resources to notify holdovers in represented classifications of any recruitment for exempt positions in their classifications.

It is understood that to the degree increased utilization of such employees may be required in certain represented classifications to provide staffing coverage due to employees taking additional time off as described herein, such work will be offered to holdovers in such

represented classifications.

72. New Requisitions at SFMTA

During FY 2010-11 and FY 2011-12 the SFMTA will subject requests for requisition approval to increased scrutiny. The parties agree that SFMTA hiring will be a priority subject of discussion within the Prop A Labor Management quarterly meetings. Upon written request, additional meetings may be held, to review the requisitions approved in the prior quarter, the rationale for doing so and to resolve hiring questions or concerns.

The PEC recommends the following criteria:

1. whether the positions are revenue-generating;
2. whether they are needed to meet safety-related, legal, grants or contractual requirement;
3. the extent to which the position affects a core SFMTA function; and
4. the impact of filling the positions on the SFMTA budget.

The recommended criteria will be placed on the agenda of the first quarterly Prop A meeting after ratification of this Agreement.

II. E. Advance Notice to MEA:

73. At the time the City issues a Request for Proposals (“RFP”)/Request for Qualifications (“RFQ”), or thirty (30) days prior to the submission of a PSC request to the Department of Human Resources and/or the Civil Service Commission, whichever occurs first, the City shall notify the affected union(s) of any personal services contact(s), including a copy of the draft PSC summary form, where such services could potentially be performed by represented classifications.
74. The union wishes to meet with the SFMTA over a proposed personal services contract, the affected union must make its request to SFMTA Labor Relations within two weeks after the union’s receipt of SFMTA’s notice. The parties may discuss possible alternatives to the contracting or subcontracting and whether the SFMTA staff has the expertise and/or facilities to perform the work. Upon request by MEA, the SFMTA shall make available for inspection any and all pertinent background and/or documentation relating to the service contemplated to be contracted out.
75. In order to ensure that the parties are fully able to discuss their concerns regarding particular proposed contracts, the SFMTA agrees that it will take all appropriate steps to ensure that parties (excluding the Board of Supervisors) who are responsible for the contracting-out decision(s) are present at the meeting(s) referenced in the above paragraph.
76. The SFMTA agrees to provide MEA with notice(s) of departmental commissions and Civil Service Commission meetings during which proposed personal services contracts are

calendared for consideration, where such services could potentially be performed by represented classifications.

77. Existing language in MOUs which provides additional notice and/or otherwise enhanced provisions shall not be superseded by the language in this section.

ARTICLE III: PAY, HOURS AND BENEFITS

78. III.A. Wages Base wages shall be increased as follows:

Effective 7/1/06 7%*
* Effective July 1, 2006, represented employees who are SFERS members shall receive a base wage increase of seven percent (7%) in exchange for their agreement to pay the seven and a half percent (7.5%) employee retirement contribution amount to SFERS.

- a. For Fiscal Years 2009-2010 , “new plan” employees (i.e., employees who became members in SFERS on or after November 2, 1976) and PERS employees shall be required to contribute the value of five (5) unpaid furlough days for each of those fiscal years, the implementation of which will occur through the suspension of Pay for Performance and uniform payroll smoothing over the two fiscal years. Such uniform payroll smoothing shall cease effective close of business June 30, 2011.
 - b. For Fiscal Years 2009-2010, “old plan” employee (i.e., employees who become members in SFERS before November 2, 1976) shall be required to contribute the value of five (5) unpaid furlough days for each of those fiscal years, the implementation of which will occur through the suspension of Pay for Performance over the two fiscal years. Such uniform payroll smoothing shall cease effective close of business June 30, 2011.
 - c. All represented employees will forego the Pay for Performance lump sum payment previously allocated and otherwise due to be paid in October 2009, October 2010, and October 2011. The funding allocated to Pay for Performance for three years shall be utilized to partially implement the requirement to contribute the value of unpaid furlough days set forth in 66a above.

d. In recognition of the severe budget crisis facing SFMTA, for fiscal years 2010-2011 and 2011-2012, covered employee shall contribute the value of twelve (12) furlough days (i.e. a total of 4.62% through the following concessions:

- (1) For Fiscal Years 2010-2011 and 2011-2012, all represented employees will forego the Pay for Performance 1.5% lump sum payment, described in paragraph 89, otherwise due to be paid in October 2010 and October 2012.

If by September 1, 2011 SFMTA restores the service reduction in Muni service which was implemented on May 8, 2010, the parties agree to reduce the number of unpaid furlough days to six (6).

If the May 8, 2010 service reduction has been fully restored, the reserves have been restored to at least \$16 million and the Agency has received an additional \$20 million in State Transit Assistance (STA) Program funding by September 1, 2011, the parties agree to reduce the number of unpaid furlough days to zero (0) and discontinue other concessions.

