Project Status Summary – Capital Planning & Grant Management Application**

Title	ARRA Funding	Total Appropriations	Total Obligation	Total Expenditure	Status
<u>Capital Planning & Grant Management Application</u>	\$250,000	NA	NA	NA	Review

Description

This project involves procuring a customized capital planning and grant management software application to collectively manage all the various data formats and inputs. Procurement of a software application to replace manual Excel spreadsheets and other inefficient formats will allow for more efficient and effective management of capital program funding. The SFMTA will be able to more readily provide comprehensive information to all stakeholders, including SFMTA management, policymakers, community members, and funding agencies.

The Capital Planning & Grant Management Application is consistent with the following SFMTA Strategic Plan goals:

Goal 3: Financial Capacity

To ensure financial stability and effective resource utilization

Goal 5: SFMTA Workforce

To provide a flexible, supportive work environment and develop a workforce that takes pride and ownership of the Agency’s mission and vision and leads the agency into an evolving, technology-driven future
