Union representatives shall also have a reasonable right of access to non-work areas (employee lounges and break rooms), and to hallways, in order to reach non-work areas, to verify that the terms and conditions of this Agreement are being carried out and for the purpose of conferring with employees.
27. Union representatives must identify themselves upon arrival at an SFMTA department. Union representatives may use SFMTA meeting space with a reasonable amount of notice, subject to availability.
28. In work units where the work is of a confidential nature and in which the SFMTA requires it of other non-employees, the SFMTA may require that union representatives be escorted by an SFMTA representative when in areas where said confidential work is taking place.
29. Nothing herein is intended to disturb existing written departmental union access policies. Further, the SFMTA may implement additional rules and regulations after meeting and conferring with the Union.
30. The SFMTA shall reserve a reasonable amount of space on bulletin boards within SFMTA buildings for the distribution of Union literature. All posted literature shall be dated, identified by affiliation and author, and neatly displayed, and removed from the bulletin board by the Union when no longer timely. Except as stated below, the SFMTA agrees that

identifiable Union literature shall not be removed from said bulletin boards without first consulting with the representative of the Union to determine if the literature should remain for an additional period of time. The Union shall not post literature that is discriminatory, harassing, or violates SFMTA policy or the law. The SFMTA may remove this type of literature immediately and shall notify the Union of its removal.

I.F. GRIEVANCE PROCEDURE AND THE DISCIPLINE PROCESS

31. The authorized Grievance Procedure is as follows:

The following procedures are adopted by the parties to provide for the orderly and efficient disposition of grievances. These shall be the sole and exclusive procedures for resolving grievances as defined in this Agreement.

A. Definition Of A Grievance

32. A grievance shall be defined as any dispute or allegation by an employee, a group of employees or the Union involving the interpretation or application of this Agreement, including discipline and discharge of employees. The employee, group of employees or the Union shall be referred to as the “grievant.”

33. A grievance does not include the following:

- a. All civil service rules excluded pursuant to Charter Section A8.409-3.
- b. The SFMTA’s exercise of its management rights.

Time Limits And Extensions

34. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

35. The time limits in this grievance procedure may be extended by mutual agreement of the parties. Any such extension must be confirmed in writing. A “working day” shall be defined as any Monday through Friday, excluding legal holidays granted by the City and County of San Francisco and SFMTA.

36. The time between the steps of the grievance procedure may be extended by mutual agreement. The parties agree that if either party misses a time limit delineated in this Section, the grievance shall progress immediately to the next step of the grievance procedure. At the arbitration, either party may present evidence of any failure on the other party's part to comply with the grievance deadlines.

37. The parties may mutually agree that a grievance may be filed at Step 2 of the grievance procedure. Any such agreement must be confirmed in writing.

Statement Of A Grievance

38. A grievance shall specify:

- a. the specific section(s) of this Agreement that is alleged to have been violated;

- b. the facts giving rise to the alleged violation; and
- c. the remedy requested for the alleged violation.

Grievance Initiation

- 39. Within 20 working days after the event that was the basis for the grievance, or within 20 working days of the time when the grievant reasonably should have known of the event that gave rise to the grievance, the grievant shall file the grievance at Step 1 of the grievance procedure.

Union Rights in Individual Employee Filed Grievances

- 40. When an individual employee grievant is not represented by the Union, SFMTA shall send the Union a copy of the grievance. In addition, SFMTA shall notify the Union about grievance meetings scheduled between the grievant and SFMTA, inform the Union about any SFMTA responses to the grievance, and shall allow a Union representative to attend all grievance meetings. The Union shall have the right to present its views on the grievance, in writing, at all steps of the procedure. Only the Union, not individual employee(s) may move a grievance (including a grievance regarding disciplinary action) to Step 3.

B. Procedural Steps in Processing Grievance

- 41. Informal Discussion With Immediate Supervisor

Before filing a formal written grievance, the grievant shall attempt to resolve it by scheduling an informal conference with the grievant's immediate supervisor.

- 42. Step 1: Formal Written Grievance (Senior Operation Manager)

Within 20 working days after the event that was the basis for the grievance, or within 20 working days of the time when the grievant reasonably should have known of the event that gave rise to the grievance, the grievant shall present a grievance, in writing to the Senior Operation Manager or designee. A representative of the Union shall be permitted to be present when the grievance is presented. If the grievant requests a meeting, the Senior Operation Manager or designee shall schedule a meeting within the five (5) working days and a representative of the Union shall be permitted to be present. The Senior Operation Manager or designee shall communicate the decision in writing to the grievant and to the Union, within ten (10) working days after receiving the grievance.

- 43. Step 2: Appeal to Manager, Employee & Labor Relations

At any time within ten (10) working days after the Step 1 decision, the grievant or the Union may appeal the Step 1 decision, in writing, to the Manager, Employee & Labor Relations or designee. Manager, Employee & Labor Relations or designee shall conduct a meeting on the grievance within fifteen (15) working days after receipt of the appeal, and the grievant and the Union shall be given notice of the meeting and an opportunity to be heard. Within fifteen (15) working days after the meeting, the Manager, Employee & Labor Relations or designee shall render a written decision and deliver a copy of the decision to the grievant and to the Union.

44. Step 3: Binding Arbitration Level

The Union may, at any time within fifteen (15) working days after the mailing of the Step 2 decision, appeal from such decision to an arbitrator by filing written notice of the appeal with the Manager, Employee & Labor Relations or designee and arbitrator, except where the appeal is from a proposed disciplinary dismissal, in which event the appeal must be initiated within ten (10) working days of the Step 2 decision. The arbitrator shall conduct a hearing on the grievance or grievances submitted within thirty (30) working days after receipt, or such reasonable time as the arbitrator's schedule permits. The arbitrator shall have thirty (30) working days after the close of the hearing to render a decision. The parties to the binding arbitration are the SFMTA and the Union. Only the Union, not individual employee(s), may move a grievance (including a grievance regarding disciplinary action) to Step 3.

