PURPOSE

Approving a Roadway Shared Spaces street closure application for Golden Gate Avenue between Leavenworth and Jones streets, Wednesday, January 7, 2026, through Thursday, January 7, 2027, 6 am to 6 pm, daily; and making environmental review findings.

STRATEGIC PLAN GOALS AND TRANSIT FIRST POLICY PRINCIPLES

This item will support the following goals and objectives of the SFMTA Strategic Plan:

Goal 6: Eliminate pollution and greenhouse gas emissions by increasing use of transit, walking and bicycling.

Goal 7: Build stronger relationships with stakeholders.

This item will support the following Transit First Policy Principles:

1. To ensure quality of life and economic health in San Francisco, the primary objective of the transportation system must be the safe and efficient movement of people and goods.
3. Decisions regarding the use of limited public street and sidewalk space shall encourage the use of public rights of way by pedestrians, bicyclists, and public transit, and shall strive to reduce traffic and improve public health and safety.

DISCUSSION

St. Anthony Foundation (St. Anthony's, the applicant) has applied for a Roadway Shared Spaces permit which would close Golden Gate Avenue between Leavenworth and Jones streets, Wednesday, January 7, 2026, through Thursday, January 7, 2027, 6 am to 6 pm, daily, to vehicular traffic.

St. Anthony's has operated a street closure in this location since April 2020, originally permitted through a pandemic emergency order, then through the temporary pandemic-era Shared Spaces program. In April 2023, the applicant was granted a permit under the permanent Roadway Shared Spaces program to expand the operating hours of the street closure from the previously permitted 6 am to 3 pm, daily, to the current 6 am to 6 pm hours. During a 6-month period from April and October 2023, SFMTA staff reviewed traffic and transit travel times on streets adjacent to the closure and found that the street closure did not significantly increase travel times for traffic or nearby transit service. This application is a renewal from the previous year and proposes no changes to their closure footprint and setup.

The proposed closure would allow St. Anthony's and their community partners to provide community services in the closure area. Community services to be provided include: senior food pantry, resource and outreach tent, free pet food and veterinary care, children's activities and bike-riding classes, and civic and community engagement events.

The request is to close the following area to vehicular traffic, as requested by the applicant:

- Golden Gate Avenue between Leavenworth and Jones streets, Wednesday, January 7, 2026, through Thursday, January 7, 2027, 6 am to 6 pm, daily.

The SFMTA Board of Directors is asked to consider the approval of a Longer-Term Closure of the above areas under the authority granted by California Vehicle Code section 21101 and Div. II, section 206 of the Transportation Code for the purpose of issuing a Roadway Shared Spaces permit. Roadway Shared Spaces street closures which exceed a total period of time more than two years are considered to be a Longer-Term Closure and therefore require approval from this Board. St. Anthony's has held this street closure of Golden Gate Avenue for over two years. Staff has found that, based upon a determination of public convenience and necessity, that the subject portion of Golden Gate Avenue is no longer needed for vehicular traffic during the proposed closure hours, and that the street closure is necessary for the safety and protection of the public who will use the street during the closure. Staff recommends the Board make these findings and approve the street closure as discussed below.

ITEMS

The following items were considered at a Public Hearing held on December 4, 2025, by the Interdepartmental Staff Committee on Traffic and Transportation (ISCOTT).

- A. ESTABLISH – SHARED SPACES ROAD CLOSURE – Golden Gate Avenue between Leavenworth and Jones streets, Wednesday, January 7, 2026, through Thursday, January 7, 2027, 6 am to 6 pm, daily.

Item A would grant a permit for a Shared Spaces Road Closure for St. Anthony's and their community partners to provide community services on Golden Gate Avenue.

STAKEHOLDER ENGAGEMENT

Item A was considered at a Public Hearing held on December 4, 2025, by ISCOTT. No public comments concerning this item were received at the hearing.

ALTERNATIVES CONSIDERED

The details of the proposed closures presented in Item A are as requested by the applicant. The alternative would be to not grant the Roadway Shared Spaces permit, which would result in a loss of accessible outdoor space for St Anthony's community-serving programs and outdoor recreational space for neighborhood children.

FUNDING IMPACT

The ISCOTT application fee, which applies to Roadway Shared Spaces (Transportation Code SEC 6.16(g)), is set at a cost recovery rate to cover staff's time and effort to review the subject application. The applicant for Item A has paid an application fee of \$2,347 for applications submitted 30-59 days before the first event.

ENVIRONMENTAL REVIEW

On April 19, 2021, the San Francisco Planning Department determined that the Shared Spaces Program (Case No. 2021-003010ENV), inclusive of Item A, is within the scope of the Better Streets Plan Final Mitigated Negative Declaration (FMND, Case No. 2007.1238E, September 17, 2010), and that the proposal would not require the preparation of a subsequent negative declaration under CEQA Guidelines section 15162. On October 28, 2010, the Planning Commission in Resolution No. 18211, adopted findings under the California Environmental Quality Act (CEQA), the CEQA Guidelines, and Chapter 31 of the Administrative Code (CEQA Findings), and a Mitigation Monitoring and Reporting Program (MMRP), associated with the Better Streets Plan.

Copies of the CEQA determinations are on file with the Secretary to the SFMTA Board of Directors and may be found in the records of the Planning Department by Case Number at <https://sfplanninggis.org/pim/> or 49 South Van Ness Avenue, Suite 1400 in San Francisco, and are incorporated herein by reference.

OTHER APPROVALS RECEIVED OR STILL REQUIRED

Pursuant to section 206 of the Transportation Code, the decision of the SFMTA Board of Directors with respect to any proposed Longer-Term Closure of a Traffic Lane shall be final.

A public hearing for Item A was held at the December 4, 2025, meeting of ISCOTT.

The City Attorney has reviewed this item.

RECOMMENDATION

Staff recommends that the SFMTA Board approve a Roadway Shared Spaces street closure application for Golden Gate Avenue between Leavenworth and Jones streets, Wednesday, January 7, 2026, through Thursday, January 7, 2027, 6 am to 6 pm, daily; and make environmental review findings.
