I.G. DUES DEDUCTION

1. Authorization for Payroll Deductions

19. The Union shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees’ pay according to the Controller’s “Union Deductions Procedure” (“Procedure”), which the Controller may amend from time to time with reasonable notice to the Union. “Contributions” as used in this Section I.G. means Union membership dues, initiation fees, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Union.

20. The City shall deduct Contributions from a represented employee’s pay upon submission by the Union of a request, in accordance with the Procedure. The Procedure shall include, and the Union must provide with each request, a certification by an authorized representative of the Union, confirming that for each employee for whom the Union has requested deduction of Contributions, the Union has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the

certification is not properly completed or submitted with the request, the City shall notify the Union, and make the requested deduction changes only upon receipt of a proper certification.

21. The Procedure is the exclusive method for the Union to request the City to initiate, change, or cancel deductions for Contributions.

22. The City shall implement new, changed, or cancelled deductions the pay period following the receipt of a request from the Union, but only if the Union submits the request by noon on the last Friday of a pay period. If the Controller’s Office receives the request after that time, the City will implement the changes in two following pay periods.

23. If an employee asks the City to deduct Contributions, the City shall direct the employee to the Union to obtain the Union authorization form. 24. Except as otherwise provided in this subsection 1, each pay period, the City shall remit Contributions to the Union, after deducting the fee under San Francisco Administrative Code Section 16.92. In addition, the City will make available to the Union a database that includes the following information for each represented employee: name; DSW number; classification; department; work location; work, home, and personal cellular telephone number; personal email address if on file with the City; home address; and any Contributions amount deducted.

25. Except as otherwise provided in this subsection 1, the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Union in accordance with the Procedure, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.

26. With the exception of paragraph 23 above, the Union is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee’s revocation of an authorization, and the City shall rely solely on information provided by the Union on such matters. 2. Indemnification

27. The Union shall indemnify, hold harmless, and defend the City against any claim,
including but not limited to any civil or administrative action, and any expense and liability of any kind, including but not limited to reasonable attorney’s fees, legal costs, settlements, or judgments, arising from or related to the City’s compliance with this Section I.G. The Union shall be responsible for the defense of any claim within this indemnification provision, subject to the following: (i) the City shall promptly give written notice of any claim to the Union; (ii) the City shall provide any assistance that the Union may reasonably request for the defense of the claim; and (iii) the Union has the right to control the defense or settlement of the claim; provided, however, that the City shall have the right to participate in, but not control, any litigation for which indemnification is sought with counsel of its own choosing, at its own expense; and provided further that the Union may not settle or otherwise resolve any claim or action in a way that obligates the City in any manner, including but not limited to paying any amounts in settlement, taking or omitting to take any actions, agreeing to any policy change on the part of the City, or agreeing to any injunctive relief or consent decree being entered against the City, without the consent of the City. This duty to indemnify, hold harmless, and defend shall not apply to actions related to compliance with this Section I.G. brought by the Union against the City. This subsection 2 shall not apply to any claim against the City where the City failed to process a timely, properly completed request to change or cancel a Contributions deduction, as provided in subsection 1.

28. Upon written request by the Union, not more than once annually, the SFMTA agrees to provide to the Union, gender information by job classification to the extent the City has such data and consistent with the City’s de-identification policies.

I.H. GRIEVANCE PROCEDURE

29. Any disputes arising between the Union and the SFMTA involving interpretation, application, and/or compliance with the terms and conditions contained in this agreement shall be resolved in accordance with procedures set out herein. Grievances must state:

   a. The basis;

   b. The section(s) of the contract which the union believes has been violated; and

   c. The remedy sought without prejudice to subsequent amendments.

30. Disciplinary suspension and/or discharge grievances may be filed only by the Union, and shall be filed in writing with the management official designated within twenty one (21) calendar days of formal written notice to the Union of the proposed discipline or discharge.

31. Contract grievances not involving suspension or discharge, may be filed at either Step 3 or Step 4 as appropriate within forty (40) calendar days of the date of the events giving rise to the grievance, or within forty (40) calendar days of the date the City/Union should reasonably have knowledge of the events giving rise to the grievance.