III.B. SFMTA Salary Plan

80. Effective October 5, 2004, there was established a new series of classifications created under the San Francisco Municipal Transportation Agency Management Classification/Compensation Plan ("SFMTA").

Initial implementation of SFMTA for existing employees:

Allocation/Notification Process:

81. SFMTA has notified all represented employees of the SFMTA M class to which his or her position has been allocated.

Voluntary Participation of Permanent Civil Service Employees:

82. Permanent civil service employees who have not already done so, may choose to participate in the SFMTA at any time by signing and returning the Opt-in form sent to them on July 13, 2005.

83. Effective July 1, 2006, the Salary Plan for SFMTA is set forth in Appendix C which is attached hereto and is incorporated herein for reference. The plan consists of three (3) pay ranges; A, B, and C. Range A is a twenty-five percent (25%) open range. Range B is a fifteen percent (15%) open range. Range C is a five percent (5%) open range. Adjustment of compensation for individual employees is addressed below.

84. Scheduled Salary Progress in Range A. Subject to the other provisions of this Section, employees placed in SFMTA in Range A who have been fixed at their compensation level for at least twelve (12) months as of October 7, 2006 (“Fixed Employees”) will receive a five percent (5%) increase in pay effective October 7, 2006. Thereafter, such fixed employees shall be eligible for a five percent (5%) increase in pay on October 6, 2007 and October 4, 2008. All other employees placed in SFMTA in Range A will receive a five percent (5%) increase in pay on their anniversary date (anniversary date for their pre-SFMTA class, if applicable, or else their employment anniversary date). Salary progression under this paragraph is not available for employees placed in Ranges B or C.
85. No Progression Above Top of Range A. No employee can receive a salary increase to a level above the top salary available in Range A for the applicable classification.
86. Denial of Salary Progression. An employee’s scheduled salary progression may be denied if the employee’s performance has been unsatisfactory to the SFMTA. The denial of the increase is subject to the grievance procedure, provided, however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.
87. Range B and C Adjustments. On a quarterly basis, the Executive Director/CEO may seek approval to place incumbent employees (post-appointment) at a rate of pay in Ranges B and C based on consideration of whether the adjustment would serve one or more of the following purposes: to retain an employee, to move towards internal or external equity (which may include issues of compaction), to compensate an employee exercising special skill, to compensate an employee assigned to a special assignment of limited duration or to recognize exemplary performance. The aggregate value of all such new placements shall not exceed one-half percent (0.5%) of SFMTA/MEA payroll (as defined by the Controller) per fiscal year. Any unused funds shall roll over and be available for these purposes the following fiscal year.
88. Adjustment Committee. A Committee consisting of the Controller (or designee), a member of the SFMTA Board of Directors, an SFMTA representative and a designated representative of MEA (the Adjustment Committee) will consider the application made by the Executive Director/CEO for placement of incumbent employees at a rate of pay in Ranges B and C. Subject to the applicable financial limitations and criteria, the Adjustment Committee will decide in its sole discretion whether to approve such applications in whole or in part. Decisions of the committee are final and not subject to the grievance procedure. Any confidential personnel information made available to committee members for purposes of determining decisions of the committee will be maintained in confidence.

Placement in New and Vacant Positions

- 75a. For fiscal years 2009-2010 and 2010-2011, the Adjustment Committee shall not meet and no adjustments shall be made. Any unused funds as well as the half percent (0.5%) allocations set forth in paragraph 74 for both fiscal year 2009-2010 and 2010-2011 shall

carry over to fiscal year 2011-2012. The Adjustment Committee shall resume meeting in fiscal year 2011-2012.

89. Appointments to new and vacant SFMTA positions shall be to Range A, except as described below.
90. Range A. The Executive Director/CEO may make an appointment at any rate in Range A based on consideration of whether the placement would serve one or more of the following purposes: to move towards internal or external equity (which may include issues of compaction), to compensate an employee possessing special skill or to compensate an employee assigned to a special assignment of limited duration.
91. Ranges B and C. Subject to approval from the Controller, the Executive Director/CEO may request that new employees (to the position) be placed at a rate of pay in Range B or C. Placement in Range B or C shall be based on objectively verifiable criteria in one or more of the following areas:
- Demonstrated recruitment or retention issues,
 - Unusual or extraordinary time-limited assignment,
 - Exceptional or special skills or qualifications which are essential for job performance, or
 - Internal and external equity considerations (which may include issues of compaction).
92. Where appropriate, approval shall be time-limited. Once approved, the employee's rate of pay shall not be increased, except according to the scheduled salary increases specified in Article III. A. Wages.
93. Placement into Ranges B and C is not grievable or appealable.

Rules Applicable to all Employees in the SFMTA M.