45. The arbitrator's final and binding decision shall be in writing, shall contain a factual summary of the grievance or grievances, the evidence, and the arbitrator's decision.

46. Economic Claims. Any claim for monetary relief shall not extend more than thirty (30) working days prior to the filing of a grievance. Though the resolution of disputes outside the grievance procedure is desired, it is understood by Local 200 that, in order to preserve its claims for monetary relief, it will file a grievance upon having knowledge of the aggrieved event and, should resolution outside the grievance procedure appear probable, request an abeyance of the grievance procedure time limits, as set forth in section 2, above. SFMTA will not unreasonably refuse a request for abeyance where settlement of an economic claim appears probable.

47. The Manager, Employee & Labor Relations or designee, and the Union shall endeavor to agree upon an arbitrator. Should the parties fail to reach such agreement within twenty (20) working days after the Union appeals the decision to an arbitrator, then, upon the written request of either party, the State Mediation and Conciliation Service shall send a list of five (5) arbitrators, and the parties shall select from the list by alternately striking arbitrators from the list until one arbitrator remains. The cost of the services of the impartial hearing officer shall be shared equally by the Union and SFMTA.

48. Each party shall bear its own expenses in connection with the grievance procedure, including arbitration. All fees and expenses of the arbitrator and court reporter and report, if any, shall be borne and paid in full and shared equally by the parties.

Expedited Arbitration Procedures

49. By mutual agreement, the parties may agree to submit any grievance to expedited arbitration. If the parties agree to expedited arbitration, the arbitrator shall be selected as follows:

50. By agreement of the parties, or,

51. The parties may request a list of five (5) arbitrators from the State Mediation and Conciliation Service and alternately strike an arbitrator until one arbitrator remains. The decision of which party shall strike first shall be determined by a coin toss.

52. If the parties elect to submit a grievance to expedited arbitration, closing arguments shall be presented orally, unless the parties agree to submit written briefs. For expedited arbitration,

the parties agree that neither SFMTA nor the Union shall be represented by legal counsel. The parties acknowledge, however, that a SFMTA labor relations manager or union representative who also happens to be an attorney shall not be prohibited from participating in an expedited arbitration. The parties agree that the arbitrator shall issue a bench decision and subsequently provide a written decision memorializing the decision provided that the parties, by mutual agreement, may elect to obtain a written decision following the parties' submission of written briefs.

53. The arbitrator shall have no power to add to or subtract from the provisions of this Agreement.

C. The Discipline Process

54. Discipline for Just Cause. For just cause, SFMTA's Executive Director/CEO or designee may discipline any non-probationary permanent employee. "Discipline" is defined to include disciplinary suspension without pay, or discharge. Changes in assignment and reassignments made for the purpose of improving service or addressing performance problems shall not constitute discipline and shall not be subject to the grievance procedure in this Article I.F. SFMTA shall initiate discipline no later than twenty-eight (28) working days after SFMTA has knowledge of the event, conduct, or occurrence on which the discipline is based. This timeline shall be extended in cases involving any of the following: (1) investigations of multiple employees; (2) law enforcement response or reports; (3) temporary unavailability of a witness; (4) language barriers; (5) accidents subject to determination by the TSP; (6) EEO matters; (7) investigations conducted by non-SFMTA personnel; (8) any other case in which SFMTA and Local 200 mutually agree. SFMTA shall initiate discipline by providing written notice to the employee of the basis for discipline and proposed penalty.
55. Probationary Unit Members. The Executive Director/CEO or designee may release or discipline a unit member during the unit member's probationary period without cause, and such decisions shall not be subject to the grievance procedure in this Agreement.
56. Reprimands And Warnings. Written reprimands, written warnings, and oral warnings shall constitute elements of progressive discipline, but shall not be subject to the grievance procedures in this Article. If a unit member submits a written rebuttal within thirty (30) calendar days from the date of the written reprimand or warning to the Office of Employee and Labor Relations, SFMTA shall attach the unit member's written rebuttal to any written reprimand or warning and shall place both the written reprimand or warning and the rebuttal in the unit member's official personnel file.
57. Paid Leave During Investigations. Placement of an employee on paid leave pending an investigation shall not constitute discipline, and shall not be subject to the grievance procedures in this Article I.F.
58. Performance Evaluations. Performance evaluations shall not constitute discipline and shall not be subject to the grievance procedure. If a unit member submits a written rebuttal within thirty (30) calendar days from the date of the performance evaluation to the Office of Employee and Labor Relations, SFMTA shall attach the written rebuttal to the unfavorable performance evaluation and shall place both the performance evaluation and the written rebuttal in the unit member's official personnel file.
59. No interview of an employee that may result in disciplinary action or at which discipline is to be imposed will be undertaken unless the employee is first advised of their right to

representation. If requested by the employee, such representation must be secured within the succeeding twenty-four (24) hour period, excluding holidays and weekends. If the employee does not secure representation within such period, the right is waived. The date, time and place of such interview will be emailed to the Union at least twenty-four (24) hours in advance.

