4. It is the intent of the parties signatory hereto that the provisions of this Agreement shall not become binding until adopted or accepted by the SFMTA and ratification by the SFMTA Board and the Union or upon a final decision rendered by an arbitration panel pursuant to the interest arbitration procedure under Charter Section A8.409.

5. The provisions of this Agreement shall supersede and control over contrary or contradictory Charter provisions, ordinances, resolutions, rules or regulations of the City and/or SFMTA to the extent permissible by Charter Section A8.409.

I.C. MANAGEMENT RIGHTS

6. Except as otherwise provided in this Agreement, in accordance with applicable state law, nothing herein shall be construed to restrict any legal City rights concerning direction of its work force or consideration of the merits, necessity, or organization of any service or activity provided by the SFMTA.

7. The SFMTA shall also have the right to determine the mission of its constituent departments, officers, boards and commissions; set standards of services to be offered to the public; and exercise control and discretion over the SFMTA's organization and operations. The SFMTA may also relieve SFMTA employees from duty due to lack of work or funds and may determine the methods, means and personnel by which the SFMTA's operations are to be conducted. However, the exercise of such rights does not preclude employees from utilizing the grievance procedure to process grievances regarding the practical consequence of any such actions on wages, hours, benefits or other terms and conditions of employment specified in this Agreement.

I.D. NO STRIKE PROVISION

8. The SFMTA will not lock out the employees who are covered by this Agreement. The Union and the employees shall not strike, cause, encourage, or condone a work stoppage, slowdown, or sympathy strike during the term of this Agreement.

I.E. OFFICIAL REPRESENTATIVES AND STEWARDS

9. The Union may select as many as four (4) employee members to attend, during regular duty or work hours without loss of compensation, meetings scheduled with the SFMTA Human Resources Director or the appointing officer of a board or commission, when such
meetings have been scheduled for the purpose of meeting and conferring on matters within the scope of representation affecting such appropriate unit, and to participate in the discussion, deliberations, and decisions at such meetings. The selection of such employee members, or substitutions or replacements therefore, and their attendance at meetings during their regular duty or work hours shall be subject to the following:

10. a. The organization's duly authorized representative shall inform in writing the department head or officer under whom each selected employee member is employed that such employee has been selected.

11. b. No selected employee member shall leave the duty or work station, or assignment, without specific approval of the employee's department head or other authorized executive management official.

12. c. In scheduling meetings, due consideration shall be given to the operating needs and work schedules of the department, division, or section in which the employee members are employed.

13. d. Elected Union representatives shall be allowed to attend regularly scheduled Union meetings regarding SFMTA related issues or business during normal working hours without loss of compensation. The compensation is not to exceed eight (8) hours per month per representative and shall be subject to (a), (b) and (c) above.

2. Stewards

14. a. The Union shall furnish the appropriate department with an accurate list of shop stewards in designated units. The Union may submit amendments to this list at any time. The SFMTA will only recognize employees as shop stewards if they are officially designated in writing by the Union to the SFMTA Human Resources Director.

15. b. The Union recognizes that it is the responsibility of the shop steward to assist in the resolution of grievances at the lowest possible level.

16. c. If, in the judgment of the supervisor, permission cannot be granted immediately to the shop steward to present a grievance during on-duty time, such permission shall be granted by the supervisor no later than the next working day from the date the shop steward was denied permission.

17. d. In emergency situations, where immediate disciplinary action must be taken because of a violation of law or a City or departmental rule (intoxication, theft, etc.), the shop steward shall, if possible, be granted immediate permission to leave the shop steward’s post of duty to assist in the grievance procedure.
18.  e.  Shop stewards shall not interfere with the work of an employee. The parties shall use best efforts to ensure shop stewards have access to work sites where bargaining unit employees are assigned.

19.  f.  The SFMTA encourages departments to authorize stewards to orient new employees on matters concerning employee rights under the provisions of this Agreement, other departmental Agreements if they exist, and other matters relating to their working conditions.

20.  g.  It is the policy of the SFMTA that, pursuant to the rules of the Civil Service Commission, a leave of absence without pay for a reasonable time should be granted to a reasonable number of employees elected to transact union business provided that ten (10) days' written notice be given by the Union to the SFMTA.

I.F.  UNION SECURITY

1.  Application

21.  Except as provided otherwise herein, and in accordance with applicable federal, state and local law, the provisions of this Section shall apply to all employees of the SFMTA in all classifications represented by Union.

22.  Each pay period, the Controller shall make membership fee deductions from the regular periodic wages of each employee who is a Union member. In order for the Controller to deduct membership dues, the Union must certify to the SFMTA, in accordance with procedures established by the Controller’s Office in effect as April 29, 2019, and as may be modified as provided in this paragraph, that each employee subject to deduction of membership dues is a bona fide member of the Union, and that the Union has and will maintain authorizations for the dues deductions, signed by the employees from whose salary or wages the SFMTA will make the dues deductions. In the event the Controller is required to update or amend its procedures because of a change in the law or technology, it will notify the Union and meet and confer to discuss the proposed changes before finalizing the updated procedures.

23.  Nine (9) working days following payday the Controller will promptly pay over to the appropriate Union all sums withheld for membership dues. The Controller shall also provide with each payment a list of employees paying dues. All such lists shall contain the employee’s name, employee number, classification, department number and the amount deducted. A list of all employees in represented classes shall be provided to the Union monthly.

24.  Nothing in this section shall be deemed to have altered the SFMTA’s current obligation to make insurance program or political action deductions when requested by the employee.

25.  The Union shall be entitled to collect, through the payroll deduction method, membership dues, MNPL deductions, and any special membership assessments, and through that system, may make changes as may be required, from time-to-time, subject to the Union
providing certification that it has and will maintain an authorization for the applicable
deductions, signed by the employees from whose salary or wages the SFMTA will make
the deductions. The Union shall give the Controller appropriate written notice of any
changes in existing deductions, or the establishment of new bases for deduction, in
accordance with procedures established by the Controller’s Office in effect as of April 29,
2019, and as may be modified as provided in paragraph 22.

2. Indemnification

26. The Union shall indemnify, hold harmless, and defend the SFMTA against any claim,
including but not limited to any civil or administrative action, and any expense and liability
of any kind, including but not limited to reasonable attorney’s fees, legal costs, settlements,
or judgments, arising from or related to the SFMTA’s compliance with this Section. The
Union shall be responsible for the defense of any claim within this indemnification
 provision, subject to the following: (i) the SFMTA shall promptly give written notice of
any claim to the Union; (ii) the SFMTA shall provide any assistance that the Union may
reasonably request for the defense of the claim; and (iii) the Union has the right to control
the defense or settlement of the claim; provided, however, that the SFMTA shall have the
right to participate in, but not control, any litigation for which indemnification is sought
with counsel of its own choosing, at its own expense; and provided further that the Union
may not settle or otherwise resolve any claim or action in a way that obligates the SFMTA
in any manner, including but not limited to paying any amounts in settlement, taking or
omitting to take any actions, agreeing to any policy change on the part of the SFMTA, or
agreeing to any injunctive relief or consent decree being entered against the SFMTA,
without the consent of the SFMTA. This duty to indemnify, hold harmless, and defend
shall not apply to actions related to compliance with this Section brought by the Union
against the SFMTA. This paragraph shall not apply to any claim against the SFMTA where
the SFMTA failed to process a timely, properly completed request to change or cancel a
Contributions deduction.

I.G. BULLETIN BOARDS

27. The SFMTA shall reserve a reasonable amount of space on bulletin boards within SFMTA
buildings for the distribution of Union literature. All posted literature shall be dated,
identified by affiliation, and neatly displayed, and removed from the bulletin board by the
Union when no longer timely. Except as stated below, the SFMTA agrees the identifiable
Union literature shall not be removed from said bulletin boards without first consulting
with the representative of the Union to determine if the literature should remain for an
additional period of time. The Union shall not post literature that is discriminatory,
harassing, or violates City or SFMTA policy or the law. The SFMTA may remove this type
of literature immediately and shall notify the Union of its removal and provide the reason
for removal.
I.H. GRIEVANCE PROCEDURE

1. APPLICATION

28. The following procedures are adopted by the parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

29. A grievance is defined as and is limited to an allegation by an employee, a group of employees, or the Union (“moving party”) that the SFMTA has failed to implement a condition of employment as specifically set forth in this Agreement.

30. EXCLUSION OF CIVIL SERVICE MATTERS - The grievance procedure herein established shall have no application to matters within the jurisdiction of the Civil Service Commission as set forth in the City Charter or to any rules adopted by the Commission pursuant to its Charter authorities.

1a. TIME LIMITS

31. a. Except as otherwise provided in this Section, a grievance shall be void unless initiated in writing at Step 1 of the Grievance Procedure with the immediate supervisor within forty-five (45) days from the date on which the SFMTA has allegedly failed to implement a condition of employment, or within forty-five (45) days from the time the grievant might reasonably have been expected to have learned of such alleged failure to implement a condition of employment. In no event shall any grievance include a claim for money relief for more than the forty-five (45) day period plus such reasonable discovery period prior to the initiation of the grievance.

b. The time limits set forth herein may be extended by the agreement of the parties. Any such extension must be confirmed in writing. Failure of the moving party to submit an appeal within the required timeline at any step, or for informal discussion, shall constitute an abandonment of the grievance. Failure of the SFMTA to respond within the time limit in any step shall result in automatic advance of the grievance to the next step. Any deadline date under this procedure that falls on a Saturday, Sunday or holiday shall be continued to the next business day. Unless specifically provided otherwise, all days in this Section refer to calendar days.

2. GRIEVANCE PROCEDURE STEPS

32. a. An employee having a grievance shall first discuss it with the employee's immediate supervisor and try to work out a satisfactory solution in an informal manner with the supervisor.
b. Permanent non-probationary employees may grieve (appeal) disciplinary suspensions or disciplinary discharges. Such disciplinary grievances shall be initiated at Step 2 of the grievance procedure.

**STEP 1 – Immediate Supervisor**

33. a. If a solution, satisfactory to both the grievant and the immediate supervisor is not accomplished by informal discussion, the grievant shall have the right to consult with, and be assisted by, a representative from the Union in this and all succeeding steps of this grievance procedure.

34. b. If the moving party desires to pursue the grievance further, it shall, within seven (7) days of the informal discussion with the immediate supervisor, submit a Letter of Grievance - Step One, to the immediate supervisor

35. c. The Letter of Grievance - Step One, shall contain:
   
i. The specific reason or reasons for the grievance, including the date of the incident giving rise to the grievance, an explanation of the harm that occurred, and the name, classification, and department of the affected employee or employees;
   
ii. The section(s) of the Agreement which the moving party believes has been violated; and
   
iii. The remedy or solution being sought by the moving party.

36. d. The immediate supervisor shall, within seven (7) days of the receipt of the Letter of Grievance - Step One, submit a detailed Answer to Letter of Grievance - Step One, to the moving party, with copies to the SFMTA Employee and Labor Relations Manager or designee.

**STEP 2 – SFMTA Employee and Labor Relations Manager or Designee**

37. a. If the moving party desires to pursue the grievance further, it shall, within ten (10) days of receipt of the Answer to Letter of Grievance - Step One, submit a Letter of Grievance - Step Two, to the SFMTA Employee and Labor Relations Manager or designee.

38. b. The Letter of Grievance - Step Two, shall contain the Letter of Grievance – Step One, the Answer to Letter of Grievance – Step One (if received), and the specific reason or reasons for rejecting the lower step response and advancing the grievance to the next step.

