Moderate Alternative
The Moderate Alternative would replace stop signs with traffic signals at seven intersections on Judah Street (10th, Funston, 18th, 22nd, 23rd, 31st and 41st avenues) and one intersection on Irving Street and 4th Avenue. The Expanded Alternative would include the same transit stop changes, pedestrian improvements, parking and turn restrictions, and traffic signal and stop sign changes as the Moderate Alternative, except that stop signs at five of the intersections along Judah Street would be replaced with traffic calming measures, rather than traffic signals.
