29TH Street, north side, from San Jose Avenue to 23 feet easterly (removes Green Metered Parking space #46-G)

Proposing four new red zones with meter removal for daylighting as part of the Citywide High Injury Network (HIN) Daylighting project.

Supervisor District 8

Jeffrey Banks, jeffrey.banks@sfmta.com

**BACKGROUND INFORMATION / COMMENTS**

SFMTA is working to improve pedestrian safety on the high-injury network (HIN) across San Francisco. The HIN Project is daylighting intersections to improve visibility between pedestrians and vehicles.

Proposal removes a total of three general metered parking spaces and one green metered space. Per Paul Kniha, the green metered parking space #46-G on 29th Street pertains to a business that closed so is no longer needed.

Proposal adds a total of 4 red zones.
