

# Application for ADA Paratransit Service

## IMPORTANT INFORMATION FOR APPLICANTS

**This packet includes information and forms you need to apply for paratransit eligibility in the San Francisco Bay Area. As part of the requirements of the Americans with Disabilities Act (ADA), paratransit service is provided by all public transportation systems. This special type of public transportation service is limited to persons who are unable to independently use regular public transit, some or all of the time, due to a disability or health related condition.**

In order to use ADA paratransit service, you must be certified as eligible. Eligibility is determined on a case-by-case basis. According to ADA regulations, eligibility is strictly limited to those who have specific limitations that prevent them from using accessible public transportation.

Your application may be approved for full eligibility (unconditional) or on a limited basis for some trips only (conditional eligibility). If you are found to be capable of using regular bus and rail transit for all trips, without the help of another person, you will not be eligible for paratransit.

**To apply for eligibility, you must fully complete the attached application form.** We will review your ability to use accessible public transportation. After studying your application, we may need more information. We may need to:

- Contact you by phone
- Schedule a personal interview or a functional evaluation, or
- Consult with your doctor, health professional, or other specialist about your condition and abilities

**如果您想使用中文申請, 請致電 (415) 351-7005**

Your application will be processed within 21 days after it has been received. The application must be properly completed, and you must make yourself available for a second level assessment if requested. A second level assessment could include a telephone interview with you, medical verification, or an in-person interview. The in-person interview may include a functional test to determine your ability to take a public transit trip, such as being capable of walking to a bus stop, reading signs etc.

You will receive notice of your eligibility determination by mail. If you are certified as eligible, you will be eligible to travel throughout the nine-county Bay Area. If you do not agree with the eligibility determination, you have the right to appeal. Information on how to file an appeal will be included with your eligibility notice. If an eligibility determination takes longer than 21 days, you may be given eligibility that allows you to use the paratransit system until a final decision about your eligibility is made. This does not apply if, through inactions on your part, we are unable to complete the processing of your application.
