Infrastructure/Facilities Enhancement & Maintenance	\$4,050,000	NA	NA	NA	Scope

**Description**

This project is to provide rehabilitation and preventive maintenance to various SFMTA facilities, sites and right-of-way locations. The scope of the project includes, but is not limited to, the rehabilitation, upgrade and/or preventive maintenance at various SFMTA facilities.

The Infrastructure/Facilities Enhancement & Maintenance projects are consistent with the following SFMTA Strategic Plan goals:

**Goal 1 – Customer Focus**

To provide safe, accessible, clean, environmentally sustainable service and encourage the use of auto-alternative modes through the Transit First Policy.

- 1.1 Improve safety and security across all modes of transportation
- 1.2 Improve cleanliness of SFMTA stations and vehicles by providing a clean, comfortable experience

**Goal 2 – System Performance**

To get customers where they want to go, when they want to be there.

- 2.2 – Ensure efficient transit connectivity and span of service

**Goal 5—SFMTA Workforce**

To provide a flexible, supportive work environment and develop a workforce that takes pride and ownership of the Agency’s mission and vision and leads the agency into an evolving, technology-driven future

- 5.1 Increase resources available to employees in performing their jobs (tools, staff hours, etc)
- 5.2 Improve facilities in which people are working

### **Project Status**

- Some of the smaller repair and rehabilitation projects will be performed through two existing SFMTA Job Order Contracts, Contract Nos. 1222 and 1223. Task Orders for those projects are being finalized and work is anticipated to start in early July. Task Order progress updates will be provided on this website.
- Scopes/Technical Specifications for several of the larger projects are being finalized, and have tentative advertisement dates between May and June.