39. c. The SFMTA Employee and Labor Relations Manager or designee shall, within seven days of the receipt of the Letter of Grievance - Step Two, meet with the moving party unless the parties mutually agree otherwise in writing. Within seven (7) days of the meeting, or from the date that the parties agreed in writing
to not meet, the SFMTA Employee and Labor Relations Manager or designee shall submit a detailed Answer to Letter of Grievance - Step Two, to the moving party.

STEP 3 – SFMTA Human Resources Director or Designee

40. a. If the moving party desires to pursue the grievance further, it shall, within ten (10) days of receipt of the Answer to Letter of Grievance - Step Two, submit a Letter of Grievance - Step Three, to the SFMTA Human Resources Director or designee.

41. b. The Letter of Grievance - Step Three, shall contain the Letter of Grievance – Step Two, the Answer to Letter of Grievance – Step Two (if received), and the specific reason or reasons for rejecting the lower step response and advancing the grievance to the next step.

42. c. The SFMTA Human Resources Director or designee shall, within ten (10) days of the receipt of the Letter of Grievance - Step Three, submit a detailed Answer to Letter at Step Three, to the moving party.

43. d. Unless waived by written mutual agreement of the moving party and the SFMTA Human Resources Director or designee, a meeting is required at this step.

STEP 4 – Final and Binding Arbitration

44. a. If the Union desires to pursue the grievance further, the Union shall, within thirty (30) days of receipt of the Answer to Letter of Grievance - Step Three, submit a written request to the SFMTA Human Resources Director or designee that the grievance be heard and resolved by a final and binding arbitration hearing with an arbitrator/hearing officer. Only the Union may advance a grievance to final and binding arbitration.

45. b. The SFMTA Human Resources Director or designee shall respond to the Union with the identity of the appropriate contact in the City Attorney’s Office, and copy the City Attorney’s Office, to notify the City Attorney’s Office that the Union has moved the grievance to arbitration. The Union shall contact the City Attorney’s Office to schedule the arbitration.

SELECTION OF THE ARBITRATOR/HEARING OFFICER

46. a. The arbitrator shall be selected by mutual agreement between the Union and the SFMTA. If the Union and the SFMTA are unable to agree on the selection of an arbitrator they shall jointly request the State Mediation and Conciliation Service to submit a list of five (5) arbitrators who have had considerable experience as an arbitrator in public employment disputes. The Union and the SFMTA shall then alternately delete names from such list until only one (1)
name remains; and that person shall serve as the arbitrator. Whether the Union or the SFMTA deletes the first name in the alternating process of deleting names, shall be determined by lot.

47. b. Except when a statement of facts mutually agreeable to the Union and the SFMTA is submitted to the arbitrator, it shall be the duty of the arbitrator to hear and consider facts submitted by the parties.

48. c. It shall be the duty of the arbitrator to hold said hearing within sixty (60) days of written acceptance of appointment as the arbitrator.

49. d. After said hearing or review of mutually agreeable statement of facts, it shall be the duty of the arbitrator to make written finding of fact(s) upon which the decision of the arbitrator is based.

50. e. The arbitrator shall have no authority to add to, subtract from, modify or amend the terms of this Agreement. The decision of the arbitrator shall be final and binding upon the parties.

FEES AND EXPENSES OF ARBITRATION

51. f. Each party shall bear its own legal expenses and costs in connection with the arbitration, including but not limited to, witness and attorney’s fees, and any fees for preparation of the case. Each party expressly waives any right to an award of attorney’s fees or costs in any grievance proceeding. All fees and expenses of the arbitrator and the court reporter shall be split equally between the parties. Transcripts shall not be required except that either party may request a transcript. The party making such a request shall be solely responsible for the cost. In the event that an arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established. Individuals who may have direct knowledge of the circumstances relating to the grievance may be present at the request of either party at the hearing. If such individuals are employees of the SFMTA, they shall be compensated at their usual rate of pay for any time spent travelling to or from, and attending the arbitration hearing.

“SKELLY” RIGHTS

52. g. A permanent non-probationary employee subject to discipline or discharge, shall be entitled, prior to the imposition of that discipline or discharge, to a meeting and to the following:

a. A notice of the proposed action;
b. The reasons for the proposed discipline;
c. A copy of the charges and materials upon which the action is based, and
d. The right to respond, either orally or in writing, to the authority initially imposing the discipline.

I.I. WORKFORCE REDUCTION

53. Obligation to Meet & Confer on Employee Workloads - The SFMTA and Union acknowledge that there had been and may continue to be a reduction in the city workforce primarily as a result of reduced revenue and inflation.

54. The SFMTA recognizes its legal obligation to meet and confer in good faith and endeavor to reach agreement on employee workloads.

55. The SFMTA shall provide any written information relating to staffing levels and workloads in SFMTA upon written request to the Human Resources Division, with any reproduction costs above single copies to be paid by the Union.

56. Advance Notice of Pending Layoffs - Any employee who is to be laid off due to the lack of work or funds shall be notified, in writing, with as much advance notice as possible but not less than thirty (30) calendar days prior to the effective date of the layoff. Such thirty (30) calendar day minimum advance notice of layoff shall not apply should layoff in a shorter period be beyond the control of the SFMTA. The Union shall receive copies of any layoff notice. The provisions of this section shall not apply to "as needed" or intermittent employees hired for a specific period of time or for the duration of a specific project or employees who are bumped from their position.

I.J. APPRENTICESHIP PROGRAM

57. The parties agree to meet to discuss the development of mutually agreeable apprenticeship programs. The specific provisions of the apprenticeship programs shall be subject to agreement between the SFMTA, the Civil Service Commission (where appropriate), and the Union. Each apprenticeship program, however, shall contain at least the following terms:

58. Subject to the ratios established by the apprenticeship program, the SFMTA, at its own discretion, may choose to fill any vacancy with either a journey-level worker or an apprentice; and

59. The entry salary step of the apprentice program shall be at least forty (40) percent lower than the top step or flat rate, whichever is applicable, of the journey-level A class.

60. The following journey level classes (“Apprenticeable Classes”) shall be eligible for an apprenticeship program:

- 7306 Automotive Body and Fender Worker
- 7309 Car and Auto Painter
- 7313 Automotive Machinist
- 7332 Maintenance Machinist
61. The SFMTA will agree to continue implementation of apprenticeship programs after further discussions in the JLMC with the following:

   a. In the event the SFMTA uses apprentices covered by this Agreement, such apprentices will be trained by the San Francisco, Sonoma, San Mateo and Northern Santa Clara Counties Automotive Repair Trade Joint Apprenticeship Committee, as long as it is a State-certified apprenticeship program.

   b. All established guidelines will be adhered to but not subject to the grievance procedure of this Agreement.

62. Any agreement setting forth the terms of an apprenticeship program will be included in a specific Appendix to this Agreement. For each fiscal year of this Agreement (the period from July 1 through June 30), the SFMTA shall allocate $1500.00 for each participating apprentice to be paid to the Union for the purpose of training. This amount shall be prorated for any partial year and increased annually by 5.0%. Nothing in this Agreement shall be construed as committing the SFMTA to join any Union or affiliated entities trust fund.

63. The Union's designated Apprentice Coordinator agrees to provide regular reports to the SFMTA to verify that the apprentices have met their educational/learning requirements.

64. The SFMTA will appoint apprentices into positions exempt from Civil Service.

65. The parties fully support the objective of increasing the percentage of underrepresented groups in apprenticeship programs in SFMTA departments. The parties shall make reasonable efforts to ensure that the composition of candidates for SFMTA apprenticeship placements is consistent with this diversity objective.

66. The parties agree to make best efforts to reach out to advocacy groups to encourage apprentice job applications. The Union's designated Apprentice Coordinator will advise the SFMTA of upcoming apprenticeship recruitments with the intent of posting such information on the SFMTA’s website.

67. The Union agrees to make best efforts to ensure diversity in the composition of panels that conduct apprenticeship program interviews and will provide information to the SFMTA upon request on the composition of these panels.

68. The parties agree that the selection process for apprentices who are referred to and placed in SFMTA positions shall conform to the "Uniform Guidelines on Employee Selection Procedures" as published and administered by the United States Equal Employment Opportunity Commission. Upon request by the SFMTA, the Union's designated Apprentice Coordinator shall provide evidence of the validity and/or validation associated with any and all steps used in any apprenticeship selection process that results in placement in a
SFMTA department. Such evidence may be in the form of formal reports and studies that have been prepared in a manner that describes compliance with the "Uniform Guidelines."

69. Any new apprentice classifications assigned to this bargaining unit will be added to Section I.A.2 of this Agreement and the appendix.

70. The parties agree to meet and confer regarding the establishment of apprenticeships for Auto Mechanic, Auto Body, and Auto Painter and other apprenticeship matters not later than October 1, 2019.

I.K. MINIMUM NOTICE

71. The SFMTA will work with the City's Department of Human Resources ("DHR") to provide ten (10) business days’ notice to employees who are subject to displacement due to layoffs. To the extent this notice period extends beyond the date the displacing employee is to start in the position, the employee who is to be displaced will be placed in a temporary exempt position in the employee’s classification and department for the remainder of the notice period.

I.L. JOINT LABOR MANAGEMENT COMMITTEE

72. Within thirty (30) days of the ratification of this agreement the parties will convene a Joint Labor Management Committee with equal representation from both the SFMTA and the Union. The Committee shall meet every ninety (90) days, but may agree to meet on a more or less frequent basis, as needed to resolve issues that may rise and are within it’s scope as set forth below.

73. Scope:
   (A) to give advice and make recommendations regarding the meaning, interpretation, or application of this Agreement;

74. (B) to give advice and make recommendations regarding issues which both the SFMTA and the Union agree to submit to the Joint Labor Management Committee;

75. (C) The parties agree that the following issues will be prioritized by the JLMC for FY 2022 -2024:
   a. Policies and procedures concerning protective footwear, including frequency and scope of use of voucher amounts;
   b. Policies and procedures concerning training of bargaining unit members by other members of the bargaining unit (with the exception of any outside vendors deemed necessary to provide training);
   c. Policies and procedures concerning return to work (with the exception of COVID-19 return to work);
d. Polices and procedures concerning commercial drivers’ licenses, including appropriate means and methods of evaluation and provision of information to SFMTA, and related issues;

e. Recruitment and retention of employees.

76. Furthermore, the parties agree that the Committee is specifically empowered to establish such subcommittees as may be needed to consider and recommend solutions to workplace issues and concerns.
ARTICLE II - EMPLOYMENT CONDITIONS

II.A. NON-DISCRIMINATION

77. The SFMTA and Union agree that no person employed or applying for employment shall in any way be discriminated against by the SFMTA or Union because of an individual’s actual or perceived age, ancestry, color, creed, gender expression, genetic information, HIV/AIDS status, marital status, mental disability, medical condition (associated with cancer, a history of cancer or genetic characteristics), military or veteran status, national origin, religion, sex/gender, sexual orientation, or other category protected under the law, or other non-merit factors.

78. a. Neither the SFMTA nor the Union shall interfere with, intimidate, restrain, coerce, or discriminate against any employee because of the exercise of rights granted pursuant to the Meyers-Milias-Brown Act.

79. b. This section is not intended to affect the right of any employee to elect any applicable administrative remedy for discrimination proscribed herein. In the event more than one administrative remedy is offered by the SFMTA or City, the employee shall elect to pursue a remedy under only one internal forum. The election of the employee is irrevocable. It is understood that this paragraph shall not foreclose the election by an affected employee of any administrative or statutory remedy or forum provided by law.

II.B. PERSONNEL FILES

80. Upon request of an employee to the appointing officer or designee, material relating to disciplinary actions in the employee's personnel file which have been in the file for more than two (2) years shall be “removed” to the extent permissible by law, provided the employee has no subsequent disciplinary action since the date of such prior action. Performance evaluations are excluded from this provision.

