

## Construction Notice

Construction activities for utility relocation will continue excavating on Ellis Street and east side of Stockton Street between Post and Geary streets on July 5, 2011

**Contract Number 1251**

### Project Description

On Tuesday, July 5 Synergy Project Management, the contractor, will continue excavating under sidewalks and streets in preparation for utility relocation required in the downtown area for the Central Subway Project.

### Here's what you can expect:

- Utility relocation will continue excavating under sidewalks on Ellis Street between Stockton to Powell streets.
- Utility relocation will resume on the east side of Stockton Street between Post and Geary streets.
- The contractor will always maintain pedestrian access to all stores during business hours.
- Those traveling or working in the area can expect an increase in noise, dust and traffic as a result of the construction.