94. Supervisory differential, night duty, and acting assignment pay shall be administered according to traditional practices, except that TEM employees and employees who are placed in range B or C for reasons of an unusual or extraordinary time-limited assignment shall not receive acting assignment pay.
95. For employees who supervise an employee in a lower classification, supervisory differential shall be measured from the supervisee's actual rate of pay or the top of Range A, whichever is higher.

96. Where an employee in an SFMTA M class supervises at least one other employee in the same SFMTA M class, and satisfies the other contractual requirements for supervisory differential, and the supervisor's base rate of pay is less than 5% above the base rate of pay of the highest paid supervisee, the supervisor shall receive an additional 5%. However, if the supervisor supervises only one employee in the same SFMTA M class, the supervisor's rate of pay, including the differential, shall not exceed the top of range C.
97. The existing Pay for Performance plan shall continue unless and until the MEA and the SFMTA agree upon a new performance incentive and reward plan.

Non-SFMTA M Eligible Employees – Extended Range Premium

98. Represented employees in classifications not eligible for SFMTA M who have been at Step 5 in that classification for at least 12 months, may be eligible for a five percent (5%) step increase, to Step 6. Represented employees in classification not eligible for SFMTA who have been at Step 6 in that classification for at least 12 months, may be eligible for a five percent (5%) step increase, to Step 7. Employees shall be eligible to receive this step advancement pursuant to the same criteria by which SFMTA M eligible employees are appointed to Range B & C as stated in paragraph 74 (Range B and C Adjustments).

Rights Neutrality

99. It is the goal and intention of the SFMTA and the MEA that the MTAM be administered so that the existing civil service rights of permanent civil service employees (e.g. reinstatement, reappointment, "bumping," and the like) will be maintained. That is, rights that existed prior to implementation of the SFMTA M will neither be expanded nor diminished by such implementation. Appeal rights are through the civil service process.

III C. REORGANIZATION

100. Upon ratification by each PEC-member the union of this MOU, amendments implementing this agreement, the SFMTA agrees to rescind all layoffs first noticed for members of that union on or about March 5, 2010. The SFMTA further agrees not to effectuate the plan of Reorganization described in the Mayor's letter of March 2, 2010 to SFMTA City employees (March 2010 Reorganization Plan), and not to implement a reorganization plan similar in scope and impact-prior to July 1, 2012. Neither the SFMTA nor any individual employee organizationthe union waives its rights or arguments regarding the legality of the March 2010 Reorganization Plan. Upon ratification, each PEC-member the union agrees to withdraw any pending grievances, administrative (including PERB) charges or litigation containing any claims relating to the March 2010 Reorganization Plan or actions taken or not taken in connection with the plan.
101. Prior to July, 2012, the SFMTA agrees not to effectuate any new reorganization plan that lays

off employees in a classification while assigning the work formerly performed by those laid off employees to a similar number of new positions in a classification with a lower pay grade.

102. Prior to July 1, 2012, as required by MMBA and/or MOU, the SFMTA and the union will meet and confer over the impact of any work reorganization that result in a layoff, and will at that time consider whether alternatives to layoffs exist.
103. Nothing in this Agreement shall waive or prejudice the right or position of the SFMTA or any PEC member the union with respect to layoffs and rights granted by the Charter, Civil Service Commission, MOU, or state law.

III.D. Pay for Performance

If in the following fiscal year a salary inequity continues to exist, the Appointing Officer may again review the circumstances and may grant an additional salary adjustment not to exceed 10%.

This section shall not apply to employees who are called back to duty when on standby status. The employee's work day shall not be adjusted to avoid the payment of this minimum.

III.Q. Pyramiding of Premiums

171. Each premium shall be separately calculated against an employee's base rate of pay. Premiums shall not be pyramided.

III.R. Severance Pay

172. 1. The SFMTA agrees that when involuntarily removing or releasing from employment a represented employee, the appointing officer will endeavor to inform the employee at least thirty (30) calendar days before his/her final day of work. Where the appointing officer fails or declines to inform the employee a full thirty (30) days in advance, the member shall receive pay in lieu of the number of days less than thirty (30) upon which s/he was informed.
173. 2. In addition to paragraph (1.), except as provided otherwise in this section, the SFMTA agrees that when involuntarily removing or releasing from employment a represented employee, the employee shall also receive one (1) week's severance pay for each full year worked, up to a maximum of twenty-six (26) weeks, in exchange for a release signed by the employee and MEA of any and all claims arising out of employee's employment or termination of that employment (including claims arising under this Agreement) that the employee or MEA may have against the SFMTA including any officer or employee thereof. This release shall be in a form acceptable to the SFMTA and shall include a waiver of any rights the employee may have to return to City employment (e.g., holdover roster), a waiver of Section 1542 of the California Civil Code and a waiver of claims under the Age Discrimination in Employment Act.. The release shall exclude the right to grieve the proper amount of severance pay due under this section.