Pre-Discipline Due Process Rights (Skelly Meeting)

60. Employees shall be entitled to a Skelly meeting prior to discipline being imposed. During the Skelly meeting an employee shall be entitled to:
 - (a) A notice of the proposed action;
 - (b) The reasons for the proposed discipline;
 - (c) A copy of the charges and the materials upon which the action is based; and
 - (d) The right to respond, either orally or in writing, to the authority initially bringing charges.
 - (e) SFMTA retains the right to implement discipline upon completion of Step 2 of the grievance procedure in this Article or, if no grievance is initiated within that time, twenty (20) days after the post-Skelly notice.
 - (f) The SFMTA Employee Labor Relations section shall conduct Skelly meetings.
61. Progressive Discipline. For most offenses, management is expected to use a system of progressive discipline under which the employee is given increasingly more severe discipline each time an offense is committed. Management is not bound by progressive discipline in cases of serious offenses where no specific warning or prior disciplinary action need precede separation for cause. A common pattern may include oral warning, written warning, suspension, and finally, separation for cause.
62. Reduction in Pay. Where an employee is subject to a disciplinary suspension, the SFMTA may, with an employee's agreement, have the employee serve the suspension through a temporary reduction in pay. An employee's pay may be reduced up to 20% for sufficient time to result in a loss of pay equivalent to the pay that would have been lost during the suspension, had it been served, provided that in no event shall a reduction in pay have the effect of reducing an employee's pay below any rate required by law.
63. Appeal of Discipline. A permanent non-probationary employee who alleges that the discipline has been imposed in violation of this Article shall challenge the discipline by using the grievance procedures in this Article.

I.G. UNION SECURITY

1. Authorization for Payroll Deductions

64. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees' pay according to the Controller's "Union Deductions Procedure" ("Procedure"), which the Controller may amend from time to time with reasonable notice to the Union. "Contributions" as used in this Section I.G means Union

membership dues, initiation fees, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.

65. The Controller shall deduct Contributions from a represented employee's pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the Controller shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.
66. The Procedure is the exclusive method for the Union to request the Controller to initiate, change, or cancel deductions for Contributions.
67. The Controller shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller's Office receives the request after that time, the Controller will implement the changes in two following pay periods.
68. If an employee asks the Controller to deduct Contributions, the Controller shall direct the employee to the Union to obtain the Union authorization form. The Controller will not maintain a Controller authorization form for such deductions. If a represented employee hand delivers the official Union form authorizing such deductions to the Controller's Payroll Division, the Controller shall process the authorization and begin the deduction within thirty (30) days. The Controller will send the Union a copy of any authorization form that it receives directly from a represented employee.
69. Except as otherwise provided in this subsection 1, each pay period, the Controller shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the Controller will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work, home, and personal cellular telephone number; personal email address if on file with the Controller; home address; and any Contributions amount deducted.
70. Except as otherwise provided in this subsection 1, the Controller shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedure, or it receives an order from a court or administrative body directing the Controller to change or cancel the deductions for one or more employees.
71. With the exception of subsection (e) above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the SFMTA shall rely solely on information provided by the Union on such matters. The Controller shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Union. The Controller shall not resolve disputes between the Union and represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The Controller shall not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Union. The

Union shall respond to such employee inquiries within no less than 21 business days after receipt.

2. Indemnification

72. The Union shall indemnify, hold harmless, and defend the Controller against any claim, including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorneys' fees, legal costs, settlements, or judgments, arising from or related to the Controller's compliance with this Section I.G. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the Controller shall promptly give written notice of any claim to the Union; (ii) the Controller shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the Controller shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the Controller in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the Controller, or agreeing to any injunctive relief or consent decree being entered against the Controller, without the consent of the Controller. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section I.G brought by the Union against the Controller. This subsection 2 shall not apply to any claim against the Controller where the Controller failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

I.H. GENERAL INFORMATION

73. As provided under Article III.D, the SFMTA shall maintain all records of overtime worked by employee(s) in their respective divisions/departments. Copies of said records shall be made available to the representative of Local 200 upon request.
74. Notice of Occurrence of Industrial Accidents. Timely notice of the occurrence of an injury to any employee sustained in the course of his or her employment shall be given to Local 200. Information supplied may include the date of the accident or injury, corrective action taken, current status of employee, and the work location of the accident or injury. When an employee is hospitalized, Local 200 will be notified by telephone.

ARTICLE II: EMPLOYMENT CONDITIONS

II.A. NON-DISCRIMINATION

75. The SFMTA and the Union agree that discriminating against or harassing employees, applicants, or persons providing services to the SFMTA by contract because of their actual or perceived race, color, creed, religion, sex/gender, national origin, ancestry, physical disability, mental disability, medical condition (associated with cancer, a history of cancer, or genetic characteristics), HIV/AIDS status, genetic information, marital status, age, political affiliation or opinion, gender identity, gender expression, sexual orientation, military or veteran status, or other protected category under the law, is prohibited. This paragraph shall not be construed to restrict or proscribe any rule, policy, procedure, order, action, determination or practice taken to ensure compliance with applicable laws.
76. A complaint of discrimination, harassment or retaliation may, at the option of the employee, group of employees, or Union be processed through the grievance and arbitration procedures of this Agreement, or through the applicable Civil Service Rules, the City Administrative Code and federal and state law. Provided, however, if the employee, group of employees, or the Union elects to pursue remedies for discrimination, harassment or retaliation complaints outside the procedures of the Agreement, it shall constitute a waiver of the right to pursue that complaint through the grievance and arbitration process.
77. ~~Union and the employee shall elect only one administrative remedy through the City and County of San Francisco. That election is irrevocable, provided that if the employee elects initially to use the grievance procedure of the CBA, then before advancing the grievance to arbitration, the employee and Union must elect between the grievance procedure and other internal administrative remedies. If the employee elects to proceed with the grievance, that election constitutes a waiver of the right to pursue other City administrative remedies. If the employee elects to invoke another administrative remedy, the Union shall withdraw the grievance. In this situation, the SFMTA shall use the initial date of the grievance in determining the timeliness of the administrative complaint. It is understood that this paragraph shall not foreclose nor prejudice the election by an affected employee of any administrative or statutory remedy provided by law.~~

II.B. AMERICANS WITH DISABILITIES ACT

78. The parties agree that they are required to provide reasonable accommodations for employees with disabilities in order to comply with the provisions of the Americans with Disabilities Act, the Fair Employment and Housing Act, and all other applicable federal, state and local disability anti-discrimination statutes and further agree that this agreement will not be interpreted, administered or applied in any manner which is inconsistent with said Act. The SFMTA reserves the right to take any action necessary to comply therewith.