81. The above provision shall not apply in the case of employees disciplined due to misappropriation of public funds or property; misuse or destruction of public property; drug addiction or habitual intemperance; mistreatment of persons; immorality; acts which would constitute a felony or misdemeanor involving moral turpitude; acts which present an immediate danger to the public health and safety. In such cases, an employee's request for removal may be considered on a case by case basis, depending upon the circumstances, by the appointing officer or designee.

82. Only one (1) official file shall be maintained on any single employee in any one department. Unless otherwise specified by the department, the official file shall be located in the departmental personnel office or, in larger departments, at the various divisional personnel offices of the department.

177. If an employee is required to call-in during the work day for possible midday jury duty the employee shall coordinate in advance with the employee's supervisor about whether and when to report to work.

III.H. STATE DISABILITY INSURANCE (“SDI”)

178. All employees in the bargaining unit(s) covered by this Agreement shall be enrolled in the State Disability Insurance (SDI) Program. The cost of SDI will be paid by the employee through payroll deduction at a rate established by the State of California Employment Development Department.

III.I. SICK LEAVE WITH PAY LIMITATION

179. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the amount the employee would have earned for a regular work schedule. If the employee wishes to exercise this option, the employee must submit a signed statement to the employee's department no later than thirty (30) days following the employee's release from disability leave.

III.J. WORKERS COMPENSATION

180. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee’s paid leave credits including vacation, sick leave balance, or other paid leave as available.

181. Employees returning from disability leave will accrue sick leave and/or supplemental disability credits as defined by Civil Service Commission Rule 420.22.

III.K. LIFE INSURANCE

182. Upon becoming eligible to participate in the Health Service System under San Francisco Administrative Code Section 16.700, the SFMTA shall provide term life insurance in the amount of $50,000 for all employees covered by this Agreement.

183. For informational purposes only, the Health Service System currently offers supplemental life insurance. Information regarding supplemental life insurance and other supplemental
Health Service System benefits can be found on the Health Service System website. This section providing life insurance under this Agreement does not prevent Local 1414 represented employees from purchasing, at their own expense, supplemental benefits through the Health Service System.

III. HEALTH BENEFIT CONTRIBUTIONS

EMPLOYEE HEALTH CARE

184. The level of the SFMTA's contribution to employee health benefits will be set in accordance with the requirements of Charter Sections A8.423 and A8.428.

185. Any contributions the City makes for health benefits shall not be considered as part of an employee’s salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which is a function of or percentage of salary.

186. The contribution model for employee health insurance premiums will be based on the SFMTA’s contribution of a percentage of those premiums and the employee’s payment of the balance (Percentage-Based Contribution Model), as described below:

1) Employee Only:

For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System (“HSS”), the SFMTA shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the SFMTA’s contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) Employee Plus One:

For employees with one dependent who elect to enroll in any health plan offered through the HSS, the SFMTA shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the SFMTA’s contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) Employee Plus Two or More:

For employees with two or more dependents who elect to enroll in any health plan offered through the HSS, the SFMTA shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the SFMTA’s contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.
4) Contribution Cap

In the event HSS eliminates access to the current highest cost plan for active employees, the City’s contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

For purposes of this Agreement, to ensure that all employees enrolled in health insurance through the City’s HSS are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, in addition to the City’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

Dental Coverage

187. For the term of this Agreement, the SFMTA will cover the cost of the employee and family dependents coverage under the City’s dental program.

188. Notwithstanding the paragraph above, effective January 1, 2013, employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels:

$5/month for employee only, $10/month for employee + 1 dependent, or $15/month for employee + 2 or more dependents.

Contributions While On Unpaid Leave

189. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers’ compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions, or on a layoff holdover list where the employee verifies they have no alternative coverage.

Long Term Disability

190. The SFMTA, at its own cost, shall provide to employees a Long Term Disability (LTD) benefit that provides, after one hundred and eighty (180) day elimination period, sixty percent (60%) salary (subject to integration) up to age sixty-five (65). Employees who are receiving or who are eligible to receive LTD may be eligible to participate in the City's
Catastrophic Illness Program to the extent allowed for in the ordinance governing such program.

191. The aforesaid payments shall not be considered as part of an employee’s salary for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, retirement benefits or retirement contributions; nor shall such contributions be taken into account on determining the level of any other benefit which is a function of or percentage of salary.

III.M. RETIREMENT

192. Any SFMTA pick-up of employee’s retirement contribution shall not be considered as part of an employee’s compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.

193. Rule changes by the City’s Retirement Board regarding the crediting of accrued sick leave for retirement purposes shall be incorporated herein by reference. Any such rule change, however, shall not be subject to the grievance and arbitration provisions of this Agreement or the impasse procedures of Charter Section A8.409.

194. The parties acknowledge that the San Francisco Charter establishes the levels, terms and conditions of retirement benefits for members of the San Francisco Employees Retirement System (SFERS). The fact that a MOU does not specify that a certain item of compensation is excluded from retirement benefits should not be construed to mean that the item is included by the Retirement Board when calculating retirement benefits.

195. Represented employees who are members of SFERS agree to pay their own employee retirement contribution to SFERS pursuant to the City Charter. For employees who became members of SFERS prior to November 2, 1976 (Charter Section A8.509 Miscellaneous Plan), the SFMTA shall pick up one-half percent (0.5%) of the total employee retirement contribution to SFERS.

PRE-RETIREMENT SEMINAR

196. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.

197. Employees must provide at least two-week advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.

198. All such seminars must be located within the Bay Area.
199. This section shall not be subject to the grievance procedure.

III.N. VACATIONS

200. Definitions - "Continuous service" for vacation allowance purposes means paid service pursuant to a regular work schedule which is not interrupted by a breach in paid service.

201. Award and Accrual of Vacation - Beginning with the first full pay period after the effective date of this agreement, an employee shall be awarded the employee's vacation allowance on the first day of the pay period following the pay period in which the allowance is accrued.

202. An employee does not accrue vacation allowance in the first year of continuous service; however, at the end of one (1) year of continuous service, an employee shall be awarded a vacation allowance computed at the rate of .0385 of an hour for each hour of paid service in the preceding year.

203. At the end of five (5) years of continuous service, an employee shall be awarded a one-time vacation allowance computed at the rate of .01924 of an hour for each hour of paid service in the preceding year except that the amount of the vacation allowance shall not exceed forty (40) hours.

204. At the end of fifteen (15) years of continuous service, an employee shall be awarded a one-time vacation allowance computed at the rate of .01924 of an hour for each hour of paid service in the preceding year except that the amount of the vacation allowance shall not exceed forty (40) hours.

205. The maximum number of vacation hours an employee may accrue consists of two-hundred forty (240) hours carried forward from prior years plus the employee's maximum vacation entitlement, which is based on the number of years of service. The maximum number of vacation hours which an employee may accrue is as follows:

<table>
<thead>
<tr>
<th>Years of Continuous Service</th>
<th>Maximum Accrual</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 through 5 years</td>
<td>320 hours</td>
</tr>
<tr>
<td>more than 5 through 15 years</td>
<td>360 hours</td>
</tr>
<tr>
<td>more than 15 years</td>
<td>400 hours</td>
</tr>
</tbody>
</table>

III.O. VACATION SCHEDULING

206. The department will continue its current practice for the duration of this Agreement. Any changes in vacation scheduling will be subject to meet and confer with the Union.

III.P. VOLUNTEER/PARENTAL RELEASE TIME

207. Regularly scheduled (12 month) represented employees shall be granted paid release time to attend parent teacher conferences of up to four (4) hours per fiscal year (for children in kindergarten or grades 1 to 12).
208. In addition, a regularly scheduled (12 month) represented employee, who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or grades 1 through 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. The employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

III.Q. ADMINISTRATIVE CODE CHAPTER 12W PAID SICK LEAVE ORDINANCE

209. San Francisco Administrative Code, Chapter 12W, Paid Sick Leave Ordinance, is expressly waived in its entirety with respect to employees covered by this Agreement.

III.R. PAPERLESS PAY POLICY DIRECT DEPOSIT OF PAYMENTS

210. The Citywide Paperless Pay Policy applies to all City employees covered under this Agreement.

211. Under the policy, all employees shall be able to access their pay advices electronically on a password protected site, and print them in a confidential manner, using City Internet, computers, and printers. Such use of City equipment shall be free of charge to employees, is expressly authorized under this section of the Agreement, and shall not be considered “inappropriate use” under any City policy. Pay advices shall also be available to employees on a password protected site that is accessible from home or other non-worksites, and that allows the employees to print the pay advices. Employees shall receive assistance to print hard copies of their pay advices through their payroll office upon request on a one-time or ongoing basis.

212. In addition to payroll information already provided, the pay advices shall reflect usage and balance of accrued time off (broken out for vacation, sick leave, etc.) the employee’s hours of compensatory time, overtime, and premiums earned during the relevant pay period. The City shall maintain electronic pay advices and/or wage statements for at least seven (7) years.

213. Under the policy, all employees (regardless of start date) will have two options for receiving pay: direct deposit or bank pay card. Employees not signing up for either option will be defaulted into bank pay cards.

214. Every employee shall possess the right to do the following with any frequency and without incurring any cost to the employee:

1. Change the account into which the direct deposit is made;
2. Switch from the direct deposit option to the bank pay card option, or vice versa;
3. Obtain a new bank pay card the first time the employee’s bank pay card is lost, stolen, or misplaced;
4. Check account balances or withdraw funds from the bank issuing the bank pay card.

215. The City assures that the bank pay card shall be FDIC insured. The City further assures that in the event of an alleged overpayment by the City to the employee, the City shall not unilaterally reverse a payment to the direct deposit account or bank pay card.

216. Training regarding how to access and print pay advices shall be available.

217. The City will work with the vendor to evaluate options to provide no-cost ATMs available at large worksites and remote worksites.

218. The parties mutually agree that employees may print out pay advices during work hours.
ARTICLE IV - WORKING CONDITIONS

IV.A. HEALTH AND SAFETY

219. The SFMTA acknowledges its responsibility to provide safe, healthful work environments for SFMTA employees.

220. When an employee, in good faith, believes that a condition exists which is immediately dangerous to life or health, and that continuing to work under such conditions poses risks beyond those normally associated with the nature of the job, the employee shall so notify the supervisor and explain why the employee believes it is unsafe. If the department agrees that the assignment is hazardous or unsafe, the employee shall be reassigned, if possible, until the hazard is eliminated or until the employee has been provided with the necessary safeguards.

221. If the department and the employee, or the employee’s designated representative, do not concur, the potentially hazardous condition shall be evaluated by the departmental Occupational Safety and Health (OSH) staff, or a member of the Department of Public Health's OSH Program staff, if the Department does not have professional OSH staff.

222. Such evaluation shall be performed by appropriate health and/or safety staff (6141 OSH Manager; 6139 Senior Industrial Hygienist; 6138 Industrial Hygienist; 5177 Safety Officer; 6130 Safety Analyst) by close of business the next business day.

223. In the event that either the employee or the Union disagrees with the evaluation of the three (3) person panel, they may appeal to a neutral arbitrator for an expedited hearing; the arbitrator shall be selected in advance and may be an outside (non-City) health and safety expert.

224. Upon request, the SFMTA shall provide the Union departmental lists on a quarterly basis containing the vital information on all work-related injuries and illnesses. Vital information shall include the nature of the illness or injury, dates, time lost, corrective action, current status of employee and work location.

IV.B. SAFETY EQUIPMENT

225. The SFMTA agrees to provide all required safety equipment (i.e., protective eyewear, protective footwear, hearing protection) in compliance with Cal-OSHA regulations.

