

MINNESOTA STREET

between Mariposa Street and 22nd Street

District: 10

Length: 0.88 mi

Meets Vehicle Volume Target: No

Meets Vehicle Speed Target: Yes

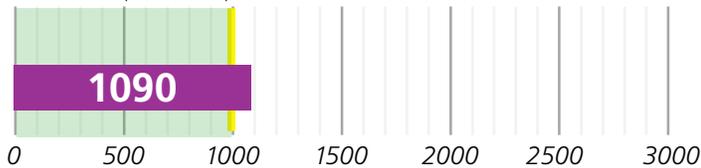

"The slow open street on Minnesota Street brings a sense of community to the neighborhood and calms traffic. It is pleasant and decreases traffic and improves walkability. Also because there are a lack of bike lanes in the Dogpatch it improves bike riding safety for cyclists of all ages (particularly young cyclists and even skateboarders)."

- Community member in the Dogpatch neighborhood

Traffic Safety

Average Daily Vehicle Volume (ADT)

Target Daily Vehicle Volume (<1,000 ADT)

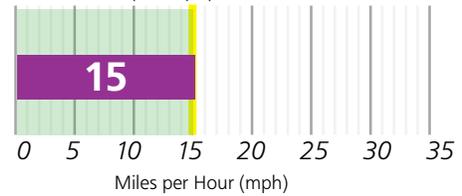

1578 ADT