II.C. ASSIGNMENT OF WORK

A. Assignments

79. For the purpose of this Agreement, "assignment" shall mean the designation of a 9139 or 9136 employee to a specific position or set of responsibilities at a designated division or work location.

80. SFMTA shall assign employees based on the employee's training, experience, documented strengths or weaknesses, seniority, special skills, compliance with applicable law, and SFMTA's assessment of its staffing needs.

B. Initial Assignment

81. For the purpose of this Agreement, "initial assignment" shall mean "the designation of a newly appointed 9139 or 9136 employee to a specific position or responsibility within a division or work location for a period of time not less than one hundred eighty (180) working days." Effective the first weekday after a newly appointed 9139 employee has completed SFMTA training and has met all regulatory requirements, including all licenses and medical certifications, SFMTA shall place each 9139 employee in an initial assignment at Street Operations. After successful completion of the initial assignment, the 9139 employee may participate in the Employee-Initiated Change of Assignment described in Section C below.
82. The entirety of the preceding paragraph, including the one hundred eighty (180) working days initial assignment set forth, shall be suspended for the term of this Agreement.

C. Change Of Assignment

83. For the purpose of this Agreement, a "change of assignment" shall mean a change in a 9139 or 9136 employee's assignment as defined in Section A. Changes of assignment can be either an Employee-Initiated Change of Assignment or an SFMTA-Initiated Change of Assignment.

1. Employee-Initiated Change Of Assignment

84. If SFMTA determines to fill a vacancy, it shall post the assignment, place a notice on the SFMTA Intranet, post on the bulletin board in facilities where 9139s or 9136s are assigned, and send an email to the TWU Local 200 Executive Board members at the email address on record ten (10) working days before selecting an employee to fill the vacancy. For purpose of this Agreement, a "vacancy" refers to an open 9139 assignment within Transit Operations or an open 9136 assignment in Training.
85. In selecting an employee to fill vacancies in a 9139 or 9136 assignment, including employees within the 9139 or 9136 classification who have requested an employee-initiated change of assignment within their 9139 classification, SFMTA shall select the employee on the basis of qualifications and skills. Conditions of assignment shall be listed in the assignment posting bulletin and shall be consistent with the 9136 or 9136 job classification. If two or more employees for the vacant assignment are equally qualified, SFMTA shall select the employee with the greatest seniority.

2. SFMTA-Initiated Change Of Assignment Within 9139 or 9136 Classification

86. SFMTA may initiate a change of assignment of employees within the 9139 or 9136 classification. If SFMTA determines to fill a vacancy, posts the vacancy for ten (10) days, and no employee requests a change of assignment to the vacancy, SFMTA shall assign the least senior qualified 9139 or 9136 employee to the vacancy.

D. Qualifications and Skills for Assignment and Change of Assignment

87. SFMTA will provide training to all affected employees in order to maintain all conditions of assignment. As a condition of assignment or change of assignment, each employee remains solely responsible for attending training and satisfactorily completing all conditions of assignment. **SFMTA will designate a trainer to conduct recertification, RWP, and training related to VTP as needed during evening hours (1 PM or later). The scheduling of evening trainings will be subject to service needs. An employee designated as a PM trainer will receive the rate of pay, including applicable shift differentials and premiums, of the original or reassigned shift, whichever is higher, for hours spent training. SFMTA will notify employees to be trained no less than ten (10) working days before the start of the training if the training will be outside the employee's regular work hours.** In addition, each employee shall submit a validated copy of any required certificate(s), license(s), or other documentation to SFMTA.
88. Failure to meet the conditions of assignment will result in reassignment in the affected employee's classification.
89. Employees returning to class 9139 from a promotive class will go in place on the relief board in their previous unit. The returning employee will maintain sign up seniority if the employee returns within a one-year time limit.

Movement among assignments as a result of the VTP will be phased in over a one-year period. If movement is not completed within the one-year period, then upon request of Local 200 the SFMTA shall meet and confer in a joint labor-management session and attempt to resolve the issue. If the parties do not resolve the issue, either party may advance the issue to expedited arbitration.

91a. b. Voluntary Transfer Process (VTP) (Classification 9136). There shall be a VTP within the 9136 classification once every three (3) years. For the 9136 classification, turnover between work units shall be limited to fifteen (15%) of the rail training staff. Movement as a result of change of assignments in the period between VTPs will be considered as part of the percentage limitation at the time of the three-year VTP. Movement among assignments as a result of the VTP will be phased in over a one-year period. If movement is not completed within the one-year period, then upon request of Local 200 the SFMTA shall meet and confer in a joint labor-management session and attempt to resolve the issue. If the parties do not resolve the issue, either party may advance the issue to expedited arbitration.