226. For classifications covered by the terms of this MOU, the SFMTA agrees to provide prescription safety glasses in accordance with the SFMTA eye protection program SOP, at a cost not to exceed $200.00 per employee per year.

227. For employees in classifications covered by the terms of this MOU, the SFMTA agrees to provide each employee with safety footwear once a year, at a cost not to exceed $250.00 per employee in compliance with Cal-OSHA and ANSI standards and regulations. It is understood that if this footwear should become worn out or unserviceable, it shall be
replaced in accordance with the standards set above. If the employee has not exhausted the entirety of the $250.00, in any given year, the employee shall be given the option to utilize the remaining funds for the purchase of the following accessories: insoles, laces, toe caps, and socks.

IV.C. ASSAULT DATA

228. Upon request of the Union, a department shall retain and provide the Union with a copy of statistical information on assaults on employees who serve in particular classifications or at particular work sites.

IV.D. VIDEO DISPLAY EQUIPMENT WORKING CONDITIONS

229. 1. The SFMTA and the Union agree that employees working on video display equipment shall have safe and healthy work environments.

230. 2. This environment shall avoid excessive noise, crowding, contact with fumes and other unhealthy conditions. The SFMTA agrees upon request of the Union to meet and confer on ways to design the flow of work to avoid long, uninterrupted use of video display equipment by employees.

231. a. Breaks - Every employee working on video display equipment shall be required to take a break away from the employee’s screen of at least fifteen (15) minutes after two (2) hours' work. In the event that normal work schedules do not provide a lunch or rest break every two (2) hours, the employee shall be assigned duties away from the video display screen for fifteen (15) minutes after two (2) hours of work.

232. b. Physical Plant - The SFMTA agrees to provide, subject to the budgetary and fiscal provisions of the Charter, the following physical equipment and work environment for users of video display equipment:

233. (1) Where necessary, effective glare screens shall be affixed to the front of such machines;

234. (2) Adjustable chairs, footrests and tables shall be provided to allow for adjustment of individual machines to provide each operator with optimum comfort and the minimum amount of physical stress;

235. (3) Optimal lighting conditions adapted to accommodate the types of equipment in use at each work site shall be provided;

236. (4) Prior to the acquisition of additional or re-placement machines, the SFMTA agrees to meet and consult with the Union on the design of the machines, including such features as separate keyboards, tilt able screens, phosphor colors, brightness controls...
and any other features relating to operator health and well-being. The SFMTA will give the Union as much advance notice as possible of such changes.

237. c. Inspection of Machines - The SFMTA agrees to inspect each machine in use on a regular basis and to maintain all equipment in proper repair, state of cleanliness and working order.

IV.E. PREGNANCY

238. Upon request, the SFMTA shall attempt to temporarily reassign a pregnant employee to another position away from video display equipment for the duration of the pregnancy.

IV.F. PROTECTIVE UNIFORMS

239. For employees working in classifications covered by the term of this Agreement, the SFMTA agrees to provide a total of eleven (11) clean protective uniforms, selected by each employee in some combination of the following: (a) coveralls, (b) bib overalls, or (c) work pants and shirts. On an annual basis, the employee may select a different combination of protective uniforms. The employee shall wear a protective uniform while working. In addition, the SFMTA will provide two work jackets to each employee no later than October 1, 2019. The cost of furnishing and laundering protective uniforms and jackets shall be paid by the SFMTA.

240. The employee is responsible for safeguarding protective uniforms and jackets issued to the employee and will be held responsible for the un-depreciated value of any protective uniforms and jackets lost, stolen, or damaged beyond fair wear and tear. Evidence of forced entry to an employee locker will be grounds for relieving an employee of responsibility for stolen protective uniforms and jackets. Responsibility for losses of individual sets of protective uniforms and jackets will be determined by the worker’s supervisor on a case-by-case basis.

241. No employee in a classification covered by this Agreement shall be required to work in a location where the employee comes in contact with raw sewage or toxic or hazardous chemicals or substances if not provided with protective clothing as deemed appropriate for the purpose by the employee and the employee’s appointing officer.

IV.G. FOUL WEATHER GEAR

242. Employees working in classifications covered by the terms of this Agreement shall not be required to perform their normal work duties in the rain, cold or foul weather without being provided adequate foul weather gear, which may include insulated, reflective rain gear, bib overalls, rubber boots and parkas with hoods. Employees shall receive replacement foul weather gear as necessary.
IV.H. TOOL INSURANCE

243. The SFMTA agrees to indemnify employees covered under this Agreement for the loss or destruction of the employee's tools and/or tool storage units subject to the following conditions:

244. 1. These provisions shall apply when an employee's tools and/or tool storage units are lost or damaged due to fire or theft by burglary while the tools are properly on SFMTA property, being transported in a SFMTA vehicle, or being used by the employee in the course of SFMTA business;

245. 2. The employee must demonstrate that the employee has complied with all of the tool safekeeping rules required by the SFMTA at the employee's particular work location;

246. 3. Upon approval of this Agreement and prior to any losses, the employee must submit a list of the employee’s tools and/or tool storage units or photographs of tools and/or tool storage units sufficient to identify each tool, to the employee’s appointing officer and the latter must acknowledge and verify said inventory both as to existence of said tools and their necessity as relates to the employee's job duties. Tools and/or tool storage units not enumerated on said list or photographs shall not be governed by these provisions.

247. 4. The employee shall be responsible for using all reasonable means to preserve and protect the employee’s tools and/or tool storage units. Failure to do so shall relieve the SFMTA from any and all obligations under this section. Any employee making false or inaccurate claims under this section shall be subject to disciplinary action by the employee’s appointing officer.

248. 5. In case of theft, the following procedures shall be followed in perfecting a claim:

249. a. The employee shall submit a written statement made under penalty of perjury of the tools and/or tool storage units stolen to the employee’s appointing officer, the local police department and the Union.

250. b. The statement must contain the member's name, location and details of loss, date of loss and date reported to the police.

251. c. The statement must be submitted to the parties set forth in subsection (1) immediately above within five (5) days of the loss, unless the employee is on authorized leave, in which case the employee shall have five (5) days from the date of the employee’s return to report the loss.

252. 6. In case of damage due to fire, the requirements of subsection "E" above shall be followed with the exception that verified reports need not be filed with the police.
253. 7. The first ten dollars ($10.00) of any loss shall be borne by the employee. A "Loss" is defined as the total dollar amount of tools and/or tool storage units of the employee lost or damaged in one incident. Approved claims shall be settled by the SFMTA paying to the employee the replacement cost of the tool(s) and/or tool storage units minus ten dollars ($10.00).

254. 8. The replacement cost for tools and/or tool storage units governed hereunder shall be determined by agreement between the employee or his representative and the employee's appointing officer. Where possible, tools and/or tool storage units shall be replaced by those of the same brand name and model. Any dispute resulting from attempts to determine tool replacement costs shall be submitted to an appropriate grievance procedure for resolution. In instances where the employee has suffered a loss of a substantial number of tools which would jeopardize the employee's ability to perform the employee’s job duties and if there is a dispute as to tool replacement costs, the employee shall not lose any time from work as a result thereof.

255. 9. The SFMTA, at its own expense, shall arrange with the San Francisco Police Department or another source of its choice to have all tools of the employees marked with identification information. Tools and/or tool storage units which are not so marked or identified shall not be included within the coverage of this Section, and if the SFMTA has not marked the tools, the tools will be covered.

IV.I. TRAINING

256. Subject to available budgeted funds, SFMTA is encouraged to provide training for covered employees.

257. Access to training/educational opportunities will be made available equitably to employees covered by this Agreement in order to increase the capacity of an employee to perform the employee’s job and to update skills for all electronic, mechanical, and new technology.

IV.J. EMPLOYEE TRAINING AND TUITION REIMBURSEMENT PROGRAM

258. The SFMTA shall establish and maintain a four thousand dollar ($4,000.00) fund for the purposes of an employee training (including apprenticeship) and tuition reimbursement program for reimbursement of up to six hundred dollars ($600) per member during each fiscal year, subject to the policies and procedures of the SFMTA Department of Human Resources.

IV.K. EMPLOYEE ASSISTANCE PROGRAM AND PEER COUNSELING PROGRAM

259. Services provided to covered employees as set forth in Appendix B.

260. The parties recognize that re-codifications may change the references to specific Civil Service Rules and Charter sections contained herein. Therefore, the parties agree that such terms will read as if they accurately reference the same sections in their newly codified form.

V.A. SAVINGS CLAUSE

261. Should any part hereof or any provision herein contained be rendered or declared invalid by reason of conflicting with a Charter provision or existing ordinances or resolutions which the Board of Supervisors had not agreed to alter, change or modify, or as conflicting with subsequently enacted legislation, by any decree of a court, such invalidation of such portion of this Agreement shall not invalidate the remaining portions hereof and they shall remain in full force and effect.

OVERTIME WHEEL GUIDELINES AT MUNI MOTOR COACH DIVISION

The intent of the overtime wheel is to ensure that each employee (by classification) is offered an equal opportunity to work overtime as required by the MOU between Local 1414 and the San Francisco Municipal Transportation Agency. One overtime wheel is to be used anytime overtime is being offered for each classification. Senior Controller and Controller classifications shall be on the same wheel. A separate wheel will be used for holidays by classification.

The overtime wheel is established using SFMTA Division Seniority within classification: Classification within the Body Shop and the Control Rooms shall stand alone in regards to distribution of overtime. The distribution of overtime shall be offered to both the machinists and mechanics by a predetermined and posted ratio of their respective numbers, e.g., three (3) mechanics to every one machinist. In the event that the overtime is offered in Running Repair, the machinists shall be excluded.

Division Management will establish the number of employees that are required to work overtime to meet the needs of the SFMTA. Whenever overtime work is being offered, the supervisor will start with the first eligible name on the overtime list and offer the overtime to that employee first and will then offer the overtime in descending order until the number of people required to work overtime is reached. When overtime is offered in less than an eight (8) hour block, rotation will not be affected until there is an accumulation of eight (8) hours.

Division Management will keep posted at all times the last completed overtime offer list. This will allow employees to know in advance when it will be their next turn to be offered overtime. The overtime wheel listing will be updated every time employee moves into or out of the division. Their eligibility to work overtime is based on the effective date of the DAR. If an employee does not accept the offer of working overtime, it shall be considered the same as having worked for the purpose of meeting the requirements of offering overtime on a fair and equal basis.

Employees Are Not Allowed To Trade Overtime Opportunities

If employees work an eight (8) hour block of overtime at another division or within their own assigned division out of rotation, they will have their name bypassed during the next overtime offer in their domicile division. Because scheduled overtime is used to support the SFMTA’s requirement to provide service to the people of San Francisco, any employee who agrees to work overtime but fails to report to work may be subject to disciplinary action consistent with the policies and practices of the railway.

If employee accepts an overtime offer and then is not able to work the overtime, the employee must inform the shift supervisor prior to the start of the shift. Call-in phone numbers will be posted to each division. Each completed overtime offer list will be maintained by Division Maintenance for a minimum of thirty-six (36) months. These records will be available for review by the Union upon request.

In an emergency, a supervisor may call-in employees based on the employees’ ability to respond to the emergency in a timely manner. Any employee who works overtime in an emergency situation will only have their name bypassed consistent with previously described guidelines.
supervisor who calls an employee in on emergency basis, will submit to the General Superintendent of the Motor Coach Division, with a copy to the Shop Steward, written justification as to why the overtime wheel was not followed, a copy of the justification will be made available to the Union upon request.

Failure on a supervisor’s part to follow these guidelines could result in the supervisor being subject to discipline for “Inattention to Duties”.