3. Except as provided otherwise in this section, in the event a represented employee is involuntarily returned to a permanent job code, that employee may elect to separate from City Service and shall receive one week's severance pay for each full year worked, up to a maximum of 26 weeks, in exchange for a release signed by the employee and MEA of any and all claims arising out of employee's employment or termination of that employment (including claims arising under this Agreement) that the employee or MEA may have against the SFMTA including any officer or employee thereof. This release shall be in a form acceptable to the SFMTA and shall include a waiver of any rights the employee may have to return to City employment (e.g., holdover roster), a waiver of Section 1542 of the California Civil Code, and a waiver of claims under the Age Discrimination in Employment Act. The release shall exclude the right to grieve the proper amount of severance pay due under this section.

174. Failure to provide a General Release within the thirty (30) day notice period or within the sixty (60) day period in the case of a layoff, will result in an automatic thirty (30) day notice period extension.

4. Payment of severance is dependent upon approval by the Appointing Officer, Controller and the SFMTA Human Resources Director. Approval will be based on a good faith consideration of whether the employee's removal or release was involuntary, was initiated by the Appointing Authority, and was in the best interests of the SFMTA, and whether the termination of employment was based on conduct involving misappropriation of public funds or property, misuse or destruction of public property, mistreatment of persons, or acts which would constitute a felony or misdemeanor.

175. 5. For purposes of this section, an employee who receives notification from the City that he or she is eligible for early retirement benefits under Charter Section A8.401 and who thereafter elects to retire and accept benefits under Charter Section A8.401 shall not be eligible for severance pay under this section.

176. Except when normal operations require, or in an emergency, employees shall not be required to work on the following days hereby declared to be holidays for such employees:

The third Monday in January (Martin Luther King, Jr.'s Birthday)
The third Monday in February (President's Day)

San Francisco Municipal Transportation Agency and
Municipal Executives Association
July 1, 2006 - June 30, 2012

Thanksgiving Day
The day after Thanksgiving
December 25 (Christmas Day)

177. Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the Monday following is a holiday.
178. The SFMTA shall accommodate religious belief or observance of employees as required by law.
179. Five additional floating days off to be taken on days selected by the employee subject to prior scheduling approval of the appointing officer. Floating Holidays may be taken in hourly increments up to and including the number of hours contained in the employee's regular shift. Employees (both full-time and part-time) must complete six (6) months continuous service to establish initial eligibility for the floating days off. Employees hired on an as-needed, part-time, intermittent or seasonal basis shall not receive the additional floating days off. Floating holidays received in one fiscal year but not used may be carried forward to the next succeeding fiscal year. The number of floating holidays carried forward to a succeeding fiscal year may not exceed the total number of floating holidays received in the previous fiscal year.. No compensation of any kind shall be earned or granted for floating days off not taken.

Floating Holidays

Effective July 1, 2010 for FY 2010-11, in recognition of the value of wage concessions during the year, employees shall receive a one-time addition of twelve (12) floating holidays for one year, which shall be administered in the same manner as the floating holidays in paragraph 169 above. However, these floating holidays will be awarded on a quarterly basis (i.e. three floating holidays will be allotted in first full pay period beginning on July 1st, October 2nd, January 8th, and April 16th of the fiscal year). The parties agree that employees may be required to take no more than five of the floating holidays for the four working days between December 25, 2010 and January 1, 2011, and one day for the day prior to Thanksgiving 2010, when the SFMTA has implemented Minimum Staffing Days.

Effective July 1, 2011 for FY 2011-12, in recognition of the value of wage concessions during that year, employees shall receive a one-time addition of twelve (12) floating holidays for one year, which shall be administered in the same manner as the floating holidays in paragraph 169 above, with the exception that they must be used in daily or hourly increments. These floating holidays will be on a quarterly basis (i.e. three floating holidays will accrue in first full pay period on July 1st, October 1st, January 7th, and April 14th of the fiscal year). If the number of unpaid furlough days (or equivalent) for the year is reduced by operation of the provisions of Section ___ above, the number of additional floating holidays will be reduced in a corresponding manner. The parties agree that employees may be required to take no more than five of the floating holidays for the four days working days between December 25, 2011 and

January 1, 2012, and one day for the day prior to Thanksgiving 2011, when the SFMTA has implemented Minimum Staffing Days.

Notwithstanding the paragraphs above, any unused floating holidays accrued from July 1, 2010 through June 30, 2012 may be carried over to be used in FY 2012-13, FY 2013-14 and FY 2014-15.

