Mission Bay Loop Project

Operations & Customer Service Committee

January 10, 2016

Overview

- Enables the SFMTA to more efficiently respond to delays and gaps in service
- Provides service flexibility for the T-Third line by removing disabled trains off of 3rd Street

Community Outreach Efforts

- Regular Community Updates:
 - Dogpatch Neighborhood Association
 - Potrero-Dogpatch Merchants Association
 - Potrero Boosters
 - Potrero Launch Apartments
 - 700 Illinois Street Home Owners Association
 - Potrero Kids Preschool
- Direct mailings sent July 15 and December 7
- Public postings were installed around the project area July 15 and December 5
- Dedicated project web page
- E-mail notifications
- Blog posts
- Social media

Project Scope

Five to six month construction period:

- Complete track
- New Sidewalk
- New pavement
- New street lighting
- New overhead light rail lines
- Traffic signals at 18th, 19th and Illinois Streets