As of September 12, 1995, the ratio for the distribution of overtime is as follows:

WOODS:  46 mechanics
         16 machinists

Ratio is three (3) mechanics to every 1 machinist.

Flynn, Army and Kirkland have no machinists. Therefore, there is no need for the ratio system. If there should be a change in the number of mechanics or machinists assigned at the divisions, the ratio shall be re-calculated.

The following rules cover all shop and field personnel covered by the collective bargaining agreement.

VACATION BID PROCEDURE AT MUNI

Seniority within classification will be used to establish the order of bid and will be used to settle all disputes over vacation bids during the sign-up period.

The vacation sign-up period will be from December 1 to December 31. The vacation period that will be bid for will be from February 1 to January 31 of the following year.

Seniority, as defined above will be used, to establish the order of bid, etc.

Cancellation of vacations

If someone cancels vacation that they previously bid for or wishes to change vacation time off, they can only arrange the new vacation on an as available, first come-first serve basis. If two or more people attempt to arrange, on the same day, vacation on this basis, seniority within classification will prevail. It is understood that the five-day advance notice rule applies.
**Bump procedure and vacation**

It is understood that if someone exercises the bump procedure to change shifts or location, or bumps for an open position, they will lose their bid vacation and will have to apply for vacation on an as available, first come-first serve basis at their new shift or location. The person being bumped does not lose his vacation bid.

It is understood that the 10% rule, 10% of employees by classification, or 1 person per shop per shift, whichever is greater, dealing with staffing requirements within shop departments will be used to limit the vacation slots available this year as well as subsequent years unless changed through meet and confer.

**SHIFT ASSIGNMENTS AT MUNI**

APPENDIX A

B. In calculating work seniority, time served in temporary, provisional and part-time employment in the class and department will be added to permanent time served.

C. Only continuous service in the class and department will be counted; leaves of absence, including leave to accept a provisional appointment, will NOT count as a break in service.

D. In the event of ties, departmental seniority will be determined as follows:
   1. By certification date
   2. By list adoption date
   3. By rank
   4. By the last two digits of the Social Security Number; low (00-99) to high
   5. Where further tie breaking is required, the last three digits, the four digits, etc. will be used as necessary.

5. For informational purposes, the MTA will provide an updated departmental seniority list to the UNION at the beginning of each fiscal year. This list should also include work locations, RDOs, and shift start times.

6. Displacement rights under this Section will be accomplished without payment of overtime.

Management may fill the posted position temporarily as convenient, during the posting period, subject to the rules for shift assignments at Muni.
Anyone who is displaced as a result of a Manager’s decision to change available assignments will be eligible to exercise his seniority to displace another employee.

When filling vacant assignments, the most senior employee who bids for that assignment must be eligible to use the bump procedure and must use the bump procedure to fill that assignment.

The second situation must be addressed is available vacant assignments that result from a requisition for a new employee. These available assignments shall be posted as per this clarification. Representation may include, but is not limited to, union representatives and shop stewards. If the employee requests representation, the SFMTA may allow a reasonable amount of time (a maximum of one hour) for the employee to obtain representation provided that the union representative meet the employee at the Accident site, work location or testing center as determined by the SFMTA. Such request shall not delay the administration of the tests for more than one hour from the time the employee is notified that the employee will be tested.

e. As soon as reasonably possible after the occurrence of an Accident, the supervisor or other SFMTA representative at the Accident site shall make best efforts to contact the SFMTA Department of Human Resources (SFMTA DHR), and SFMTA DHR shall then make best efforts to telephone the union(s) designated representative on file with SFMTA DHR representing the Covered Employee(s) involved in the Accident. If the designated representative does not answer, SFMTA DHR shall leave a voice mail message notifying the union of the Accident. For
purposes of this paragraph, a designated representative shall be any union officer or employee whose telephone number is on file with SFMTA DHR for the purpose of Accident review. The union may change the designated representative, in writing, as necessary from time to time, but it is the sole responsibility of the union to ensure that a current telephone number (with voice mail capability) for a designated representative is on file with SFMTA DHR. This subsection (e) shall not be grievable.

7. TESTING PROCEDURES

I. Collection Site

a. The SFMTA shall make best efforts to ensure that a Covered Employee subject to testing is safely transported to and from the collection site.

b. The staff of the collection facility under contract to the SFMTA or the SFMTA’s drug testing contractor ("Collector") shall collect urine and oral fluid samples from Covered Employees to test for prohibited drugs.

c. Tests for alcohol concentration on Covered Employees will be conducted with a National Highway Traffic Safety Administration (NHTSA)-approved evidential breath testing device (EBT) operated by a trained breath alcohol technician (BAT). Alcohol tests shall be by breathalyzer.

d. A Covered Employee presenting at the approved drug collection site must have a minimum of one piece of government-issued photo identification and may not leave the collection site for any reason – unless authorized by the collection agency – until the employee has fully completed all collection procedures. Failure to follow all collection procedures will result in the employee classified as “Refusal to Submit.”

e. Covered Employees, who refuse to test, may be subject to disciplinary action, up to and including termination, pursuant to Exhibit A.

f. The specific required procedure for urine collection is as follows:

(1.) Urine will be obtained directly in a tamper-resistant urine bottle. Alternatively, the urine specimen may be collected at the employee’s option in a wide-mouthed clinic specimen container that must remain in full view of the employee until transferred to, sealed and initialed, in separate tamper-resistant urine bottles.

(2.) Immediately after the specimen is collected, it will be divided into two (2) urine bottles, which, in the presence of the employee, will be labeled and then initialed by the Covered Employee and witness. If the sample must be collected at a site other than the drug and/or alcohol-testing laboratory, the
specimens must then be placed in a transportation container. The container shall be sealed in the employee’s presence and the Covered Employee must be asked to initial or sign the container. The container will be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method.

(3.) A chain of possession form must be completed by the hospital, laboratory and/or clinic personnel during the specimen collection and attached to and mailed with the specimens.

g. After being tested, the Covered Employee will be barred from returning to work until the department is advised of the final testing result from the MRO. During that period, the Covered Employee will be placed on paid administrative leave for so long as the Covered Employee is eligible for such leave under the terms of the applicable provision of the City’s Administrative Code. The test shall be deemed a negative test if the MRO has not advised of the final testing result by the time the Covered Employee’s paid leave has expired under the terms of the applicable provision of the City’s Administrative Code.

II. Laboratory

a. Drug tests shall be conducted by laboratories licensed and approved by SAMSHA which comply with the American Occupational Medical Association (AOMA) ethical standards. Upon advance notice, the parties retain the right to inspect the laboratory to determine conformity with the standards described in this policy. The laboratory will only test for drugs identified in this policy. The SFMTA shall bear the cost of all required testing.

b. Testing procedures, including substances to be tested, specimen collection, chain of custody and threshold and confirmation test levels shall comport with the Mandatory Guidelines For Federal Workplace Testing Programs, established by the U.S. Department of Health and Human Services, as amended and the U.S. Department of Transportation regulations, where applicable. Tests for all controlled substances, except alcohol and marijuana (THC), shall be by urine screening and shall consist of two procedures, a screen test (EMIT or equivalent) and if that is positive, a confirmation test (GC/MS). Cannabis (THC; THC-OH; and THC COOH) is treated as a controlled substance and will be tested through an FDA-approved oral fluids (saliva) testing collection device at a screening level of 25 ng/ml and a confirmation level of 10 ng/ml (GC/MS or LC/MS/MS).

c. The initial test of all urine specimens will use immunoassay techniques. All specimens identified as positive in the initial screen must be confirmed using gas chromatography/mass spectrometry (GC/MS) technique that identifies at least three (3) ions. In order to be considered “positive” for reporting by the laboratory to the SFMTA, both samples must be tested separately in separate batches and must also show positive results on the GC/MS confirmatory test.
d. In the event of a positive drug or alcohol test, the testing laboratory will perform an automatic confirmation test on the original specimen at no cost to the Covered Employee. In addition, the testing laboratory shall preserve a sufficient specimen to permit an independent re-testing at the Covered Employee’s request and expense. The same, or any other, approved laboratory may conduct re-tests. The laboratory shall endeavor to notify the MRO of positive drug, alcohol, or adulterant tests results within five (5) working days after receipt of the specimen.

III. Medical Review Officer (MRO)

a. All positive drug, or Substituted, Adulterated or positive-Diluted Specimen, or Invalid Drug Test as defined herein will be reported to a Medical Review Officer (MRO). The MRO shall review the test results and any disclosure made by the Covered Employee and shall attempt to interview the individual to determine if there is any physiological or medical reason why the result should not be deemed positive. If no extenuating reasons exist, the MRO shall designate the test positive.

b. When the laboratory reports a confirmed positive, Adulterated, Substituted, positive Diluted, or Invalid test, it is the responsibility of the MRO to: (a) make good faith efforts to contact the employee and inform employee of the positive, Adulterated, Substituted, positive Diluted, or Invalid test result; (b) afford the employee an opportunity to discuss the test results with the MRO; (c) review the employee’s medical history, including any medical records and biomedical information provided; and (d) determine whether there is a legitimate medical explanation for the result, including legally prescribed medication. Employees shall identify all prescribed medication(s) that they have taken. If the Covered Employee fails to respond to the MRO within three (3) days, the MRO may deem the Covered Employee’s results as a “positive result.”

c. The MRO has the authority to verify a positive or Refusal To Test without interviewing the employee in cases including but not limited to: (a) the employee refused to discuss the test result; or (b) if the SFMTA has directed the employee to contact the MRO, and the employee has not made contact with the MRO within seventy-two (72) hours. In all cases, previously planned leaves may extend this time. The parties understand that the MRO’s review of the test results will normally take no more than three (3) to five (5) days from the time the Employee is tested.

d. If the testing procedures confirm a positive result, as described above, the Covered Employee and the Substance Abuse Prevention Coordinator (SAPC) for the SFMTA and departmental HR staff or designee will be notified of the results in writing by the MRO, including the specific quantities. The results of a positive drug test shall not be released until the results are confirmed by the MRO.
APPENDIX C

e. The Covered Employee may request a drug or adulterant re-test within seventy-two (72) hours from notice of a positive test result by the MRO. The requesting party will pay costs of re-tests in advance.

f. A drug test result that is positive and is a Diluted Specimens will be treated as positive. All drug test results that are determined to be negative and are Diluted Specimens will require that the employee take an immediate retest. If the retest yields a second negative Diluted Specimens result, the test will be treated as a normal negative test, except in the case of subsection (g).

g. If the final test is confirmed negative, then the Employee shall be made whole, including, the cost of the actual laboratory re-testing, if any. Any employee who is subsequently determined to be subject of a false positive shall be made whole for any lost wages and benefits and shall have their record expunged.

h. The SFMTA shall assure that all specimens confirmed positive will be retained and placed in properly secured long-term frozen storage for a minimum of one (1) year and be made available for retest as part of any administrative proceedings.

i. All information from a covered employee’s drug and/or alcohol test is confidential for purposes other than determining whether this policy has been violated or pursuing disciplinary action based upon a violation of this policy. Disclosure of test results to any other person, agency or organization is prohibited unless written authorization is obtained from the Covered Employee or as required by law.