During FY 2010-11, FY 2011-12, FY 2012-13, FY 2013-14 and FY 2014-15, floating holidays must be used before vacation days or hours are taken; provided however that this limitation (i.e., use of floating holidays before vacation) will not apply in cases in which use of the floating holiday will cause a loss of vacation due to the accrual maximums. Except for days taken during Minimum Staffing days, floating holidays are to be scheduled per mutual agreement, based on operational needs of the department.

Minimum Staffing Days (MSDs)

The SFMTA will evaluate divisions or work units for which minimum staffing days are appropriate. Minimum staffing days may take the form of complete closures or minimum staffing. On or before August 1, 2010 and August 1, 2011, the SFMTA will notify the PEC which divisions/units have been slated for Minimum Staffing days and/or reduced staffing. If the PEC has any concerns regarding the list, it must make its concerns known to SFMTA Labor Relations within fourteen (14) calendar days. SFMTA Labor Relations agrees to discuss any concerns raised by the PEC via this process. If the PEC finds SFMTA's response inadequate, it may elevate its concerns to the Mayor, who will be the final arbiter of any such dispute. The Minimum Staffing Days currently identified and agreed to by the SFMTA and the PEC are the non-holiday work days between Christmas and New Years and the Wednesday prior to the Thanksgiving weekend – five (5) days.

- 170 a. For the period June 30, 2009 through Fiscal Years 2009-2010, 2010-2011, and 2011-2012, the prohibition on compensation earned or granted for floating days off not taken shall be suspended. During the two years noted, unused floating holidays will be paid out upon separation.
180. Employees who have established initial eligibility for floating days off and subsequently separate from SFMTA employment, may at the sole discretion of the appointing authority, be granted those floating day(s) off to which the separating employee was eligible and had not yet taken off.
181. In addition, any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States shall be a holiday.
182. For those employees assigned to a work week of Monday through Friday, and in the event a

legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under his/her jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Section 16.4 of the Administrative Code. Those employees who work on a Friday which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current fiscal year. The SFMTA shall provide one week's advance notice to employees scheduled to work on the observed holiday, except in cases of unforeseen operational needs.

2. In-Lieu Holidays

183. Requests for in-lieu holidays shall be made to the appropriate management representative within thirty (30) days after the holiday is earned and must be taken within the fiscal year.
184. In-lieu days will be assigned by the appointing officer or designee if not scheduled in accordance with the procedures described herein.
185. An in-lieu holiday can be carried over into the next fiscal year only with the written approval of the appointing officer.

3. Holiday Compensation for Time Worked

186. Employees required by their respective Appointing Officers to work on any of the above-specified or to substitute holidays excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid extra compensation of one (1) additional day's pay at time and one-half (1-1/2) the usual rate in the amount of twelve (12) hours' pay for eight (8) hours worked or a proportionate amount if less than eight (8) hours worked; provided, however, that at an employee's request and with the approval of the appointing officer, an employee may be granted compensatory time off in lieu of paid overtime.
187. Employees occupying positions which are exempt from the FLSA (Executive, administrative and professional) shall not receive extra compensation for holiday work but may be granted time off at the straight time rate.

4. Holidays for Employees on Work Schedules Other Than Monday Through Friday

188. Employees assigned to seven (7) day-operation departments or employees working a five (5) day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off.
189. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off.

190. Non-FLSA exempt employees required to work on a holiday which falls on a Saturday or Sunday shall receive holiday compensation for work on that day. Holiday compensation shall not then be additionally paid for work on the Friday proceeding a Saturday holiday, nor on the Monday following a Sunday holiday.
191. The provisions of this section shall apply to part-time employees on a pro-rata basis.
192. If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, s/he shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.

5. Holiday Pay for Employees Laid Off

193. An employee who is laid off at the close of business the day before a holiday who has worked not less than five (5) previous consecutive workdays shall be paid for the holiday at their normal rate of compensation.

6. Employees Not Eligible for Holiday Compensation

194. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons employed on as-needed, seasonal or project basis for less than six (6) months continuous service, or persons on leave without pay status both immediately preceding and immediately following the legal holiday shall not receive holiday pay.

7. Part-time Employees Eligible for Holidays

195. Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holiday pay on a proportionate basis.
196. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

197. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

III.T. Vacation

198. Award and accrual of vacation benefits shall be as specified in the Administrative Code, and may not be changed during the duration of this Agreement without the concurrence of the Association.

III.U. Sick Leave

1. Accrual

199. Award and accrual of sick leave benefits shall remain unchanged during the period of this Agreement. In addition, during the term of this agreement, no changes in sections of Civil Service Commission Rule 120 and 420 bargainable and arbitrable pursuant to Charter Section A8.409-3, may be implemented without the concurrence of the Association.

2. Sick Leave with Pay Limitation

200. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the net amount the employee would have earned for a regular work schedule minus premium pay adjustments. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.