92. **a.** The existing work units subject to the 9139 classification three-year VTP are Dispatch, the Incident Response Unit, Metro Rail Operations, Schedules, Street Operations, and the Transportation Management Center. ~~The existing work units subject to the 9136 classification three-year VTP are Division Instructors, Rubber Tire Training, and Rail Training.~~ If the SFMTA creates a new department or work unit to which SFMTA will assign employees in the 9139 ~~or 9136~~ classifications, then upon request of Local 200 the SFMTA shall meet and confer with Local 200 regarding application of paragraphs 91 and 92. ~~If the SFMTA creates a new classification to which SFMTA will assign employees in the 9139 classification, then upon request of Local 200 the SFMTA shall meet and confer with Local 200 regarding application of paragraphs 91 and 92.~~

92a. b. The existing work units subject to the 9136 classification three-year VTP are Division Instructors, Rubber Tire Training, and Rail Training. If the SFMTA creates a new department or work unit to which SFMTA will assign employees in the 9136 classification, then upon request of Local 200 the SFMTA shall meet and confer with Local 200 regarding application of paragraphs 91 and 92.

93. Voluntary Transfer Process. At least twenty-five (25) calendar days prior to the scheduled date of the voluntary transfer process, SFMTA shall provide TWU Local 200 with descriptions and all assignments for the voluntary transfer process. Regularly occurring special assignments will be included as part of the shift details prepared for the Voluntary Transfer Process. 96. Voluntary Transfer Requests: Voluntary Transfer requests for an assignment shall be limited to qualified employees and shall be in direct seniority order.

97. Voluntary Transfer Procedures. Each employee shall have five (5) minutes to select a voluntary transfer assignment. If an employee will not be present, the employee can leave five (5) choices of assignment on the prescribed form or designate in writing a Local 200

representative to select on behalf of the employee. If no choices have been made known, the following procedures will govern assignments:

- a. The employee will be assigned to the same assignment as occupied before the sign-up if that assignment is still open.
 - b. The employee will be assigned the most similar available assignment in the same group with similar hours and days off.
 - c. The employee will be assigned to another group for which the employee is qualified with similar hours and days off.

Management will notify by mail all employees entitled to take part who are off on extended leaves of absence. Employees on leave who are not scheduled to return to duty within the prescribed time may not participate in the voluntary transfer process. When such employees return to work, they will be assigned to an open position in any group or division for which they are qualified, with preference given to seniority and to the same or like position from which they came.~~
99. Changing Assignments. Employees changing work assignments to another group will be trained in required aspects of the work of the new group.
- 99a. Request to Withdraw. Employees may request to withdraw from their selected VTP change of assignment within three (3) months after the effective date of the VTP. 271. b. An employee's performance evaluation(s) may be used as evidence by the City and/or an affected employee in relation to determining whether an employee has performed satisfactorily for purposes of determining whether a step advancement should be withheld.
272. c. If an employee's step advancement is withheld, that employee's performance shall be reassessed every three months for further step increase consideration until the employee's next anniversary date. An employee's anniversary date shall be unaffected by this provision.
273. d. The denial of a step increase is subject to the grievance procedure; provided however, that nothing in this section is intended to or shall make performance evaluations subject to the grievance procedure.
274. e. Withholding of step advancement shall not affect an employee's base wage increases as provided for in Article III.A Wages.
275. Exceptions. An employee shall not receive a salary adjustment based upon service as herein provided if the employee has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since the employee's previous increment equals or exceeds the service required for the increment, and such increment date shall be the employee's new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.
276. When records of service required for advancement in the step increments within a compensation grade are established and maintained by electronic data processing, then the following shall apply: An employee shall be compensated at the beginning step of the compensation grade plan, unless otherwise specifically provided for in this CBA. Employees shall receive salary adjustments through the steps of the compensation grade plan by completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.
277. Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.
278. An employee who (1) has completed probation in a permanent position, (2) is "Laid Off" from said position, (3) is immediately and continuously employed in another classification

with the MTA either permanent or temporary, and (4) is thereafter employed in a permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from their permanent position.

III.I. WORKERS COMPENSATION LEAVE

279. An employee who is absent because of an occupational disability and who is receiving Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability Insurance, may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule. Use of compensatory time requires the employee's Appointing Officer's approval.
280. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the Appointing Officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
281. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available. An employee returning from disability leave will accrue sick leave at the regular rate and not an accelerated rate.
282. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
283. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.
284. The parties agree, therefore, that this provision clarifies and supersedes any conflicting provision of the Civil Service Commission Rules bargainable and arbitrable under Charter section A8.409, et seq.
285. Return to Work. The MTA will make a good faith effort to return employees covered by this CBA who have sustained an occupational injury or illness to temporary modified duty within the employee's medical restriction. Duties of the modified assignment may differ from the employee's regular job duties and/or from job duties regularly assigned to employees in the injured employee's class. Where appropriate modified duty is not available within the employee's classification, on the employee's regular shift, and in the employee's Department, the employee may be temporarily assigned pursuant to this section to work in another classification, on a different shift, and/or in another Department, subject to the approval of the Appointing Officer or designee. The decision to provide modified duty and/or the impact of such decisions shall not be subject to grievance or arbitration. Modified duty assignments may not exceed three (3) months. An employee assigned to a modified duty assignment shall receive their regular base rate of pay and shall not be eligible for any other

additional compensation (premiums) and or out of class assignment pay as may be provided under this agreement.

286. The MTA reserves the right to take any action necessary to comply with its obligations under the Americans with Disabilities Act, the Fair Employment and Housing Act and all other applicable federal, state and local disability anti-discrimination statutes. Requests for accommodation under the ADA or FEHA shall be governed under separate MTA procedures established under those laws.

III.J. STATE DISABILITY INSURANCE (SDI)

287. All employees in the bargaining unit(s) covered by this Agreement shall be enrolled in the State Disability Insurance (SDI) Program. The cost of SDI will be paid by the employee through payroll deduction at a rate established by the State of California Employment Development Department.

