

Project 4-1 16th Street Bicycle Lanes, 3rd Street to Terry Francois Boulevard

This project would add a new route to the City's existing bicycle route network on 16th Street between Illinois Street and Terry Francois Boulevard.

This project would involve the installation of Class II bicycle lanes in both directions on 16th Street between 3rd Street and Illinois Street by narrowing travel lanes. Class II bicycle lanes would be added in both directions on 16th Street between Illinois Street and Terry Francois Boulevard when that segment of 16th Street is constructed.

This project would not involve travel lane or parking removal.