III. V. HEALTH PLAN SAVINGS

201. EMPLOYEE HEALTH CARE

Fiscal Year 2011-12 and Thereafter

The SFMTA will participate in the and the PEC will establish a City-wide labor-management committee formed to to begin meeting no later than October 1, 2010, concluding before December 31, 2010 to identify changes to MOU- negotiated premium payments that would be anticipated to yield approximately \$3 million in savings annually in the City's employee health care cost, beginning Fiscal Year 2011-12.

Should the committee not reach mutual agreement on another option, the following goes into

effect: for Fiscal Year 2011-12 and thereafter, for all employees enrolled in the City Plan in the medically-single/Employee-Only category, the SFMTA's contribution will be capped at an amount equivalent to the cost of the second-highest cost plan for medically-single/Employee-Only enrollees. Employees who elect to enroll in the City plan in this category must pay the difference between the capped amount of the City plan described above and the cost of City plan coverage in the medically-single/Employee-Only category.

If no mutual agreement on another option is reached as described in paragraph 282 and if an employee's work location reasonably requires him or her to reside in a county in which there is no City HMO available, then the City SFMTA shall pay for medically single/Employee-Only coverage under the City plan.

III.W. Wellness Program

202. The SFMTA shall implement a "wellness program." The Wellness Program shall be discontinued effective June 30, 2010.
203. Effective July 1, 2002, any fulltime employee leaving the employment of the City upon service or disability retirement may receive payment for a portion of sick leave earned but unused at the time of separation.
204. The amount of this payment shall be equal to two percent (2 ½ %) of sick leave balances earned but unused at the time of separation times the number of whole years of continuous employment times an employee's salary rate, exclusive of premiums or supplements, at the time of separation. Vested sick leave hours, as described by CSC rules, shall not be included in this computation.
205. Example of calculation:
Employee A retires with 20 years of service.
Employee A has a sick leave balance of 500 hours.
Employee A has a base salary rate of \$25.00 per hour at the time of separation.
- Wellness incentive = 2 ½ % for each year of service x 20 years of service = 50%
50% x 500 hours = 250 hours
250 hours x \$25.00 (base salary rate at time of separation) = \$6,250.00
206. The number of hours for which an employee may receive cash payment shall not exceed one thousand forty (1040), including any vested sick leave hours.
207. This wellness incentive bonus shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.
208. Effective July 1, 2008, employees must have at least three hundred (300) hours of accrued sick

leave as of the last day of employment in order to be eligible to receive the benefits of the wellness program.

III. X. State Disability Insurance (SDI)

209. Upon a statement of a majority of members of a job code covered by this Agreement requesting that they be enrolled in the State Disability Insurance Program, the Department of Human Resources shall immediately take any and all necessary action to enroll such job code and all employees therein, in accordance with Administrative Code Section 16.9-31.
210. Employees enrolled in SDI prior to July 1, 2001, shall continue to be enrolled whether or not their job code is enrolled, provided however that if such an employee changes his or her job code on or after January 1, 2002, his or her enrollment status will be determined by job code.
211. Upon request by the Association, the SFMTA shall meet to discuss the implementation of SDI for MEA represented classes and units during the term of this agreement.

213. The SFMTA shall contribute the greater amount of \$225 per month or 75% of the dependent rate charged to employees for Kaiser coverage at the dependent plus two or more level, including any additional charges assessed to Health Service System members by vote of the Health Services Board.
214. The Management Cafeteria Plan benefit year will correspond with the benefit plan year for all other Health Service System members.
215. A plan year may be modified by mutual agreement. Such agreement must be confirmed in writing.
216. The elements of this package shall include but are not limited to: dependent health care, DCAP, disability insurance, term life insurance and other life insurance, accident insurance, and other authorized mutually agreed benefits. Specific plan design shall be subject to administrative feasibility and shall be determined in consultation with the Association. The benefits plan shall conform to provisions of IRS Code Section 125.
217. The SFMTA agrees to maintain health and dental benefits at present levels for the life of the Agreement.

218. The SFMTA acknowledges its obligation to provide the cafeteria plan and its benefits. If the SFMTA is responsible for a violation of this section (III.Y), the SFMTA acknowledges that it is responsible to make the affected member whole, which may include providing the covered benefits described in the plan at issue or reimbursing the member for the cost of providing those benefits, as appropriate. 219. Provisional, temporary and temporary exempt employees who have served more than 1,040 hours of continuous service, whose regular work week at the time of inclusion in the system is not less than twenty (20) hours, shall be eligible for membership in the Health Service System (health plan coverage).

