

Green Light Rail Center Track Replacement Project

The Curtis E. Green Light Rail Center

- **Serves as a cleaning, electrical, painting, heavy repair, running repair, inspection and wheel truing shop**
- **Light rail terminus for the J and K/T lines**
- **Located in close proximity to the Balboa BART station**
- **Supports heavy pedestrian traffic during peak periods**

Project Goals

- **Enhance system reliability and efficiency**
- **Reduce infrastructure maintenance**

Scope of Work

Key components:

- **Replace worn storage track and switches**
- **Special track work in the yard**
- **Upgrade overhead contact system**
- **Upgrade electrical system**
- **Improve lighting within the yard**

Scope of Work (cont.)

- **Construction of a boarding island and ADA ramp platform at San Jose as an embarkation point for the J and K lines**
- **Landscape work around the yard next to the sidewalk along San Jose and Ocean Avenue**

Project Timeline

Activity	<i>Projected</i> Dates
Advertisement	January 2012
Bid and Award	May 2012
Notice to Proceed (NTP)	July 2012
Substantial Completion	July 2015

Project Phases

- **First phase of construction (*mid 2012*):**
 - Building of a boarding area and ADA key stop on San Jose Avenue
 - Emergency track work near the Maintenance Bldg.
- **Subsequent phases scheduled upon completion of first phase**

Option 3: Sculptural Succulents & Grasses

What to Expect:

- **Construction equipment and crews**
- **Dust and noise**
- **Roofing project dust and noise**
- **Temporary street parking removal**
- **Periodic traffic lane closures and detours**

Measures to Minimize Inconveniences

- **Proactive notification and noise mitigation**
- **Traffic control officers on-site**
- **Signage to direct customers to transfer points**
- **SFMTA Ambassadors**

Coordinated, Multilingual Customer Information Campaign

- **Community Outreach**
- **Printed materials**
- **Dedicated web page www.sfmta.com/green**
- **Electronic messaging**
- **Signs and banners**
- **SFMTA Customer Service Ambassadors**
- **Customer communications in English, Chinese and Spanish**
