Chinatown Parking & Transit Improvements

To add parking near Portsmouth Square, Chinatown merchants requested changes to tow-away restrictions. In response, the SFMTA has identified opportunities to add more parking. These changes also improve transit and loading. This proposal responds to merchant requests for additional street parking.

On Clay Street between Kearny and Sansome streets:

- Removal of the 7-9 a.m. and 3-6 p.m. tow-away zone
- Expand curbside parking and loading hours. This would increase parking
- The adjacent mixed traffic lane changed to a 24-hour transit lane. The transit lane would allow use by right-turning vehicles and taxis

On Sacramento between Powell and Stockton streets:

- Removal of the existing 4-6 p.m. tow-away zone loading. This parking change would not affect the existing transit lane
- Expand curbside parking and loading hours. This would increase parking