32. Time limits contained herein are procedural in nature and may be mutually waived by the parties.
Procedural Steps

33. **Step 1:** An employee having a grievance other than one involving disciplinary suspension or discharge, may first discuss it with the employee’s immediate supervisor and try to work out a satisfactory solution in an informal manner. Resolution of any grievance at this step without the formal intervention of the Union or the SFMTA Human Resources Director shall not impair the position of either the Union or the SFMTA Human Resources Director in any subsequent dispute between the SFMTA and the Union which advances beyond this step.

34. **Step 2:** Any grievance not satisfactorily resolved at Step 1, shall be reduced to writing and moved to the designated management official within twenty one (21) calendar days. In the event that the Union and the designated management official are unable to resolve the dispute within twenty one (21) calendar days, either party may move the dispute to Step 3.

35. **Step 3:** All grievances involving disciplinary suspension or discharge and any grievance not satisfactorily resolved at Step 2 shall be moved in writing to the Appointing Officer or Designee for resolution within twenty one (21) calendar days. The Step 3 grievance shall contain a specific description of the basis for the grievance, the resolution desired, and specific reasons for rejecting the lower step response and advancing the grievance to the next step. The Appointing Officer or Designee shall either resolve the grievance or issue a decision within twenty one (21) calendar days of receipt to the grievance. The union shall make best efforts to include copies of all earlier correspondence (i.e. earlier grievance submissions and responses), materials, and evidence submitted at the earlier Steps of the Grievance Procedure.

36. **Step 4:** **Arbitration**

If the decision of the Appointing Officer or designee is unsatisfactory to the Union, only the Union may file a written appeal to arbitrate. The Union must file a written appeal to arbitrate within thirty (30) calendar days from receipt of the Step 3 response by submitting a request for arbitration to the SFMTA Human Resources Director. The SFMTA Human Resources Director shall issue a letter referring the Union to the City Attorney’s Office. The Union shall contact the City Attorney’s Office by letter, copied to the SFMTA Human Resources Director, via US mail, within thirty (30) days of the date of the SFMTA’s Human Resources Director’s letter referring the Union to the City Attorney’s Office. If the Union fails to contact the City Attorney’s Office within thirty (30) calendar days of that letter, the grievance is deemed withdrawn, unless the parties agree to an extension.

37. The SFMTA shall provide a list of Designated Management Officials and Appointing Officers, and if applicable, their designees, with their contact information.
Selection of the Arbitrator

38. When a matter is appealed to arbitration the parties shall first attempt to mutually agree on an arbitrator. In the event no agreement is reached within seven (7) calendar days, the arbitrator shall be selected from a panel obtained through the State Mediation and Conciliation Service.

39. The parties shall make every effort to select a mutually agreeable arbitrator and schedule a hearing date within thirty (30) calendar days. In the event the parties fail to agree, the arbitrator may be selected by alternately striking from the list supplied by the State Mediation and Conciliation Service.

40. The decision of the arbitrator shall be final and binding on all parties; however, the arbitrator shall have no authority to add to, subtract from, or modify the terms of this agreement.

41. The costs of the arbitrator, and any court reporter and arbitration transcript, shall be split between the parties. Costs of the parties’ transcripts and representation shall be borne by each party.

Expedited Arbitration

42. By mutual agreement, the parties may utilize the following procedures:

43. Grievances of disciplinary suspensions of not greater than fifteen (15) days, and grievances of contract interpretation where the remedy requested would not require approval by the SFMTA Board and/or Board of Supervisors may be resolved through an expedited arbitration process.

44. The expedited arbitration shall be conducted before an arbitrator, to be mutually selected by the parties, and who shall serve until the parties agree to remove the arbitrator or for twelve months, whichever comes first. A standing expedited arbitration schedule will be established for this process. The parties agree not to utilize court reporters or electronic transcription. The parties further agree not to utilize post-hearing briefs.

45. Each party shall bear its own expenses in connection therewith. All fees and expenses of the arbitrator shall be borne and paid in full and shared equally by the parties.

46. In the event that an expedited arbitration hearing is canceled resulting in a cancellation fee, the party initiating the request or causing the cancellation shall bear the full cost of the cancellation fee, unless a mutually agreed upon alternative is established.

47. By mutual agreement, the parties may utilize the following procedures: termination appeals will be filed directly at Step Three. The parties may mutually agree to use the expedited arbitration process noted below in lieu of regular arbitration.