III.BB. Retirement

220. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that an MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.
221. Effective July 1, 2006, represented employees who are members of SFERS agree to pay their own employee retirement contribution in an amount equal to seven and one-half percent (7.5%) of covered gross salary. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the SFMTA shall pick up the remaining one-half percent (0.5%) of the total eight percent (8%) employee retirement contribution to SFERS.
222. Any SFMTA pickup of an employee's contributions shall not be considered as a part of an employee's compensation for the purpose of computing straight time earnings or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of, or percentage of salary.
223. Retirement Restoration
For employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes is impacted by the wage reduction described in Section 66d the SFMTA will make available restoration pay in a lump sum equivalent to the pensionable value of the wage reduction or wage increase deferral described in Section 66d for the period used by the applicable retirement system to determine the employee's final compensation for retirement

purposes (Final Compensation Period). Retirement restoration will include payouts of vacation and vested sick leave at the employee's normal (pre-reduction or non-wage-deferred) hourly rate, although nothing herein requires the San Francisco Employees Retirement System, or any applicable retirement system, to include payouts of vacation or vested sick leave in retirement calculations.

Should employees who retire prior to July 1, 2013 wish to receive retirement restoration, they must, at least thirty (30) days prior to the last date of employment, agree to re-designate any floating holidays they have taken during the Final Compensation Period in excess of five (or four, depending on the contract) to vacation days upon retirement. This redesignation shall not apply to floating holidays carried over from a prior fiscal year. Once they have taken five (or four, depending on the contract) floating holidays during the Final Compensation Period, such employees will not be eligible to take any floating holidays during the last 30 days of their employment except for floating holidays accrued before July 1st of the fiscal year in question.

222a. For employees who retire prior to July 1, 2012 and whose final compensation for retirement purposes is impacted by contributions in fiscal year 2009-10 and/or 2010-11 of the value of unpaid furlough days as described in Section III.A Paragraph 66a. above 88, 89a, 89b, 89c, and 90 and/or (ii) waiving the Pay for Performance lump sum payments as described in 66a., 66b., 66c., and 66d. above, the SFMTA will provide restoration pay in a lump sum equaling the amount of the contributions described immediately above for period used by the applicable retirement system to determine the employee's final compensation for retirement purposes.

Release time shall not be unreasonably withheld.
- 226. All such seminars must be located within the Bay Area.
- 227. This section shall not be subject to the grievance procedure.

III.DD. Life Insurance

III.EE. Capital Improvement Program (CIP)

229. Employees in classes which directly supervise employees represented by IFPTE Local 21 in classes eligible to participate in the Pilot Capital Project Incentive Program described in the MOU between the City and IFPTE Local 21 (“qualifying employees”), shall receive a correlate performance-based monetary incentive.

III.FF. Parental Release Time

230. Upon proper advance notification, employees may be granted up to forty (40) hours Parental Leave – two (2) hours of which will be paid leave each semester – each year, to participate in the activities of a school or licensed child day care facility of any of the employee’s children. Parental Leave shall not exceed eight (8) hours in any calendar month of the year.
231. In order to qualify for Parental Leave, the employee must give reasonable notice to his/her supervisor prior to taking time off. If requested by management, the employee must provide written verification from the school or licensed child day care facility that he/she participated in the school/child care related activities on a specific date and at a particular time,
232. The employee may utilize either existing vacation, executive leave, administrative leave, compensatory time, or personal (unpaid) leave to account for absences after the two (2) paid hours per semester have been used. If both of the child’s parents are employed by SFMTA at the same worksite, the entitlement to a planned absence applies only to the parent who first gives notice.
233. Denial of Parental Leave under this section is not subject to the grievance process.

III.GG. Parking Facilities

234. Parking fees for represented employees will be set in accordance with Administrative Code Section 4.24, which states:

Where the City provides parking to City employees or to City tenants at facilities under the City’s management or control, the City may charge the following monthly fee for parking to those employees or tenants:

The price of a Municipal Railway monthly pass plus \$10.00, or the existing amount being charged as of May 31, 2004, whichever is higher.

This section shall not apply to parking facilities under management or control of the San

235. The MTA shall budget \$20,000 each year for the purpose of management training of MEA-represented employees. Until such funds are exhausted, an employee may utilize up to a maximum of \$2,000 per fiscal year. Upon agreement of the parties, this amount may be supplemented with unspent funds allocated for internal adjustments in accordance with Section III.C. Until such funds are exhausted, an employee may utilize up to a maximum of \$2,000 per fiscal year for tuition, internal or external training programs, professional conferences and professional association membership. Employees may also use funds to purchase Personal Digital Assistants, professional software, books and subscriptions, and laptop computers, to the extent that these items would be used in the performance of their City duties. In addition, subject to approval by the MTA Director of Human Resources and to the extent funds are available, employees may utilize up to \$1,000 of the funds available to them for that fiscal year under this article to pay for up to one-half of the cost of reasonable and necessary travel and lodging for approved training. Travel reimbursement rates shall be as specified in the Controller's travel policy memo. However, Management Training Funds may not be used for food. A joint MTA-MEA management development committee will be established to develop the program and to decide how to spend the allotted sums. The MTA shall not utilize these funds to supplant existing budgeted training programs. Funds which are not expended at the end of each fiscal year shall be rolled over into the next fiscal year.