III.K. HEALTH AND WELFARE

1. Employee Health Care

288. Health Coverage. The contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

A. Employee Only

For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System ("HSS"), the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

B. Employee Plus One

For employees with one dependent who elect to enroll in any health plan offered through the HSS, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

C. Employee Plus Two or More

For employees with two or more dependents who elect to enroll in any health plan offered through the HSS, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

D. Contribution Cap

In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

E. Average Contribution Amount

For purposes of this Agreement, to ensure that all employees enrolled in health insurance through the City's HSS are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage- Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

2. Life Insurance

289. A life insurance policy of \$50,000 with a permanent total disability benefit provision, subject to the conditions and provisions of said policy, shall be provided for all employees covered by this CBA the full premium cost of which shall be paid for by MUNI. Coverage shall be suspended for an employee who has been off the payroll and been absent from service for a continuous period of twelve months.

3. Eye Examinations

4. Dental Coverage

291. Each employee covered by this agreement shall be eligible to participate in the SFMTA 's dental program. For permanent full-time employees who enroll in the Delta Dental PPO Plan, the SFMTA shall pay the cost of the current citywide dental plan for employees and dependents, but employees shall pick up the following share of the dental plan premium.

\$5 per month for employees enrolled in employee only plans;

\$10 per month for employees in two-part plans; or

\$15 per month for employees enrolled in family (employee+2 or more plans).

5. Contributions While On Unpaid Leave

292. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions, or on a layoff holdover list where the employee verifies they have no alternative coverage.

III.L. RETIREMENT

293. Effective July 1, 2011, represented employees who are members of San Francisco Employee Retirement System (SFERS) shall be responsible for the unit member's employee share of contributions to SFERS, except for the old plan SFERS full rate members, the SFMTA will contribute a total of 0.5% of pension covered gross salary.
294. If it is determined through the voter process or through CITY action as a result of negotiations with any other Miscellaneous bargaining unit (as described by Charter section A8.409) to improve retirement benefits for other Miscellaneous employees, such improvements shall be extended to employees covered by this Agreement. The effective date for such improvements to Local 200's retirement benefits shall be the date such improvement are ratified in the other Miscellaneous employees' collective bargaining agreement.
295. The MTA Agrees to participate, on behalf of service critical employees at the Municipal Railway, in any City meet and confer process with TWU, Local 200 over a possible Charter amendment to enhance miscellaneous retirement benefits. As set forth in Charter Section A8.409-5, the parties acknowledge that this paragraph is not subject to Charter Section A8.409's impasse resolution procedures.

Retirement Seminar

296. Subject to development, availability and scheduling by SFERS, employees shall be allowed not more than one day during the life of this CBA to attend a pre-retirement planning seminar sponsored by SFERS.
297. Employees must provide at least two-week advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.
298. All such seminars must be located within the Bay Area.
299. This section shall not be subject to the grievance procedure.

III.M. LEAVES OF ABSENCE

300. Those portions of the Civil Service Commission Rules applicable to Leaves, which are negotiable and arbitrable pursuant to Charter Sections A8.409 et seq., may not be changed during the term of this Agreement except by mutual consent. Those matters within the jurisdiction of the Civil Service Commission are not subject to grievance or arbitration.

303. The MTA and Local 200 agree that employees covered by this CBA will be eligible to participate in any childcare programs made available to all MTA employees.

304. Dependent Care Reimbursement Account (DCAP). The MTA shall continue to offer a flexible spending account for Dependent Care Reimbursement (DCAP) which allows employees to establish a "pre- tax" account of up to the maximum permitted by the law to reimburse dependent care costs.

Parental Release Time

305. Represented employees shall be granted paid release time to attend parent teacher conferences of four (4) hours per fiscal year (for children in kindergarten or grades 1 to 12).

306. In addition, an employee who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or grades 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. The employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

III.O. LONG TERM DISABILITY INSURANCE

307. The MTA, at its own cost, shall provide to employees a Long Term Disability (LTD) benefit that provides, after a one hundred and eighty (180) day elimination period, sixty percent salary (60%) (subject to integration) up to age sixty-five (65). Employees who are receiving or who are eligible to receive LTD shall be eligible to participate in the City's Catastrophic Illness Program as set forth in the ordinance governing such program.

III.P. TUITION REIMBURSEMENT

308. The MTA agrees to allocate ~~six thousand dollars (\$6,000) per~~ seven thousand five hundred dollars (\$7,500) during each year of this agreement to the Tuition Reimbursement Program for the exclusive use of classifications represented hereunder. Unused funds shall not be carried forward to the next fiscal year. ~~Employees in said classifications may not receive more than one thousand (\$1000) per fiscal year from this special allocation. If any portion of said allocation remains unexpended on June 30th of any fiscal year, it shall be carried over to the next fiscal year. The Union shall be sent a quarterly report of the persons who have applied for tuition reimbursements, purpose of reimbursement, and monies allocated.~~

309. Eligibility. Any regularly scheduled Employee within the MTA service who has served a minimum of one (1) year of continuous service in any class immediately prior to receipt of

application may apply for tuition reimbursement. Such reimbursement shall be for training courses pertaining to the duties of a higher classification or for the purpose of improving performance in the present classification when such courses are offered by an accredited educational institution.