48. The parties agree to use their best efforts to schedule arbitration hearings for termination
ARTICLE I - REPRESENTATION

grievances within ninety (90) calendar days of the appeal to arbitration.

52. By Mutual Agreement between SFMTA and the Union, in lieu of an unpaid suspension, the parties may agree to a temporary reduction in pay reducing an employee’s pay by 5%. The duration of such pay reduction shall correspond to the length of the suspension that would have otherwise been served.

c. Union Representation

53. No interview, investigatory or otherwise, which may reasonably lead to discipline may be conducted with any permanent non-probationary employee, or any provisional employee who has served the equivalent of a probationary period, who requests the presence of a steward and/or other Union representative at such interview. Management shall have an affirmative duty to advise an employee prior to conducting such an interview of the employee’s right to Union representation at such interview. If such request is made, reasonable time will be given to the Union Representative to be present at the interview.

d. “Skelly” Rights

54. Any permanent non-probationary employee or any provisional employee who has served the equivalent of a probationary period subject to discipline or discharge shall be entitled, prior to the imposition of discipline or discharge, to a hearing and to the following:

56. The reasons for the proposed action; and

58. The employee shall be notified in writing of the decision. The employee’s representative shall receive a copy of this decision.

59. No discipline involving suspension, temporary reduction in pay, or discharge may be implemented unless the Union receives notice in writing of such proposed action at least nine (9) calendar days in advance of the date such proposed discipline is to take effect. Such notice shall state the date the proposed action is to take effect.

e. Initiation of Discipline

60. SFMTA shall initiate discipline no later than forty (40) calendar days after SFMTA has knowledge of the event, conduct, or occurrence on which the discipline is based. This timeline shall be extended in cases involving any of the following:

(1) investigations of multiple employees;
(2) law enforcement response or reports;
(3) temporary unavailability of a witness;
(4) language barriers;
(5) accidents subject to determination by the TSP (Transit Safety Professional);
(6) EEO matters;
(7) investigations conducted by non-SFMTA personnel;
(8) any other case in which SFMTA and the Union mutually agree.

266. SFMTA shall retain the right between posting periods to change an employee’s shift temporarily (not to exceed an aggregate of six (6) weeks unless mutually agreed upon between the employee and SFMTA) for training purposes or on account of unexpected operational demands. - When special skills or experience are required.
- When overtime is worked in connection with a special project, overtime for that project may be restricted to the complement of employees assigned to that project.
- When unexpected but immediate coverage is required, or when overtime is necessary in order to complete a job. In such cases Management may continue persons assigned to the shift to work to completion.
- An employee who is on holiday, vacation, or any other kind or leave, serving a suspension, or is on “lieu” day, and whose name comes up in the OT rotation, may be bypassed and shall be considered to have taken a turn.

283. In the event persons have been assigned overtime out of rotation based upon an agreed upon exception, such exception shall be recorded in the overtime log.

284. In the event Management is unable to fill an overtime assignment by offering same to persons on the rotation list, Management may assign the rejected overtime by inverse seniority subject to exceptions listed above.

OVERTIME DISTRIBUTION – BUILDING AND GROUNDS:

285. Overtime assigned at discretion of the supervisor.

OVERTIME DISTRIBUTION – OVERHEAD LINES

Scheduled overtime:

286. A list of eligible employees, by seniority shall be generated each fiscal year. Scheduled overtime shall be initially offered by going down the seniority list. A refusal of scheduled overtime counts as "accrued scheduled overtime hours" for the purpose of scheduled overtime distribution. After seniority list has been gone through once, scheduled overtime is, thereafter, offered to employees with the least number of "accrued scheduled overtime hours." Scheduled overtime is generally voluntary; however, if there are no volunteers, scheduled overtime is assigned by reverse seniority.

287. Scheduled overtime is a result of instances when scheduled absences or other scheduled jobs are necessary to be performed in addition to the regular work week/work day.

