All comments will be reviewed by project staff and the hearing facilitator and will be entered into the public record. Comments will be considered when a determination is made whether to implement the change. After the hearing, proposals marked with a diamond (◆) can be approved by the City Traffic Engineer. Otherwise, the SFMTA Board of Directors will make the final approval at a later date based on the outcome of the public hearing. Certain, final SFMTA Decisions, whether made by the City Traffic Engineer or the SFMTA Board, can be reviewed by the Board of Supervisors pursuant to Ordinance 127-18. Information about the review process can be found at: https://sfbos.org/sites/default/files/SFMTA_Action_Review_Info_Sheet.pdf

◆These items are California Environmental Quality Act (CEQA) Approval Actions for which the Planning Department has issued a CEQA exemption determination or negative declaration, which may be viewed online at www.sf-planning.org/ceqa-exemptions-map. Following approval of the item by the SFMTA City Traffic Engineer, the CEQA determination is subject to appeal within the timeframe specified in S.F. Administrative Code Section 31.16, typically within 30 calendar days of the Approval Action. For information on filing a CEQA appeal, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.