IV.B. Paid Status During Training

236. Represented employees shall be on paid status when assigned to attend required educational programs scheduled during normal working hours.

IV.C. Reimbursement for Licenses, Certificates, and Professional Memberships

237. The SFMTA shall reimburse members for the cost of required professional licenses, certificates, and memberships.

ARTICLE V: WORKING CONDITIONS

V.A. Health and Safety

238. The SFMTA acknowledges its responsibility to provide a safe and healthful work environment for SFMTA employees. The Association agrees that it shares the responsibility for these efforts, as do SFMTA employees.
239. When an employee, in good faith, believes that a hazardous or unsafe condition exists, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the Department's Safety Committee and/or Safety Officer. If the Department agrees the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated. If there is no concurrence, the matter may be submitted to the Grievance Procedure at Step 3 for final resolution. The employee's assignment shall be continued until the dispute is resolved. Employees may be relieved of tasks which pose a threat to their health or safety provided the tasks are not essential functions of the jobs.

- (a) in the event the San Francisco Municipal Transportation Agency negotiates to improve an economic benefit that becomes effective between July 1, 2010 through December 30, 2010, inclusive, for any other miscellaneous SFMTA officers or employees employed in the SFMTA, that economic benefit will be extended to the union's represented employees in a manner consistent with the overall economic agreement between the SFMTA and the union with which it previously agreed,
 - (b) In the event that an arbitration panel acting under the authority of Charter section A8.409-4 awards another union representing miscellaneous employees employed in the SFMTA an economic benefit that becomes effective between July 1, 2010 through December 30, 2010, the SFMTA shall allow the union to reopen its MOU solely for the purpose of proposing that its represented employees should receive an economic benefit

in FY 2011-12, in light of the arbitration panel's award on behalf of the other miscellaneous labor organization. Such reopener, if any, shall commence in January 2011, and shall be subject to the timelines and the Charter factors set forth in Charter section A8.409. By entering into this agreement, the SFMTA is not conceding that the union is or should be entitled to a remedy in the event another union receives an economic benefit for the time period described above. The parties also acknowledge that any economic increases so awarded that are based on market-based adjustments or reflect premiums for specific work functions are not necessarily applicable to any other group of employees or to other unions,

- (c) that economic benefits negotiated for or awarded to non-A8.409 employees, so called "miscellaneous safety" or employees whose retirement is with the California Public Employees Retirement System are exempt from this section and do not trigger subsections (a) and (b), above; and
- (d) that any economic benefits negotiated or awarded that become effective on or prior to June 30, 2009 are exempt from this section and do not trigger subsections (a) and (b), above.

VI.E. Duration of Agreement

This Agreement uses the terms “salary grade” and “job code” where the predecessor Agreement used “salary schedule” and “classification.” This change is intended to ensure consistency with the SFMTA’s personnel administration software; it shall not change the substantive meaning of any provision of this Agreement or alter in any way the rights and responsibilities of the parties from the prior Agreement usage.

Appendix F

SFMTA Performance/Attendance Incentive Pay

Consistent with Charter Section 8A.100, the San Francisco Municipal Transportation Agency (SFMTA) and the Association agree that employees will be rewarded for the attaining of various service, performance and/or attendance goals.

The SFMTA Performance and Attendance Incentive Programs apply only to employees in “service-critical” classes at SFMTA.

The benefits of these programs are only available to “service-critical” employees while employed at SFMTA. Employees who leave or transfer out of “service-critical” employment at SFMTA lose the benefits of these programs.

Goal percentage requirements and effective dates for Performance Incentives are updated in June of each year. Information regarding the goals and effective dates will be published and posted on the SFMTA website. Information on qualifying periods, rewards and/or compensation for Attendance Incentives will also be posted on the SFMTA website and/or are available in hard copy upon request of the Association.

SIDELETTER

RETIREE MEDICAL BENEFITS

The City and the Association agree that it is in the interests of the public and all City employees that sufficient funds be made available for the payment of the retiree medical benefits provided by the City Charter. As of January 2007, the City has an obligation to report its unfunded liability for retiree medical benefits, as required by the Governmental Accounting Standards Board. In recognition of these facts, the Association and City agree to participate in a City-wide Retiree Health Benefits Committee to study and make recommendations regarding funding of retiree health benefits.

SIDELETTER

SUPERVISORY DIFFERENTIAL

The SFMTA will mirror the City's sideletter on supervisory differential determination.