288. SFMTA shall post scheduled overtime assignments weekly on the bulletin board, including all known assignments in future weeks. When additional overtime assignments become available, the SFMTA shall make reasonable efforts to update the posted overtime availability within 24 hours, or as soon thereafter as possible. The SFMTA shall grant one overtime assignment to the employee with the lowest number of “accrued number of overtime hours” on each shift, until all eligible employees have selected an overtime assignment. If an employee does not accept an overtime assignment, SFMTA will note that decision as an eight (8)-hour “refusal” regardless of the amount of overtime available. Once the SFMTA has notified each employee on the list once, SFMTA shall grant each employee a second available overtime assignment in the same order until all
assignments are filled. If available assignments remain unfilled, SFMTA shall continue this procedure until all available assignments are filled. For each round, the SFMTA will designate an employee’s decision not to accept an overtime assignment as a “refusal.” SFMTA will skip employees who do not respond to SFMTA phone calls. In this situation, SFMTA shall not designate the failure to reach the employee as a “refusal”.

289. Employees may not volunteer for more than one (1) eight-hour scheduled overtime shift per 24 hour period without the approval of the employee’s supervisor.

Unscheduled overtime:

290. A list of eligible employees, by seniority, shall be generated each fiscal year. Unscheduled overtime shall be initially offered by going down the seniority list. A refusal of unscheduled overtime counts as “accrued unscheduled overtime hours” for the purpose of unscheduled overtime distribution. After the seniority list has been gone through once, unscheduled overtime is, thereafter, offered to employees with the least number of “accrued” unscheduled overtime hours. Unscheduled overtime is generally voluntary; however, if there are no volunteers, unscheduled overtime is assigned by reverse seniority.

291. Unscheduled overtime is a result of instances when immediate coverage is required, such as, fill behind of unscheduled vacations, unscheduled floating holidays, sick leave use and other emergency holdovers.

292. SFMTA shall maintain an overtime log tracking both scheduled and unscheduled overtime, which shall list:

   a. Each employee by name;
   b. Date asked to fill a regular overtime assignment/response;
   c. Date worked and hours worked; and
   d. Any hours documented as refusals.

293. SFMTA shall post the overtime log for the prior two weeks on the bulletin board and update it each payday. Upon request, the overhead line shop shall provide the list to the Union.

**HOLIDAY OVERTIME – OVERHEAD LINES**

294. Holiday overtime is not voluntary. Holiday overtime is assigned on a rotation basis through the seniority list. In the event holiday overtime cannot be worked by an employee assigned, the employee must trade or gift the assignment to another employee. If the holiday overtime assignment is not covered, the employee responsible to cover the assignment is penalized by losing the opportunity to work the next two (2) holiday overtime assignments. Holiday overtime hours do not count as "accrued hours" for the purposes of determining offers of overtime.

The vacation bid period shall be for 12 consecutive months and shall begin thirty days after the end of the sign-up period.

307. Employees within a given bid unit shall bid for and be awarded vacation in accordance with City seniority as defined in the SFMTA CBA between SFMTA and IBEW Local 6; provided however that vacation subject to this provision shall be bid for at least 5 consecutive work days and shall not exceed 4 consecutive work weeks. Management reserves the right to make changes after the close of the bid period to meet emergency situations or major operational demands unforeseen during the sign-up period. In such cases the Union shall be notified either before the change or as soon as possible.

308. Management shall determine the conditions under which the schedule is established prior to its posting and shall submit these conditions to the Union at least fourteen days prior to the beginning of the posting period in order to allow the Union to meet and consult with Management over any concerns. While Management may not arbitrarily disregard Union suggestions, the final schedule and its accompanying conditions are not subject to the grievance procedure. Once such schedule and conditions are posted, they shall remain in effect unless Management proposes changes to them at which time the Union shall be notified.

309. The final vacation schedule shall be available to all unit members. Employees not bidding during the thirty-day period may schedule vacation on a first come, first served basis, subject to the approval of Management.

310. An employee who voluntarily changes units during the vacation year may lose the employee’s vacation preference during that year if Management deems such preference or a portion thereof to impede efficient operations. Such employee may take vacation subject to the approval of management.

311. An employee who involuntarily changes units during the year shall maintain the
employee’s vacation preference regardless of any conflict which may result unless the employee’s voluntarily changes any period of the employee’s vacation at the request of Management.

312. Nothing herein shall preclude Management and an employee from mutually agreeing to vacation periods of less than five (5) days, providing such agreement does not prejudice the right of employees who have bid in conformity with those procedures.

