MUNICIPAL TRANSPORTATION AGENCY
BOARD OF DIRECTORS

RESOLUTION No. 250401-030

WHEREAS, Under Transportation Code Section 906, Contractor permits allow licensed construction or pest control services to park without parking meter payment and are exempt from time limits in parking meter and Residential Parking Permit (RPP) areas; and,

WHEREAS, The contractor permit allows the vehicle to be parked in any legal parking spot and is not limited to parking spots near construction; and,

WHEREAS, The fee includes the costs of SFMTA permit administration and meter revenue recovery; and,

WHEREAS, The current cost of the contractor permit is based on a meter recovery rate of \$18.00 per day, while the actual meter recovery rate has increased since the time the cost of the contractor permit was set to \$23.00 per day; and,

WHEREAS, The SFMTA is proposing to increase the annual fee from \$2,412 to \$3,074 and the six-month fee from \$1,206 to \$1,537, consistent with the higher meter recovery rate; and,

WHEREAS, On February 27, 2025, the SFMTA, under authority delegated by the Planning Department, determined that the proposed amendments to Transportation Code, Division II is not a “project” under the California Environmental Quality Act (CEQA) pursuant to Title 14 of the California Code of Regulations Sections 15060(c) and 15378(b); and,

WHEREAS, A copy of the CEQA determination is on file with the Secretary to the SFMTA Board of Directors and is incorporated herein by reference; now, therefore, be it

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors approves the increase for the annual Contractor Parking Permit from \$2,412 to \$3,074 and from \$1,206 to \$1,537 for a six-month permit and directs staff to publish the new fees consistent with the Transportation Code.

I certify that the foregoing resolution was adopted by the San Francisco Municipal Transportation Agency Board of Directors at its meeting of April 1, 2025.
