CONSTRUCTION WORK AND OTHER UPDATES

Muni Fare Increases Effective July 1, 2025

On Tuesday, July 1, some Muni fares increased, based on public feedback received during our budget process in spring 2024. For details about all fares, visit [SFMTA.com/Fares](https://www.sfmta.com/Fares).

On Tuesday, July 1, the Clipper and MuniMobile discount was reduced from 25 cents to 15 cents, bringing the fare to \$2.85. This change helps offset rising costs while minimizing the impact on riders. The cash fare will remain at \$3. The cable car fare increased for the first time since January 2020, from \$8 to \$9.

After feedback collected from the public, these fare adjustments were included as part of the SFMTA's 2024-2026 budget, which began on July 1, 2024. For more information, visit our [Fares webpage](#) or call 311.

ONGOING

ONGOING: Cable Car Sheaves Upgrade Project

Since Tuesday, Feb. 18, crews have been working to restore the cable car system sheaves, which are massive, grooved wheels that guide the underground cables through specialized pulley systems.

These upgrades will continue through Sept. 2025. During this work:

- there will be occasional closures of individual cable car segments;
- bus shuttles will replace cable car lines where work is being done;
- at least one cable car route will remain open to the public during normal operating hours while sections are being upgraded.

For more information and to see the latest work schedule, visit [SFMTA.com/CableCarUpgrades](https://www.sfmta.com/CableCarUpgrades).