III.G. HOLIDAYS AND HOLIDAY PAY

313. A holiday is calculated based on an eight-hour day. The following days are designated as holidays:

- January 1 (New Year's Day)

- the third Monday in February (President's Day)
- the last Monday in May (Memorial Day)

315. In addition, any day declared to be a holiday by proclamation of the Mayor after such day has heretofore been declared a holiday by the Governor of the State of California or the President of the United States is a holiday.

HOLIDAYS THAT FALL ON A SATURDAY

316. For those employees assigned to a work week of Monday through Friday, and in the event a legal holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided, however, that except where the Governor declares that such preceding Friday shall be a legal holiday, each department head shall make provision for the staffing of public offices under the department head’s jurisdiction on such preceding Friday so that said public offices may serve the public as provided in Administrative Code Section 16.4. Those employees who work on a Friday that is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off in lieu thereof as scheduled by the appointing officer in the current or next fiscal year.
HOLIDAY COMPENSATION FOR TIME WORKED

317. Employees required by their respective appointing officers to work on any of the above designated or observed holidays, excepting Fridays observed as holidays in lieu of holidays falling on Saturday, shall be paid extra compensation of one additional day's pay at time-and-one-half the usual rate (i.e., 12 hours pay for 8 hours worked) or a proportionate amount for less than 8 hours worked. At the employee's request and with the approval of the appointing officer, an employee may be granted compensatory time off in lieu of paid overtime pursuant to the provisions herein.

318. Executive, administrative and professional employees designated in the Annual Salary Ordinance with the "Z" symbol shall not receive extra compensation for holiday work but may be granted time off equivalent to the time worked at the rate of one-and-one-half times for work on the holiday.

HOLIDAYS FOR EMPLOYEES ON WORK SCHEDULES OTHER THAN MONDAY THRU FRIDAY

319. Employees assigned to seven-day operation departments or employees working a five-day work week other than Monday through Friday shall be allowed another day off if a holiday falls on one of their regularly scheduled days off. Employees whose holidays are changed because of shift rotations shall be allowed another day off if a legal holiday falls on one of their days off. These paid days off accrued in lieu of holidays may be carried over to the next fiscal year. Employees regularly scheduled to work on a holiday which falls on a Saturday or Sunday shall observe the holiday on the day it occurs, or if required to work, shall receive holiday compensation for work on that day. Holiday compensation shall not be paid for work on the Friday preceding a Saturday holiday nor on the Monday following a Sunday holiday.

320. If the provisions of this Section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, the employee shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate supervisor with the approval of the appointing officer. In no event shall the provisions of this Section result in such employee receiving more or less holiday entitlement than an employee on a Monday thru Friday work schedule.

HOLIDAY PAY FOR EMPLOYEES LAID OFF

321. An employee who is laid off at the close of business the day before a holiday who has worked not less than five previous consecutive work days shall be paid for the holiday.

EMPLOYEES NOT ELIGIBLE FOR HOLIDAY COMPENSATION

322. Persons employed for holiday work only, or persons employed on a part-time work schedule which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an intermittent part-time work schedule (not regularly scheduled), or persons working on an "as-needed" basis and work on a designated legal holiday shall be...
compensated at the normal overtime rate of time-and-one-half the basic hourly rate, if the employee worked forty (40) hours in the pay period in which the holiday falls. Said employees shall not receive holiday compensation.

PART-TIME EMPLOYEES ELIGIBLE FOR HOLIDAYS

323. Part-time employees, including employees on a reduced work week schedule, who regularly work a minimum of twenty (20) hours in a bi-weekly pay period shall be entitled to holidays as provided herein on a proportionate basis.

324. Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-weekly pay period, therefore, part-time employees, as defined in the immediately preceding paragraph, shall receive holiday based upon the ratio of 1/10 of the total number of hours the employee is regularly scheduled to work in a bi-weekly pay period. The computation of holiday time off shall be rounded to the nearest hour.

325. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appointing officer.