IV. On-Site

a. For Post-Accident purposes, the SFMTA may conduct “on-site” tests (alcohol breathalyzer testing and “Quicktest” urine testing) and oral fluid testing for Cannabis). If any of those tests are “non-negative” will a confirmation test be performed. This on-site test is to enable the Covered Employee and the SFMTA to know immediately whether that employee has been cleared for work.

b. In order to facilitate the on-site urine testing, an individual’s sample will be divided into three separate containers. One of the containers will provide a sample for the on-site test that will be read within 5 to 10 minutes of collection. The other two containers will be sealed and sent to the lab, in the event a confirmation is necessary due to a “non-negative” outcome of the on-site test. The laboratory will store the split sample in accordance with SAMHSA guidelines. One of the two samples will be used for a confirmation test. The other sample will be made available to the employee for testing by a certified laboratory selected by the employee at the employee’s expense.
8. RESULTS

a. Substance Abuse Prevention and Detection Threshold Levels Any test revealing a blood/alcohol level equal to or greater than 0.08 percent or the established California State standard for non-commercial motor vehicle operations, or when operating a moving vehicle or performing a Safety-Sensitive Function as defined in this Policy shall be deemed positive. Any test revealing a blood/alcohol level equal to or greater than that 0.04 percent or the established California State standard for commercial motor vehicle operations shall be deemed positive. Any test revealing controlled substance confirmation level as shown in the chart below shall be deemed positive.

b. The SFMTA reserves the right to discipline in accordance with the chart set forth in Exhibit A, for over-use, misuse or abuse of prescribed and over-the-counter drug or medications as determined by the MRO pursuant to the testing procedures described above.

9. CONSEQUENCES OF POSITIVE TEST RESULTS

a. For Reasonable Suspicion or Post-Accident, a Covered Employee shall be immediately removed from performing the employee’s job and shall be subject to disciplinary action and further follow-up as set forth in Exhibit A if any of the following takes place:
The Covered Employee:

1. Is confirmed to have tested positive for alcohol or drugs;
2. Refuses to Submit to testing; or
3. Has submitted a specimen that the testing laboratory report is an Adulterated or Substituted Specimen.

b. If the Union disagrees with the proposed disciplinary action, it may use the grievance procedure as set forth in the parties’ respective MOU, provided, however, that such an appeal must be initiated at the Employee Relations Director step, unless the parties otherwise mutually agree.

c. All proposed disciplinary actions resulting from a positive drug/alcohol test(s) shall be administered pursuant to the disciplinary matrix set forth in Exhibit A. Notwithstanding the disciplinary matrix which applies to the violation of this Policy, the SFMTA may impose discipline based on the Covered Employee’s conduct, which may include consideration of whether the conduct at issue occurred while the employee was impaired by drugs or alcohol and/or whether the employee refused to test in addition to any discipline imposed under Exhibit A.

d. In the event the SFMTA proposes disciplinary action, the notice of the proposed discipline shall contain copies of all available laboratory reports received by the SFMTA from its contractors or subcontractors.

e. Employees may voluntarily consult with EAP for assistance.

10. RETURN TO DUTY

The Substance Abuse Prevention Coordinator (SAPC) will evaluate a Covered Employee who has tested positive for alcohol and/or drugs. The Coordinator will evaluate what course of action, if any, and assistance from which the employee may benefit, if any, and will communicate a proposed return-to-work plan, if necessary, to the employee and department. The SAPC may recommend that the Covered Employee enter into an appropriate rehabilitation program administered by the Covered Employee’s health insurance carrier or another appropriate accredited rehabilitation program paid by the Covered Employee.

11. TRAINING

As soon as practicable but no later than thirty (30) days prior to the effective date of this policy, the SFMTA or its designated vendor shall provide training on this policy from first-line, working supervisors and up to the Deputy Director level. In addition, all Covered Employees shall be advised of this policy and receive appropriate training.
12. ADOPTION PERIOD

This Policy shall go into effect six months following the final adoption of this Appendix by the parties.

13. JOINT CITY/UNION COMMITTEE

The parties agree to work cooperatively to ensure the success of this policy. As such, a Joint SFMTA/Union Committee shall be established with 2 members each from the SFMTA and the Union. The Committee shall meet at a minimum on a quarterly basis and, in addition, on an as-needed basis to address any implementation and other matters of mutual interests concerning this policy. The Committee may also discuss adding or deleting covered classifications from this policy. The Director of Human Resources shall make a final decision based on the recommendations from the Committee.

14. SAVINGS CLAUSE

Notwithstanding any existing substance abuse prevention programs, if any provision of an existing department policy, rule, regulation, or resolution is inconsistent with or in conflict with any provision of this policy, this policy shall take precedence. Should any part of this policy be determined contrary to law, such invalidation of that part or portion of this policy will not invalidate the remaining parts or portions. In the event of such determination, the parties agree to immediately meet and negotiate new provision(s) in conformity with the requirements of the applicable law and the intent of the parties hereto. Otherwise, this policy may only be modified by mutual consent of the parties. Such amendment(s) shall be reduced to writing.

In the event the SFMTA determines that a termination is warranted as a result of the SAPP, the SFMTA may, on a case-by-case basis, offer the Covered Employee a Last Chance Agreement that may include, but is not limited to, the following terms: (a) Covered Employee completion of an appropriate Rehabilitation Program approved by the SAPC; (b) Covered Employee successful completion of return-to-work drug testing; (c) Covered Employee submitting to additional drug tests, over a one year period after Covered Employee has returned to work, scheduled at the SFMTA’s discretion; (d) failure on any one condition results in immediate termination, and thereafter, the level of discipline is not grievable; and (e) language stating that the terms of the Last Chance Agreement itself is not grievable.

UNION ACCESS TO NEW EMPLOYEES PROGRAM

I. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the City and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, City-wide Union Access to New Employees Program applicable to all City Agencies and all City Employee Unions.

II. Notice and Access

A. The City shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the City’s policy that NEOs are mandatory for all newly-hired employees. It is the City’s intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee’s regularly scheduled, paid time. In the event that a newly-hired employee’s regular schedule is outside of a scheduled NEO, the Department may make a one-time adjustment to the employee’s work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Departmental NEO coordinator to arrange a meeting with the employee pursuant to Section F., below.

B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed.

C. Notice

1. Single Point of Contact: The Union agrees to provide the City with a single point of contact (hereinafter, Union NEO Coordinator) and the City agrees to provide the Union with a single point of contact for each Department (hereinafter, Departmental NEO Coordinator), which will be updated by the City and the Union on an as-needed basis.

2. Notice of Schedule: For any NEO that takes place on a regular, recurring schedule, the sponsoring Department shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the sponsoring Department shall provide no less than ten (10) business days’ notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which City personnel
provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. Notice of Enrollment: Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the City agrees to provide additional identifying information including, but not limited to, classification and department. Six months from enactment, in the event the City is unable to provide classification and department information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not be subject to the impasse procedures in Government Code Section 3557. The Department sponsoring the NEO shall provide the foregoing information no less than five (5) business days prior to the NEO taking place. The Department will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.

D. Citywide and Departmental NEOs: New employees in those Departments identified in Attachment A shall attend a citywide NEO, sponsored by the Department of Human Resources. This citywide NEO shall take place at minimum on a monthly basis. Departments identified in Attachment B will conduct respective Departmental NEOs. At the City’s discretion, Departments may be added to or removed from either Attachment A or Attachment B. For the citywide NEO, DHR will adhere to the Department notice requirements in Section C., above. The City will provide the Union with thirty (30) calendar days’ notice prior to moving a Department from Attachment A to B, or vice versa. Every City Department shall be listed on either Attachment A or Attachment B.

E. Access and Presentation: At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present, unless the Union’s Memorandum of Understanding (MOU) provides for more than thirty (30) minutes. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union’s bargaining unit. The City shall ensure privacy for the Union’s orientation, and it shall take place without City representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Department responsible for scheduling the NEO shall be responsible for including Union presentations on the agenda. The Union’s presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union’s representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said request shall be made to the Employee Relations Division no less than
F. Alternate Procedures: In the event the Union identifies one or more new employees who did not attend the Union’s presentation as described in Section E., above, the Union may contact the Departmental NEO coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Departmental NEO Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union’s representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU. If not otherwise provided for in the MOU, the Union may request release of a Union-designated member as provided for in Section E., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Departmental NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee’s break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). City representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section H., below.

2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Departmental NEO Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union’s request.

3. Department of Elections: Any new employee of the Department of Elections who is classified as Temporary Exempt (Category 16), whose duration of appointment is one (1) pay period or less, and works on an as-needed work schedule will receive written materials provided by the Union in lieu of attending a Citywide or Departmental NEO, a private meeting with the Union as provided for in Section F., above, or a Periodic Union Orientation as provided for in Section G., below.

G. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Departmental NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every-other-month, quarterly, or other basis.

The following Departments shall maintain existing Union orientation arrangements: Department of Emergency Management; Sheriff’s Department; and Police Department.
The 311 Customer Service Call Center shall maintain existing practice with respect to Union access to 311 Customer Service Agent Training.

H. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the City shall provide the Union with all required information on newly-hired employees to the extent it is made available to the City. In addition, within ten (10) business days of the conclusion of each NEO, the City agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the City harmless for any disputes that arise between the Union and any new employee over application of this Agreement.

INTRODUCTION

The San Francisco Joint Apprenticeship Committee (SFJAC) of the City and County of San Francisco (City) and San Francisco Municipal Transportation Agency (SFMTA) Automotive and Maintenance Machinists Apprenticeship is a joint labor and management undertaking.

The San Francisco Joint Apprenticeship Committee (SFJAC), composed of equal members representing the participating City departments, SFMTA, and the Union; with one non-voting (1) representative of the Apprenticeship Training Office, one (1) representative of the CA Division of Apprenticeship Standards (DAS), and one (1) representative of ApprenticeshipSF; declares it to be its purpose and policy to establish an organized, planned system of apprenticeship conducted as a joint labor and management undertaking.

The SFJAC is authorized to administer and enforce these Apprenticeship Policies and Procedures. It will identify and authorize a person or persons in the employ of the City, SFMTA, or the Union to aid in the administration, enforcement, or execution of its duties, responsibilities and functions.

GENERAL REQUIREMENTS

AUTHORIZATION

1. The SFJAC is authorized to adopt such Policies, Rules, Expectations, and/or procedures as are necessary for an effective training program providing, however, that such rules and regulations do not conflict with the Apprenticeship Standards registered with DAS, the San Francisco Civil Service Rules (SFCS), or the existing Memoranda of Understanding (MOU) between the City, SFMTA, and the Union.

2. The SFJAC is authorized to indenture each apprentice on an approved State of California Apprentice Agreement Form DAS 1.

3. The SFJAC is authorized to enforce these Policies and Procedures including the power to suspend an apprentice from the program for a fixed period not to exceed thirty (30) days for failure to fulfill the obligations on the job, in related instruction, classroom performance, or for sufficient reasons.

4. The SFJAC is authorized to investigate the training facilities and educational materials provided to apprentices and take appropriate action with the community college district to maintain an adequate training program.

5. The SFJAC is authorized to recommend for cancelation the Apprenticeship Agreement for good and sufficient reason.

6. The City may terminate employment of an apprentice, of its own volition, per the SFSC rules and/or the current MOU.
APPENDIX E

7. The SFJAC is authorized to see that there is provided, insofar as possible, continuous employment to all apprentices as well as the required diversified training in all the job processes of the craft, and to that end, to rotate and assign apprentices from one City or SFMTA department to another.

8. It is required by the SFJAC that an apprentice complete a minimum of thirty-six (36) months of the Automotive Machinists apprenticeship program or thirty-six (36) months of the Maintenance Machinists apprenticeship program. If the City wishes to grant more than three years (36 months) credit to an apprentice upon indenture, the City or SFMTA, and apprentice may appeal to the SFJAC and submit documentation verifying the apprentice’s past related work experience and completion of training classes from an academic institution (approved by the SFJAC) to qualify for additional credit.

