WHEREAS, Although the City Traffic Engineer has the authority to approve Item A and Items C through S, the SFMTA Board is requested to approve these items as part of the Mid-Valencia Bikeway Pilot Project; and

WHEREAS, The public has been notified about the proposed modifications and has been given the opportunity to comment on those modifications through the public hearing process; and

WHEREAS, CEQA provides a statutory exemption from environmental review for pedestrian and bicycle facilities that improve safety, access, or mobility, including new facilities, within the public right-of-way, pursuant to Public Resources Code Section 21080.25; and

WHEREAS, The Planning Department determined on February 8, 2023, that the proposed Mid-Valencia Bikeway Pilot Project (Case Number 2023-000053ENV) is statutorily exempt from CEQA pursuant to Public Resources Code Section 21080.25; and

WHEREAS, The proposed action is the Approval Action as defined by the S. F. Administrative Code Chapter 31; and

WHEREAS, A copy of the CEQA determination is on file with the Secretary to the SFMTA Board of Directors, and may be found in the records of the Planning Department at <https://sfplanninggis.org/pim/?tab=Planning+Applications&search=2023-000053ENV> and 49 South Van Ness Avenue, Suite 1400 in San Francisco, and is incorporated herein by reference; now therefore be it

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors approves the center-running protected bikeway and parking and traffic modifications using reversible and/or adjustable elements on Valencia Street between 15<sup>th</sup> and 23<sup>rd</sup> streets, as set forth Items A through H above, until 12 months from the date the City Traffic Engineer determines the installation of the pilot is complete as part of the Mid-Valencia Bikeway Pilot Project; and be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors upon recommendation of the Director of Transportation and the Director of the Streets Division approves the installation of parking meters as set forth in items T through W above; and be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors approves parking restrictions as set forth in Items, I through S, and X through AA; and be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors directs staff to explore opportunities to create more spaces for people to gather,

recreate, and enjoy Valencia Street during the course of the pilot period to enhance economic vitality and support local businesses on the Valencia corridor; and be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors directs staff to implement sufficient protective materials and measures along the center running bike lane pilot to ensure that vehicles are not able to obstruct the lane through parking, to continuously monitor the street for such obstructions, and to take any means necessary, including adding additional materials to ensure that the bike lane remains free from obstruction; and be it further

RESOLVED, That staff present interim findings to the San Francisco Municipal Transportation Agency Board of Directors on the center-running pilot no later than December 31, 2023, including data on how the pilot has affected the safety and comfort of people walking and bicycling on Valencia Street; and be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors directs staff to maximize opportunities to improve pedestrian safety, including signal timing and other treatments, throughout the course of the pilot; and be it further

RESOLVED, That the interim findings will include potential recommendations to prioritize non-motorized and local traffic access, including potential one-way traffic, or other means to limit through traffic; and be it further

RESOLVED, That the interim findings will include recommendations and preliminary cost estimates for additional capital funding necessary to achieve a safe and vibrant Valencia Street, and that such cost estimates will be included in draft FY25-29 budget documents for consideration and prioritization by the San Francisco Municipal Transportation Agency Board of Directors; and be it further

RESOLVED, That the San Francisco Municipal Transportation Agency Board of Directors directs staff to return to the Board by December 21, 2023, with recommendations for target vehicle volume and speeds that would be consistent with the goals of place-making, local traffic access, supporting economic vitality, supporting a safe and comfortable space for walking, biking and other non-motorized transportation choices and achieving the goal of Vision Zero.

I certify that the foregoing resolution was adopted by the San Francisco Municipal Transportation Agency Board of Directors at its meeting of April 4, 2023.