FLOATING HOLIDAYS

326. Covered employees are granted five (5) floating holidays in each fiscal year to be taken on days selected by the employee subject to prior scheduling approval of the Appointing Officer or designee. Floating holidays may be taken in hourly increments up to and including the number of hours contained in the employee’s regular shift. Employees (both full-time and part-time) must complete six (6) months continuous service to establish initial eligibility for the floating holidays. Employees hired on an as-needed, intermittent or seasonal basis shall not receive the additional floating holidays. Employees may carry over to a succeeding fiscal year any unused floating holidays, provided that the number of floating holidays an employee may carry forward shall not exceed the total number of floating holidays received in the prior fiscal year and the employee’s total floating holiday balance at any time shall not exceed ten (10) floating holidays. No compensation of any kind shall be earned or granted for floating holidays not taken.

FLOATING HOLIDAY PAY FOR EMPLOYEES WHO SEPARATE

327. Employees who have established initial eligibility for floating holidays and who subsequently separate from SFMTA employment may, at the sole discretion of the appointing authority, be granted those floating holiday(s) to which the separating employee was eligible and had not yet taken.

III.H. TIME OFF FOR VOTING

328. If an employee does not have sufficient time to vote outside of working hours, the employee may request so much time off as will allow time to vote, in accordance with the State Election Code.
III.I. **VOLUNTEER/PARENTAL RELEASE TIME**

329. Represented employees shall be granted paid release time to attend parent teacher conferences of up to four (4) hours per fiscal year (for children in kindergarten or grades 1 to 12).

330. In addition, an employee who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or grades 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. The employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

III.J. **SALARY STEP PLAN AND SALARY ADJUSTMENTS**

331. Appointments to positions in the SFMTA shall be at the entrance rate established for the position except as otherwise provided herein.

**PROMOTIVE APPOINTMENT IN A HIGHER CLASS**

332. An employee following completion of six months of continuous service who is appointed to a position in a higher classification deemed to be promotive by the SFMTA Human Resources Director shall have the employee’s salary adjusted to that step in the promotive class as follows:

333. a. If the employee is receiving a salary in the employee’s present classification equal to or above the entrance step of the promotive class, the employee's salary in the promotive class shall be adjusted to two steps in the compensation schedule over the salary received in the lower class but not above the maximum of the salary range of the promotive classification.

334. b. If the employee is receiving a salary in the employee’s present classification which is less than the entrance step of the salary range of the promotive classification, the employee shall receive a salary step in the promotive class which is closest to an adjustment of 7.5% above the salary received in the class from which promoted. The proper step shall be determined by the bi-weekly compensation schedule and shall not be above the maximum of the salary range of the promotive class.

335. c. For purpose of this Section, appointment to a position with a higher salary schedule shall be deemed promotive.

**NON-PROMOTIVE APPOINTMENT**

336. An employee following completion of six months of continuous service who accepts a non-promotive appointment in a classification having the same salary schedule, or a lower
salary schedule, the appointee shall enter the new position at that salary step which is the
same as that received in the prior appointment, or if the salary steps do not match, then the
salary step which is immediately in excess of that received in the prior appointment,
provided that such salary shall not exceed the maximum of the salary schedule. Further
increments shall be based upon the seniority increment anniversary date in the prior
appointment.

APPOINTMENT ABOVE ENTRANCE RATE

337. Subject to the Controller’s certification of available funds, and verification of eligibility
pursuant to a, b, c or d below, as established by the SFMTA Department of Human
Resources, appointments may be made by an Appointing Officer at any step in the
compensation grade under any of the following conditions:

338. a. A former permanent City employee, following resignation with service
satisfactory, is being re-appointed to a permanent position in the appointee’s
former classification.

339. b. Loss of compensation would result if appointee accepts position at the normal
step.

340. c. A severe, easily demonstrated and documented recruiting and retention problem
exists.

341. d. The appointee possesses special experience, qualifications and/or skills which, in
the Appointing Officer’s opinion, warrant appointment above the entrance rate.

REAPPOINTMENT WITHIN SIX MONTHS

342. A permanent employee who resigns and is subsequently reappointed to a position in the
same classification within six (6) months of the effective date of resignation shall be
reappointed to the same salary step that the employee received at the time of resignation.

COMPENSATION ADJUSTMENTS

Prior Fiscal Year

343. When an employee promoted to a higher class during a prior fiscal year receives a lesser
salary than if promoted in the same class and from the same schedule step during the current
fiscal year the employee’s salary shall be adjusted on July 1, to the rate the employee would
have received had the employee been promoted in the current fiscal year.