9. Apprentices who have been advanced by their City or SFMTA department to journey level employment or resigned from City or SFMTA employ to pursue outside journey level employment without the recommendation of the SFJAC or for more than nine (9) months of the remaining qualified period of training shall not be eligible for recommendation from the SFJAC to receive a trade certificate.

UNION AND CITY RESPONSIBILITIES AND EXPECTATIONS

The Union, SFMTA, and the City acknowledge that this program is a joint labor and management industry enterprise, and each accepts the following responsibilities:

1. To see that all apprentices are recruited, employed, indentured, registered, and trained in accordance with the provisions of the SFCS, the current MOU, the Apprenticeship Standards, and these policies and procedures.

2. To see that each apprentice under their supervision receives full on-the-job training as defined in the apprenticeship Standards for their job classification.

3. To see that apprentices are rotated both within and between City departments and agencies per the established schedule so that they can obtain diversified experiences and training in all phases of the trade on the job. Insofar as practical, attempt to marry the on-the-job training/work processes with class work taken by the apprentice.

4. To see that apprentices are assigned to work with and under qualified journey persons and that, those journey level workers receive the training necessary to guide, mentor, coach, and train apprentices assigned under their direction or in their shop.

5. To ensure that a record of each apprentice’s monthly progress is maintained, and that the record of work processes and RSI training completed is verified and forwarded to the SFJAC in a timely manner as required.

6. To comply with the rules, expectations, and decisions of the SFJAC.
7. To immediately, report to the Apprenticeship Coordinator of the SFJAC either outstanding or substandard effort on the part of any apprentice assigned to a City department or agency.

8. To cooperate with the SFJAC and the ApprenticeshipSF Training Program.

9. To provide the necessary and recommended health and safety training for each apprentice prior to the apprentice’s use of any equipment or performance of any job operation.

10. The SF JAC through the participating City Departments and SF MTA shall be responsible for the administrative costs and expenses associated with operation of the Automotive and Maintenance Machinist Apprenticeship Program. No apprenticeship training coordinator, participating City Department, SF MTA, shall charge or cause charges to be levied against apprentices for the purpose of financially supporting the administrative, clerical or organizational cost of tuition, materials, or supplies for educational services provided by a community college, university, trade school, training center or other education facility or program.

11. Handbook – Participating City Departments and SF MTA will be furnished a copy of the San Francisco Joint Apprenticeship Committee: Policies & Expectations handbook and must agree to comply with its provisions. After reading the policy and expectations, all participating City Departments and SF MTA TA’s will be asked to sign the page of this book acknowledging receipt. A copy of the signed page will be placed in the SF JAC file.

**CHANGES IN MOU OR COLLECTIVE BARGAINING AGREEMENT (CBA)**

Whenever changes are made in the MOU or CBA that alters the wages, hours, or working conditions in the craft, such changes shall be made a part of these policies and procedures and any apprentice agreements hereunder.

The JAC may disapprove such changes to the apprenticeship program under the direction of the Division of Apprenticeship Standards, State of California.

**RATIO OF APPRENTICES TO JOURNEYPERSONS**

1. A qualified host department under this apprenticeship program may appoint one apprentice when at least one (1) journey person is regularly assigned to the shop.

2. After the first apprentice, the ratio of additional apprentices shall not exceed one (1) apprentice to three (3) journeypersons; the department can have two apprentices with five journey persons, 3 apprentices with 6 journey persons etc.

3. The apprentice in any shop shall be allowed to work on any job provided the apprentice ratio in the shop is maintained.

4. An apprentice must be directly supervised on-the-job by a journey level machinist.
Work Alone Exception:

An apprentice who has accumulated 7000 hours of on-the-job training and successfully completed the first 18 weeks of related training of the fourth year class and who has obtained the 4th period of his/her 2nd level of apprenticeship classification may be permitted by the SF JAC to work without direct on-site supervision. Such work may not exceed eight hours of duration per day. The intent is to allow an apprentice to gain experience and to become self-reliant. An apprentice may not work under general supervision until he/she has the formal written approval of the SF JAC.

5. The SFJAC may provide special dispensation to exceed this ratio if petitioned by a department.

**PROCESS FOR SCHOOL ASSIGNMENT**

Each Local Educational Agency (LEA) or Community College will have its own process for enrollment. The Apprenticeship Training Coordinator is responsible for the educational requirements and class enrollment for all apprentices. The Apprenticeship Training Coordinator will:

- Assign, register for related training/class and pay the required tuition each term or for each training
- Ensure that all apprentices have the necessary books, materials, tools and equipment for the class he/she will be attending
- Print a list of apprentices assigned to each LEA/Community College
- Compare and reconcile the list with the previous semester list
- Review courses offered by the LEA/Community College
- Determine which classes are needed by each apprentice
- Assign necessary classes to apprentices and update spreadsheet
- Send notification of necessary classes to apprentices and copies to ApprenticeshipSF, SFJAC, and the Union local
- Send all updated apprentice information to the LEA/Community College for proper enrollment
- Review all apprentice class records for grade achievement compliance and report grade and attendance status to ApprenticeshipSF and the SFJAC at the beginning of the semester, mid-term, and end of the semester
- Upon notification of academic difficulty, the Apprenticeship Training Coordinator will take appropriate restorative action or recommend to ApprenticeshipSF corrective action as necessary

**APPRENTICE DUTIES AND RESPONSIBILITIES**

1. Every apprentice shall perform diligently and faithfully the work of the trade during the entire period of apprenticeship, complying with the training program as administered by the SFJAC. The apprentice shall satisfactorily perform the learning and work tasks assigned, both on the job and in related educational instruction (RSI), and shall comply with the rules, regulations, and decisions of the SFJAC.
2. Each apprentice must assume the responsibility of keeping the ApprenticeshipSF office and her/his current host department informed of any residence status changes.

3. It is the responsibility of the apprentice to be punctual, respectful, attentive, dependable, and neat in appearance with regard to on-the-job and classroom conduct. Excessive tardiness is not tolerated. If the student is excessively tardy, he/she will be given a verbal warning. If the situation continues, it will be cause for dismissal from the Apprenticeship.

4. Any harassment of instructors, staff or fellow students including sexual harassment, verbal harassment, lewd gestures or offensive attire will result in a proposed cancellation being issued to the offending person requiring offending person to appear before the committee to explain their insubordination.

5. An apprentice who attends on-the-job or RSI training/classes while under the influence of alcohol or federally identified illegal drugs may be immediately removed from employment and the apprenticeship program.

6. Any apprentice separated from employment or dismissed from a RSI institution will not be eligible for reemployment in the apprenticeship program without prior approval of the SFJAC.

7. Any apprentice who discontinues RSI or on-the-job training without SFJAC approval shall not be eligible for further employment in any classification within the apprenticeship program during the term of her/his agreement without prior approval of the SFJAC.

8. Any request by an apprentice to appear before the SFJAC shall be made in writing, stating the reason and directed to the ApprenticeshipSF Program Manager at the City Department of Human Resources office.

LEAVES OF ABSENCE

Apprenticeship Leaves of Absence
Apprentices are employed as PEX Permanent Exempt (PEX) employees. Exempt employees are not subject to civil service termination procedures and serve at the pleasure of the appointing officer. Apprentices are in a paid training program that consists of on-the-job training and required related supplemental instruction (RSI) through a local educational agency (LEA)/community college. Apprentices are not entitled to a leave of absence that may prevent them from fulfilling program requirements by the expected completion date.

Leave beyond that required by law is a privilege. At the discretion of the host department head, or his or her designee, and the San Francisco Joint Apprenticeship Committee (SFJAC), leave of absence for up to 180 days during the program may be approved for to cover the apprentice’s own illness or disability, or that of a qualifying family member, including preventive care, such as medical or dental appointments, pregnancy, childbirth and child bonding, and for apprentices who are victims of domestic violence, sexual assault or stalking. Qualifying family members include:
1. A child, which for the purposes of this section means a biological, adopted, or foster child, stepchild, legal ward, or a child to whom the apprentice stands in loco parentis. This definition of a child is applicable regardless of age or dependency status.

2. A biological, adoptive, or foster parent, stepparent, or legal guardian of an apprentice or the apprentice’s spouse or registered domestic partner, or a person who stood in loco parentis when the apprentice was a minor child.

3. A spouse.

4. A registered domestic partner.

5. A grandparent.

6. A grandchild.

7. A sibling.

TEMPORARY MODIFIED DUTY ASSIGNMENTS

1. With the approval of the host department head, or his or her designee, and the SFJAC, an apprentice in class 7320 - Apprentice Automotive Machinist 1, 7327 - Apprentice Maintenance Machinist 1, 7321 - Apprentice Automotive Machinist 2, or 7331 - Apprentice Maintenance Machinist II with an injury, illness or medical condition that causes temporary work restrictions that limits the apprentice’s ability to perform essential work or training assignments may be provided a temporary modified duty assignment that allows the employee to complete all work processes and classroom/training instruction requirements for his or her apprenticeship classification level within the time period set forth in the Apprenticeship Agreement.

2. After the first 30 days of temporary modified duty, or earlier if warranted, the host department’s human resources personnel and the SFJAC will review the apprentice’s medical status to determine whether the apprentice will be able to return to the regular apprenticeship work and training assignments. If the apprentice’s work restrictions continue beyond 30 days, the apprentice's medical status will be reviewed every 30 days thereafter, and the host department and SFJAC may extend the modified duty assignment for up to 180-days. However, apprentices may be released from the apprenticeship program at any time following or during a period of modified duty.

END OF TEMPORARY MODIFIED DUTY ASSIGNMENT

An apprentice in class 7320, 7327, 7321, or 7331, who has work restrictions, reaches permanent and stationary medical status and/or can no longer be accommodated with temporary modified duty assignments, the host department and the SFJAC will evaluate the apprentice’s work status and may discuss the following options with the apprentice:

(1) returning the apprentice to full duty and full classroom instruction, with or without reasonable accommodations;

(2) releasing the apprentice from the apprenticeship program.
PROCESSING A TEMPORARY MODIFIED DUTY ASSIGNMENT

1. The host department will consider a temporary modified duty assignment upon receipt of the following:

   (a) notice from the workers' compensation claims administrator that an apprentice in class 7320, 7327, 7321, or 7331 with an industrial injury may return to work with temporary work restrictions that are appropriate for available modified duty assignments; or

   (b) a medical certificate from an apprentice in class 7320, 7327, 7321, or 7331 with a nonindustrial injury/medical condition recommending return to work with temporary work restrictions that can be matched with available modified duty assignments.

2. The host department’s human resources personnel and the SFJAC will review the apprentice’s work restrictions and match the recommended restrictions with available temporary modified duty assignments.

   The host department’s human resources personnel will resolve questions regarding an apprentice's medical restrictions, ability to perform essential job duties, or ability to perform modified duty assignments. The host department’s human resources personnel may contact the apprentice's treating physician, with the apprentice’s written authorization, and/or request an examination by a physician retained by the City and County of San Francisco to clarify the apprentice’s work restrictions and ability to perform work of any kind. For industrial injuries, the workers’ compensation claims administrator may seek clarification from the apprentice’s primary treating physician. A final determination on the apprentice’s ability to work will be made in accordance with state workers’ compensation laws. The host department’s human resources personnel will make the final decision regarding the availability of a temporary modified duty assignment matching the apprentice's temporary medical restrictions and the staffing needs of the host department. The host department head and the SFJAC will make the final decision regarding an apprentice’s ability to return to work with permanent medical restrictions.

3. If an apprentice in class 7320, 7327, 7321, or 7331 is placed in a temporary modified duty assignment, he or she will be required to sign an acknowledgment confirming that he or she understands this policy, including its time limits, and agrees to abide by it.