310. ~~Expenses.~~ The MTA will reimburse each eligible Employee up to \$500 annually for tuition, books, supplies, and other fees for such course if attendance has been approved in advance. The MTA will attempt to make such payment promptly upon the Employee's submission of proof of satisfactory completion of the course with a passing grade. If the course is not graded, or is not a credited course, an official transcript or other official document shall be deemed evidence of satisfactory completion. **Eligible Expenses. Until such funds are exhausted, and subject to approval by the appointing officer or appropriate designee, an employee may utilize up to a maximum of \$750 per fiscal year for tuition, registration fees, books, professional conferences, professional association memberships, professional journal subscriptions, professional certifications, and licenses relevant to the employee's current classification. Solely at the discretion of the appointing officer or designee, such funds may be supplemented with department funds budgeted for training. All expenses must be relevant to the employee's current classification or a classification to which the employee might reasonably expect to be promoted. No reimbursement shall be made for expenses that are eligible for reimbursement under a Federal or State Veterans benefit program or from other public funds.**
311. Pre-Approval. Application for reimbursement shall be prepared on a form provided by the MTA Department of Human Resources. Courses require pre-approval by the MTA Department of Human Resources and the Appointing Officer (or designee), neither of which shall be unreasonably denied. Such application for tuition reimbursement shall be made prior to the date of enrollment in the course and, if approved by MTA Department of Human Resources and the Appointing Officer (or designee), reimbursement shall be subject to successful completion of the course. No reimbursement shall be made if the Employee is eligible to receive reimbursement for said tuition under a federal or State Veterans benefit program from other public funds.
312. ~~Repayment.~~ If an employee resigns from the City within two (2) years following completion of the training course, the amount of tuition reimbursement shall be repaid by the Employee to the MTA by cash payment or out of the Employee's last pay warrant or, if applicable retirement earnings.

III.Q. PAPERLESS PAY POLICY

313. The Citywide "Paperless Pay" Policy applies to all City employees covered under this Agreement.
314. Under the policy, all employees shall be able to access their pay advices electronically on a password protected site, and print them in a confidential manner, using City Internet, computers and printers. Such use of City equipment shall be free of charge to employees, is expressly authorized under this section of the Agreement, and shall not be considered "inappropriate use" under any City policy. Pay advices shall also be available to employees on a password protected site that is accessible from home or other non-worksites computers, and that allows the employees to print the pay advices. Employees shall receive a paper

statement of their pay advices or receive assistance to print hard copies of their pay advices through their payroll offices upon request, on a one-time or ongoing basis.

315. In addition to payroll information already provided, the pay advices shall reflect usage and balance (broken out for vacation, sick leave, etc.) the employee's hours of compensatory time, overtime, and premiums earned during the relevant payroll period. The City shall maintain electronic pay advices and/or wage statements for at least seven (7) years.
316. Under the policy, all employees have two options for receiving pay: direct deposit or bank pay card. Employees not signing up for either option will be defaulted into pay bank cards.
317. Every employee shall possess the right to do the following with any frequency and without incurring any cost to the employee:
 1. Change the account into which the direct deposit is made;
 2. Switch from the direct deposit option to the bank pay card option, or vice versa; and
 3. Obtain a new bank pay card the first time the employee's bank pay card is lost, stolen or misplaced.
318. The City assures that the bank pay card shall be FDIC insured. The City further assures that in the event of an alleged overpayment by the City to the employee, the City shall not unilaterally reverse a payment to the direct deposit account or bank pay card.
319. The City shall notify employees regarding the policy, including how to access and print their pay advices at work or elsewhere. Training shall be available for employees who need additional assistance.
320. The City will work with the vendor to evaluate options to provide no-cost ATMs available at large worksites and remote worksites.
321. The parties mutually agree that employees may print out pay advices during work hours.

ARTICLE IV: WORKING CONDITIONS

IV.A. HEALTH & SAFETY

322. Committees' Recommendations. Neither the Union/SFMTA Efficiency Committee's recommendations nor the Joint Union Management Committee's recommendations shall supersede or invalidate any portion of this Agreement.
323. SFMTA Non-Revenue Vehicle Check Procedure. The representatives from Local 200 and SFMTA will review all street management vehicles to assess their operable conditions. A list will be established and maintained of all these vehicles and their maintenance status. The Defect Reporting form, as mutually developed by the parties, shall be used by the street supervisor for the chronicling of vehicle defects. Each street supervisor who uses any SFMTA vehicles will be responsible for filling out a daily defect form regardless of whether a defect is noted or not. Group Managers or their designees will be responsible for reporting defects to Equipment Maintenance for corrective action. Group Managers will also be responsible for keeping records on defects and when the problem is corrected. Supervisors will not be required to operate vehicles with critical defects and should be assigned another vehicle. Both parties agree that priority for new Transit Division non-revenue vehicles shall be given to the groups for street management. No non-revenue vehicles shall be sent out on the street after 6:00 p.m. without working heaters and defrosters. Local 200 will receive a copy of the maintenance status report of the defect cards.
324. Shelters for Street Supervisors. The parties agree that there is a continuing need for shelters for Street Supervisors.
325. Use of Personal Vehicles as Shelters. If no shelter or SFMTA automobile is available for use by a Street Supervisor, those supervisors may use their personal vehicles for shelter subject to the following conditions: (a) all lines under the supervisor's direction are visible from the vehicle; (b) the vehicle is legally parked (whenever possible); (c) during inclement weather; and (d) while writing required written reports. At no time may the supervisor sit in a vehicle when the lines being supervised are in difficulty. It is understood that sitting in a personal vehicle under the above described conditions is an option available to the supervisor. It is not a requirement and therefore the use of one's personal vehicle is done so at the risk of the supervisor. Supervisors needing to use their personal vehicles as shelters shall be issued the official SFMTA Supervisor on Duty placards.
326. SFMTA will implement a certification process for all dispatchers who are currently working in dispatching. All certification will be completed by the SFMTA training section for all Trapeze or current scheduling software by SFMTA that currently exist. SFMTA will establish an annual continuing education course available by the SFMTA training department. Dispatchers are required to become certified by the SFMTA training department in the correct computer software as required by SFMTA management.
327. ~~Coveralls will be provided to street inspectors upon request when required to work on or under vehicles.~~

