

IMPORTANT NOTICE CONCERNING YOUR RIGHTS

November 18, 2009

Dear San Francisco Resident:

The San Francisco Municipal Transportation Agency (SFMTA) has filed an application with the San Francisco Department of Public Works (DPW) for a permit to replace the existing equipment cabinets on the sidewalk at the intersection of Church Street and Duboce Avenue. A photograph of the Surface Mounted Facility (SMF) and the specifications for the SMF are shown on the next page.

SFMTA will be upgrading the track and signaling system at the intersection of Church Street and Duboce Avenue. The existing cabinets and foundation need to be replaced with new ones as part of the system upgrade. The proposed SMF locations are the optimal location for the placement of the equipment cabinets from a safety and functional standpoint.

If you object to the installation of the SMF, you must notify the Department of Public Works of your objections either by phone at (415) 554-5810 or by mail at the Bureau of Street-Use and Mapping, 875 Stevenson Street, Room 460, San Francisco, CA 94103-0942. You have 20 days from the date of this notice to either telephone or send written notice of your objection to DPW. DPW will not consider any objection unless it is made within this 20-day period.

If you submit an objection, DPW may convene a hearing to determine whether the permit for placement of the SMF should be issued. DPW will commence any such hearing within 40 days after the receipt of any objections. You will have the opportunity to express your concerns about the SMF at the hearing should you choose to attend.

Thank you,

Yingming Gu