APPRENTICE REPLACEMENT

A host department must request approval to replace an apprentice from the ApprenticeshipSF office and the SFJAC. Approval to replace an appointment due to separation or resignation requires
SELF EVALUATION OF SKILL AND ABILITY

1. This evaluation is utilized so that the apprentice and the host department supervisor have a clear understanding of the apprentice’s proficiency on tasks and physical items located at the jobsite. This evaluation is to be used as a tool over the term of the apprenticeship. The goals of the evaluation are to identify weaknesses in the apprentice’s training and then improve those areas that are deficient. The evaluation assists the host department with their requirement to perform on-the-job training.

2. The areas identified on the Machinist Self Evaluation Form are typical in the Maintenance Machinist and the Automotive Machinist trade. Awareness of the Automotive and Maintenance Machinist Apprenticeship description of work processes and RSI is important to know before completing the evaluation form and are essential to learning the jobsite.

3. This form will be completed by the apprentice within the first sixty (60) days of employment and reviewed with the supervisor no less than every six (6) months. It is highly unlikely that an apprentice will achieve a perfect score on all areas initially. This is a self-evaluation to assist an apprentice with their training. Honesty is a premium.

APPRENTICE EVALUATION

1. The Apprentice Evaluation form is sent to the apprentice twice per year. Once received, the apprentice is to fill in their name and date and give it to the supervisor and they will complete it and return it to the apprentice. If the apprentice agrees with the evaluation, she/he simply signs the form and returns it to the ApprenticeshipSF Office (address is printed on the form). If the apprentice does not agree with the evaluation, write the objection(s) on the back of the form, sign it, and return the form to the ApprenticeshipSF office (address is printed on the form).

2. It is the apprentice’s responsibility to insure that this form is completed, signed, and returned to the ApprenticeshipSF office. Apprentice(s) may not receive his/her scheduled re-rate without this completed evaluation. Please be advised that the failure to return this completed evaluation within thirty days may delay the six-month percentage wage increase.

APPRENTICE RETAINED

All apprentices who are retained in their present apprenticeship period/wage schedule for failure to comply with these policies and expectations, such as maintain attendance, achieving scholastic requirements, forwarding work process reports (blue book), etc. may be recommended for advancement to the next step non-retroactively as soon as they successfully meet the requirements to move forward. Such advancements are to be made only after proper notification in writing to the SFJAC and the ApprenticeshipSF office.
ATTENDANCE AND GRADE REQUIREMENTS – RELATED INSTRUCTION

Attendance, Grades, and Punctuality Requirements for RSI

1. Each apprentice is required to attend school classes of related instruction in accordance with the directions and instructions of the Apprenticeship Training Coordinator and the SFJAC. Failure to attend and pass classes with a grade of “C” or higher will result in corrective action by the SFJAC up to and including permanent removal from the apprenticeship program.

   (a) A mid-term grade below a “C” (2.0) will result in a written notice to the apprentice with a copy of the notice placed in the apprentice file and a cite to appear before the SF JAC notice for “Failure to Progress”.

   (b) A year-end grade average below a “C” (2.0) will result in cite to appear before the SF JAC notice for “Failure to Progress”. The apprentice will also be required to repeat the class(es) and the next scheduled re-rate will be held until the class has been repeated and the grade for the class(es) has been brought up to a minimum of a “C” (2.0).

2. Apprentices shall be enrolled and scheduled for class by the Apprenticeship Training Coordinator.

3. Periodically, the LEA may change their curriculum that may change the requirements for apprentices, but will not increase the original number of instructional hours as defined in the Apprenticeship Agreement.

4. School instructors are not authorized to excuse any apprentice from school or give credit to an apprentice unless it has been approved by the ApprenticeshipSF office.

5. Apprentices must be punctual and attend class at the posted starting time. Excessive tardiness will not be tolerated.

   (a) Apprentices are expected to exhibit orderly behavior in the classroom and on any training center property at all times.

   (b) No persons shall be allowed to chew tobacco or smoke (any substance), or e-cigarette, anywhere in the building including but not limited to the, bathrooms, classrooms, offices or labs at any time.

   (c) Any persons caught causing physical harm to the college, training facility or its contents will be immediately terminated from the apprenticeship program.

6. Time spent in related educational training classes, through the host department/agency during work hours will be compensated.
7. Instructors may allow the apprentice to test out of a particular class as long as an apprentice achieves a grade of “B” or higher.

8. Any grade issued by the instructor reflects a total grade, including and not limited to class attitude, participation, conduct, punctuality, and the apprentice’s retentive knowledge.

WORK TRAINING - HOST DEPARTMENT/AGENCY

1. Host departments/agencies shall see that all apprentices are under the direction of a qualified journey person of the trade and shall provide each apprentice with the necessary diversified experience and training in order to train and develop each apprentice into a skilled journey person proficient in all the work processes of the trade and upon completion meet the minimum requirements for journey level employment.

2. Shop tools, (that is, tools that stay in the shop) and are for the use of the apprentices while they are at work only are purchased by the department. Each host department shop shall provide the apprentices with one set of tools per individual shop. (not per dept. but per shop) These tools should stay in the shop should only be used by the apprentices that are assigned to that department during that time and stay there and are available for the next rotation:

3. Each host department/agency and each host shop shall provide necessary health and safety training to each apprentice prior to the apprentice’s use or operation of any equipment and job performance.

Personal Safety Equipment
Apprentice personal safety equipment shall include the following items to be provided by the host department/agency:
- pair coveralls
- 1 pair shop work pants
- 1 machinists/shop work shirt
- 1 pair protective boots (steel toe)
- 1 pair puncture resistant and heat resistant work gloves
- Safety googles
- Ear protection
- Appropriate breathing protection
- Machinist’s apron

4. Apprentices shall be assigned to perform all the duties and tasks on-the-job that are associated with the craft and an apprenticeship.

5. Upon completion of the California Class B classroom training and obtaining a Class B behind the wheel permit, the host department/agency shall arrange for the apprentice to receive field training that consists of driving in training areas that includes a combination of highway, city, and heavy traffic driving with emphasis on defensive driving. Backing, safety and emergency procedure are also practiced extensively. The training also consists of DMV skills practicing.

ASE OR NIMS OR EQUIVALENT REQUIREMENTS

1. Each apprentice will be required to complete the Automotive Standard of Excellence (ASE) or THE National Institute for Metalworking Skills (NIMS) credentialing as specified in the individual job classifications within the Apprenticeship Standards.
2. The apprentice will be given a letter at the time she/he signs the apprenticeship agreement that will specify which ASEs or MINS or equivalents will be required, and how to report successful completion of those requirements back to the ApprenticeshipSF office. The letter may also specify the number of tests that must be taken during given period of time within the apprenticeship program.

3. The apprentice will be encouraged to take the ASE or NIMS tests on the subject immediately following the equivalent school course. Many courses are designed to train the apprentice on the same materials covered by the ASE and NIMS tests.

4. California Class B classroom training. This training includes DOT Safety Rules and Regulations, State Regulations and proficiency development in the skills required to obtain the Commercial Driver’s License (CDL/B). Classroom training consists of a DMV Commercial Driver Handbook curriculum to prepare students for the DMV written examination and to obtain the behind the wheel permit.

MONTHLY ACTIVITY REPORTING

1. Each apprentice will be required to submit a record of her/his monthly activity electronically to the Training Coordinator. Each department/agency supervisor of an apprentice will be required to review and approve all monthly activity reports prior to electronic submittal.

2. Careful maintenance of the monthly activity report is important to assure that the apprentice receives the total training required to advance the apprentice to the position of journey person and to assure proper rotation.

ROTATION

Apprentices rotate through all participating host departments in order to ensure equal treatment and training opportunities for all apprentices and apply those conditions uniformly. Rotation of the apprentices through the work processes provided by each shop and department allows unfettered access to the equipment available to train in the various processes of the skilled occupation. It is the responsibility of the apprentice and the training coordinator to make sure that the apprentice is achieving the correct number of hours in each proper work category. Rotations are as follows:

**CREDIT FOR PREVIOUS EXPERIENCE**

**Previous Experience Sub-Committee** – The SF JAC shall develop and uniformly implement a policy detailing the process through which previous experience is uniformly evaluated and credit awarded for advanced standing of a new apprentice in either or both on-the-job (OJT) and related training (RSI). The Previous Experience Sub-Committee is made up of persons from the SF JAC Committee. The sub-committee meets four (4) times per year (February, April, August and November) on the second Wednesday of the month, before the regularly scheduled SF JAC meeting. If you would like to address the committee regarding previous experience, you must submit a written request or before the first Thursday of the month, in which the sub-committee meets, to the committee through the ApprenticeshipSF project manager. Previous experience consists of hours that you worked, or schooling that you obtained before your indenture date. You will need to include the following information on or with your written request:

- apprentice name, address and phone number
- identify that you would like previous experience and/or schooling evaluated
- attach any supporting documentation
  - College or Adult School transcripts
  - A letter from the former employer(s) on company letterhead bearing the owner or authorized signing official for the company’s signature. This letter must document the amount of legal time worked for the employer and detail the type of work done including the amount of time spent in each work process category
- signature and date
Credit Allowed - The previous classroom hours credited and the work processes allowed will be at the discretion of the SF JAC. No time will be considered for credit if it is obtained prior to five years from the indenture date of the apprentice. The previous experience committee will not grant more than 2,000 hours of previous work process experience nor more than 488 classroom credit hours.

Six-Year Completion Rule

Any apprentice who does not complete this 41/2 or 5-year apprenticeship and training program within 6-years of his/her indenture date will be terminated from the AUTOMOTIVE AND MAINTENANCE MACHINIST APPRENTICESHIP PROGRAM for failure to progress if enough work process hours have not yet been obtained or if they have not yet passed their RSI or required certifications. If the apprentice has attempted to take the certification exam and was unsuccessful in passing, he/she you will be expected to take the test(s) on a monthly basis as appropriate until he/she passes at which time, he/she will be completed from the apprenticeship program.

The committee will consider extenuating circumstances such as documented medical leaves, documented personal injury, military deployment, etc. before making the decision to terminate or complete the apprentice.

SIDE LETTER

REDUCTION IN PAY

By mutual agreement between the SFMTA and Union, in lieu of an unpaid suspension, the parties may agree to a temporary reduction in pay by reducing an employee’s pay by 5%. The duration of such pay reduction shall correspond to the length of the suspension that would have otherwise been served.
SIDE LETTER ON RETURN-TO-WORK PROCESS

The parties are mutually interested in exploring the current Return to Work Process to analyze and discuss if delays exist in returning employees to work, the cause of those delays, and what steps can be taken to minimize the same. The parties recognize there are many complexities involved in the return to work process, potentially including compliance with the City's Charter and Civil Service Rules, requirements imposed upon the SFMTA by the Federal Transportation Agency, the Department of Transportation, as well as compliance with State and Federal law.

At the Union's request, the parties will convene a working group, no later than October 31, 2024, regarding proposed changes to the Return to Work Process, with the goal of providing a joint recommendation to the SFMTA.

The working group shall be comprised of (3) voting members from the Union, and three (3) voting members from the SFMTA, one of whom will be the Director of Human Resources. The parties shall each appoint a co-chair, who shall be responsible for facilitating and planning meetings.

If, by June 30, 2025, the working group has not reached a majority recommendation (at least four [4] votes), it shall be empowered to engage the California State Mediation and Conciliation Service. The parties shall share the cost equally of engaging a mediator (if any).

If a majority of the working group makes a recommendation to the SFMTA regarding reforms to the return to work process, and the SFMTA rejects that recommendation, the parties agree to submit the issue to a mediation/arbitration board convened in accordance with the procedures set forth in City Charter Sections A8.409-4 and 8A.104(n), subject to the limitations therein.