IV.B. UNIFORMS & EQUIPMENT

 - (iii) Foul-weather gear, appropriate for both male and female sizes, shall consist of the following items in a pool set aside for those requiring said items: one foul-weather jacket; one (1) pair foul-weather trousers; one (1) warm outer jacket; and one (1) cold weather hat.
 - (iv) For each employee required to wear safety shoes, SFMTA shall provide a cash allowance of one hundred fifty dollars (\$150) annually toward the cost of acquiring safety shoes and related supplies. SFMTA shall provide the cash allowance during January of each fiscal year.
329. Employees provided a cash allowance for safety shoes under this Section shall be required to wear the safety shoes at all times while on duty.
330. Employees who fail to comply with this regulation may be relieved from duty and if relieved, shall be entitled to no compensation for the balance of that shift.
331. For each employee that the SFMTA determines is required to wear prescription protective eye wear because of particular job duties or job requirements, the Agency will provide such eye wear for employees where the Agency determines a need exists, based on job duties or other related requirements.
332. The Appointing Officer or designee shall continue to meet and confer with Local 200 regarding the concept of safety with regard to 9139 Transit Supervisors, 9136 Transportation Training Specialist and 8121 Transit Fare Inspector Supervisor/Investigator uniforms.

The cost of coveralls and laundering of the same shall be paid by the SFMTA. The employee is responsible for safeguarding coveralls issued to the employee and will be held responsible for the value of any coveralls lost, stolen or damaged beyond fair wear and tear. Evidence of forced entry to an employee locker will be grounds for relieving an employee of responsibility for stolen coveralls. Responsibility for losses of individual sets of coveralls will be determined by the worker's supervisor on a case-by-case basis.
334. Radios. SFMTA will make every effort to see that each inspector will have a working radio.

ARTICLE V: SCOPE OF AGREEMENT

335. Terms and Conditions of Employment. Nothing in this Agreement shall alter the Civil Service Rules excluded from arbitration pursuant to Charter Section A8.409-3. In addition, such excluded Civil Service Rules may be amended during the term of this Agreement and such changes shall not be subject to any grievance or arbitration procedure but shall be subject to meet and confer obligations, subject to applicable law. The parties agree that, unless specifically addressed herein, those terms and conditions of employment that are currently set forth in the Civil Service Rules and the Administrative Code, are otherwise consistent with this Agreement, and that are not excluded from arbitration under Charter Section A8.409-3 shall continue to apply to employees covered by this contract. 338. Future Side Letters. The parties agree that any and all side letters, and other understandings between the parties not expressly memorialized and incorporated into this Agreement shall no longer be enforceable. No future side-letter within the scope of bargaining will be binding or precedential unless the side letter is incorporated into or appended to this Agreement and has been approved in writing by the SFMTA Executive Director or, where appropriate, by the SFMTA Board of Directors. To be valid, side-letters must cover only matters within the scope of bargaining, must be dated and signed by the appropriate parties, and contain an expiration date no later than the expiration date of this Agreement.
339. Past Practices, Policies, and Rules. No work rules or past practices shall remain unchanged during the life of this Agreement unless the specific work rules or past practices are explicitly included in this Agreement.
340. Savings Clause. Should a court, or state or federal administrative agency declare any provision of this Agreement invalid, inapplicable to any person or circumstance, or otherwise unenforceable, the remaining portions of this Agreement shall remain in full force and effect for the duration of the Agreement.

Transport Workers Union Locals 250A and 200, Automotive Mechanics Local 1414, Teamsters Local 853, International Brotherhood of Electrical Workers Local 6, Laborers Union Local 261, Service Employees International Union Local 790, Stationary Engineers Local 39, and Glazier and Glass Workers, Local 718, and the San Francisco Municipal Transportation Agency (“SFMTA”) hereby agree to create an Employee Assistance Program as follows:

A. OVERVIEW OF EAP PROGRAM

This Employee Assistance Program (“EAP”) shall cover employees only, and is designed to assist employees, in consultation with their families where clinically appropriate, with problems that may affect their ability to perform their jobs. The EAP shall offer counseling services, including assessment, referral, and follow-up services.

EAP’s offer assistance by helping employees assess and identify problems arising from a variety of personal areas.

EAP’s assist employees by referring them to services which lead to solutions.

EAP’s provide training and consultation services to management and union leadership regarding assisting troubled employees.

The primary goal of the EAP will be to maintain employee’s ability to be fully productive on the job. EAP’s help employees, management, and supervisors maintain a high level of service by:

Motivating employees to help;

Helping supervisors identify troubled employees with job performance problems that may be related to personal problems;

Assessing employees with alcohol abuse, drug abuse, family problems, depression, stress and other problems that can result in performance problems;

Providing easily accessible quality helping services which include short- term problem-solving and referrals to more intensive care;

Providing crisis intervention services;

Providing follow-up assistance to support and guide employees through the resolution of their problems; and by

Acting as an education and training resource.

Employees shall be able to access the EAP through calling directly (self-referral), through the Peer Assistants, or through a supervisory referral based on job performance. Participation in the EAP is voluntary.

Establishing a voluntary EAP to compliment the mandatory testing program is intended to encourage employees to seek treatment early and on their own. The EAP will assist employees in obtaining information, guidance, and counseling to help them handle their problems before they

become a drug testing or disciplinary issue.

An outside vendor has been selected and will perform the following duties:

- Maintain a toll-free telephone access for referrals and respond to calls in no more than sixty (60) seconds.
