

Construction Notice

Construction activity for installation of Muni poles and Overhead Contact System will begin on Friday, May 20, 2011

Contract Number 1251

Project Description

On Friday, May 20 Synergy Project Management, the contractor, will begin excavating under sidewalks and in basements in preparation for installing Muni pole foundations for the Overhead Contact System required for the temporary trolley coach reroute in the downtown area.

Here's what you can expect:

- The contractor will always maintain safe pedestrian access to all stores during business hours.
- Those traveling or working in the area can expect an increase in noise, dust and traffic as a result of the construction.
- Below is a detailed list of addresses for pole installation locations:

<u>Stockton Street</u>	<u>Sutter Street</u>	<u>Mason Street</u>	<u>Fifth Street</u>	<u>Basement Foundations</u>
402 and 415	540	131, 161, 212, 238, 280, 298, 311, 341, 371, 399, 411, 461 511, 541, 571, 592, 610, and 611	56, 80, 98,150, 198, 202, 220, 232, 250, 262, 294, 300, 320 334, 358, 372, 392, 406, 409, and 412	191 Mason Street 431 Mason Street 571 Mason Street
