

Project 6-1 Claremont Boulevard Bicycle Lanes, Dewey Boulevard to Portola Drive

This project would involve the installation of Class II and Class III bicycle facilities in both directions on Claremont Boulevard between Dewey Boulevard and Portola Drive.

This project would install a Class II bicycle lane in the northbound direction from Portola Drive to Dewey Boulevard. In the southbound direction, this project would add sharrows to the existing Class III bicycle route from Dewey Boulevard to Ulloa Street and add a Class II bicycle lane from Ulloa Street to Portola Drive. This project would not involve travel lane or parking removal.