344. SFMTA Department of Human Resources is hereby authorized to adjust the salary and
anniversary increment date of any employee promoted from one class to a higher
classification who would receive a lesser salary than an employee promoted at a later date to
the same classification from the same salary step in the same base class from which the
promotional examination was held.
-Salary Increase in Next Lower Rank

345. When a classification that was formerly a next lower rank in a regular civil service promotional examination receives a salary schedule higher than the salary schedule of the classification to which it was formerly promotive, SFMTA Department of Human Resources shall authorize a rate of pay to an employee who was promoted from such lower class equivalent to the salary the employee would have received had the employee remained in such lower class, provided that such employee must file with SFMTA Department of Human Resources an approved request for reinstatement in accordance with the provisions of the Civil Service Commission rule governing reinstatements to the first vacancy in the employee former classification, and provided further that the increased payment shall be discontinued if the employee waives an offer to promotion from the employee’s current classification or refuses an exempt appointment to a higher classification. This provision shall not apply to offers of appointment which would involve a change of residence.

346. The special rate of pay herein provided shall be discontinued if the employee fails to file and compete in any promotional examination for which the employee is otherwise qualified, and which has a compensation schedule higher than the protected salary of the employee.

Flat Rate Converted to Salary Range

347. An employee serving in a class in the prior fiscal year at a flat rate which is changed to a compensation schedule number during the current fiscal year, shall be paid on the effective date of such change the step in the current salary schedule closest to, but not below, the prior flat rate and shall retain the original anniversary date for future increments, when applicable.

COMPENSATION UPON TRANSFER OR RE-EMPLOYMENT

Transfer

348. An employee transferred in accordance with Civil Service Commission rules from one Department to another, but in the same classification, shall transfer at the employee’s current salary, and if the employee is not at the maximum salary for the class, further increments shall be allowed following the completion of the required service based upon the seniority increment anniversary date in the former Department.

Reemployment in Same Class Following Layoff

349. An employee who has acquired permanent status in a position and who is laid off because of lack of work or funds and is re-employed in the same class after such layoff shall be paid the salary step attained prior to layoff.

Reemployment in an Intermediate Class

350. An employee who has completed the probationary period in a promotive appointment that
is two or more steps higher in an occupational series than the permanent position from which promoted and who is subsequently laid off and returned to a position in an intermediate ranking classification shall receive a salary based upon actual permanent service in the higher classification, unless such salary is less than the employee would have been entitled to if promoted directly to the intermediate classification. Further increments shall be based upon the increment anniversary date that would have applied in the higher classification.

Reemployment in a Formerly Held Class

351. An employee who has completed the probationary period in an entrance appointment who is laid off and is returned to a classification formerly held on a permanent basis shall receive a salary based upon the original appointment date in the classification to which the employee is returned. An employee who is returned to a classification not formerly held on a permanent basis shall receive a salary in accordance with this agreement.

III.K. METHODS OF CALCULATION

BI-WEEKLY

352. An employee whose compensation is fixed on a bi-weekly basis shall be paid the bi-weekly salary for the employee’s position for work performed during the bi-weekly payroll period. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

PER DIEM OR HOURLY

353. An employee whose compensation is fixed on a per diem or hourly basis shall be paid the daily or hourly rate for work performed during the bi-weekly payroll period on a bi-weekly pay schedule. There shall be no compensation for time not worked unless such time off is authorized time off with pay.

III.L. SENIORITY INCREMENTS

ENTRY AT THE FIRST STEP

354. Full-time employees entering at the first step shall advance to the second step upon completion of six months service and to each successive step upon completion of the one year required service.

ENTRY AT OTHER THAN THE FIRST STEP - EXCEPT FOR EMPLOYEES ENTERING AT TOP STEP

355. Employees who enter a classification at a rate of pay at other than the first step shall advance one step upon completion of the one year required service. Further increments shall accrue following completion of the required service at this step and at each successive step.
ARTICLE III – PAY, HOURS AND BENEFITS

DATE INCREMENT DUE

356. Increments shall accrue and become due and payable on the next day following completion of required service as a full-time employee in the class, unless otherwise provided herein.

