Special Event Parking Rates

During basketball games and other major events with more than 10,000 expected attendees at the arena, parking meters close to the arena will charge a special event rate of \$12 per hour. CONSTRUCTION WORK AND OTHER UPDATES

UPDATE: Muni Service Changes as of Saturday, Feb. 14

Beginning on Saturday, Feb. 14, the SFMTA made Muni service changes. Several changes to bus stops and routes were made to improve reliability, provide better connections to regional transit and avoid delays and to improve Muni for years to come. Crews are working to replace Potrero Yard with a modern bus maintenance facility through the [Potrero Yard Modernization Project](#).

CONSTRUCTION WORK AND OTHER UPDATES *continued*

UPDATE: Muni Service Changes as of Saturday, Feb. 14 *continued*

Below are changes that began on Saturday, Feb. 14:

More Reliable Schedules

- **1X California Express:** The buses that now leave the first stop at 33rd Avenue & Geary Boulevard at 7:45 a.m. and 8 a.m. will now leave at 7:40 a.m. and 7:55 a.m. This change will allow better spacing for 1 California buses.
- **54 Felton and 57 Parkmerced:** The SFMTA is making slight changes to the schedules for these routes. This will allow customers to better connect with BART.
- **Late-night Owl service:** The SFMTA are updating these schedules to more accurately reflect trip times.

Changes to Bus Frequency

- **5 Fulton and 5R Fulton Rapid:** With the closing of the Potrero Division, there will be a mix of 40' and 60' buses on the 5 Fulton and 5R Fulton Rapid. To provide enough Muni service to meet demand, the 5 Fulton bus will arrive every seven minutes on weekends instead of every 10 minutes. The 5R Fulton Rapid bus will arrive every eight minutes instead of every ten minutes during busy times on weekdays. The SFMTA will monitor this frequency change and address crowding as needed.
- **14 Mission:** To provide Muni service where it is needed most, the 14 Mission will run every eight minutes instead of every seven minutes on weekends. The SFMTA is making this change since more riders are choosing to ride the 14R Mission Rapid at these times. The SFMTA will also monitor this change to address crowding as needed.

Bus Stop Changes

- **1 California and 1X California Express:** The inbound (toward downtown) stop on the 1 California and 1X California Express at [California Street & 4th Avenue](#) will move across the intersection. To improve reliability and traffic safety, buses will stop at a new transit bulb after the traffic light.
- **6 Hayes-Parnassus:** On days when Hayes Street is closed to cars between Gough and Laguna streets, the 6 Hayes-Parnassus bus will continue to use Grove Street. This may not be reflected on trip-planning apps (e.g. Google Maps). This change will make trip-planning apps more accurate on weekends when Hayes Street is open to traffic.
- **15 Hunters Point Express:** To improve transfers to Union Square/Market Street station, a new stop is added at Stockton & Geary streets in Union Square for trips heading toward the Bayview.

CONSTRUCTION WORK AND OTHER UPDATES *continued*

UPDATE: Muni Service Changes as of Saturday, Feb. 14 *continued*

Bus Stop Changes continued

- **48 Quintara-24th Street:** The outbound route (toward Ocean Beach) will match the inbound route between Portola and Ulloa streets. The 48 Quintara-24th Street will travel on Claremont Boulevard instead of Vicente Street & West Portal Avenue and will no longer stop at [Vicente Street & West Portal Avenue](#). This change will avoid congestion on West Portal Avenue and Vicente Streets.
- **58 Parkmerced:** To improve bus reliability and travel time, three stops for the 58 Parkmerced route will be relocated to use new boarding islands on Lake Merced Boulevard:
 - Inbound direction (toward Stonestown): Bus stop at [Lake Merced & Lake Merced Hills Boulevard](#) will be relocated from the sidewalk to a new boarding island in the street.
 - Inbound direction (toward Stonestown): Bus stop at [1100 Lake Merced Boulevard](#) will be relocated about 350 feet south to a new boarding island near the crosswalk at John Muir Drive.
 - Outbound direction (toward Daly City BART): Bus stop at [1100 Lake Merced Boulevard](#) will also be relocated about 350 feet south to a new boarding island near John Muir Drive.
