Preventive Maintenance	\$22,534,543	NA	NA	NA	NA

Description

Preventive maintenance funding will be used to support general preventive maintenance activities undertaken by the agency that are required to preserve or extend the functionality and serviceability of the agency's assets. As projects are performed, this website will provide tracking information.

The Preventive Maintenance project is consistent with the following SFMTA Strategic Plan goals:

Goal 1 – Customer Focus

To provide safe, accessible, clean, environmentally sustainable service and encourage the use of auto-alternative modes through the Transit First Policy

- 1.1 Improve safety and security across all modes of transportation
- 1.2 Improve cleanliness of SFMTA stations and vehicles by providing a clean, comfortable experience

Goal 2 – System Performance

To get customers where they want to go, when they want to be there

- 2.2 – Ensure efficient transit connectivity and span of service

Goal 5—SFMTA Workforce

To provide a flexible, supportive work environment and develop a workforce that takes pride and ownership of the Agency’s mission and vision and leads the agency into an evolving, technology-driven future

- 5.1 Increase resources available to employees in performing their jobs (tools, staff hours, etc)
- 5.2 Improve facilities in which people are working

Contracting Information

General preventive maintenance activities will be completed in house, with purchase orders for materials, equipment and supplies issued on an as-needed basis. The issuance of purchase orders will be reported here and at the website of the [Office of Contract Administration](#).