EXCEPTIONS

357. a. An employee shall not receive a salary adjustment based upon service as herein provided if the employee has been absent by reason of suspension or on any type of leave without pay (excluding a military, educational, or industrial accident leave) for more than one-sixth of the required service in the anniversary year, provided that such employee shall receive a salary increment when the aggregate time worked since the employee’s previous increment equals or exceeds the service required for the increment, and such increment date shall be the employee’s new anniversary date; provided that time spent on approved military leave or in an appointive or promotive position shall be counted as actual service when calculating salary increment due dates.

358. b. When records of service required for advancement in the step increments within a compensation schedule are established and maintained by electronic data processing, then the following shall apply:

359. (1) An employee shall be compensated at the beginning step of the compensation salary plan unless otherwise specifically provided for in this Agreement. Employees shall receive salary adjustments through the steps of the compensation schedule plan by completion of actual paid service in total scheduled hours equivalent to one year or six months, whichever is applicable.

360. (2) Paid service for this purpose is herein defined as exclusive of any type of overtime but shall include military or educational leave without pay.

361. (3) Advancement through the increment steps of the compensation schedules shall accrue and become due and payable on the next day following completion of required service as a full-time appointee in the class; provided that the above procedure for advancement to the compensation schedule increment steps is modified as follows:

362. (a) An employee who during that portion of the employee’s anniversary year is absent without pay for a period less than one-sixth of the time required to earn the next increment will have such absence credited as if it were paid service for the purposes of calculating the date of the increment due during the calendar year.

363. (b) An employee who during that portion of the employee’s anniversary year is absent without pay for a period in excess of one-sixth of the time required to earn the next prior increment will be credited with actual paid service.
ARTICLE III – PAY, HOURS AND BENEFITS

364. (4) An employee who (1) has completed probation in a permanent position, (2) is "LaidOff" from said position, (3) is immediately and continuously employed in another classification with the SFMTA either permanent or temporary, and (4) is thereafter employed in the employee’s permanent position without a break in service, shall, for the purposes of determining salary increments, receive credit for the time served while laid off from the employee’s permanent position.

III.M. SICK LEAVE WITH PAY LIMITATION

365. An employee who is absent because of disability leave and who is receiving disability indemnity payments may request that the amount of disability indemnity payment be supplemented with salary to be charged against the employee's sick leave with pay credits so as to equal the amount the employee would have earned for a regular work schedule. If the employee wishes to exercise this option, the employee must submit a signed statement to the department no later than thirty (30) days following the employee's release from disability leave.

366. Pursuant to Civil Service Rule 420.23, an employee returning from disability leave will accrue sick leave and/or supplement disability credits as defined by CSC Rule 420.23.

III.N. STATE DISABILITY INSURANCE (“SDI”)

367. Employees covered by this Agreement shall be enrolled in the State Disability Insurance (“SDI”) program.

368. The payment of sick leave pursuant to Rule 420 of the Civil Service Commission shall not affect and shall be supplementary to payments from State Disability Insurance. An employee entitled to SDI shall receive in addition thereto such portion of the employee’s accumulated sick leave with pay as will equal, but not exceed, the regular biweekly gross earnings of the employee, including any regularly paid premiums. Such supplementary payments shall continue for the duration of the employee's illness or disability or until sick leave with pay credited to the employee is exhausted, whichever occurs first.

III.O. WORKERS COMPENSATION

369. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee’s paid leave credits including vacation, sick leave balance, or other paid leave as available.

III.P. HEALTH BENEFIT CONTRIBUTIONS

370. Effective January 1, 2014, for “medically single employees” (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the “medically single employee” (Employee Only) premium; provided, however, that the City’s premium contribution for “medically single employees” (Employee Only) will
not fall below the lesser of the "average contribution" as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2) or the “medically single employees” (Employee Only) premium.

Effective January 1, 2015, the contribution model for employee health insurance premiums will be based on the SFMTA’s contribution of a percentage of those premiums and the employee’s payment of the balance (Percentage-Based Contribution Model), as described below:

a. Employee Only:

For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System (“HSS”), the SFMTA shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the SFMTA’s contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

b. Employee Plus One:

For employees with one dependent who elect to enroll in any health plan offered through the HSS, the SFMTA shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the SFMTA’s contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

c. Employee Plus Two or More:

For employees with two or more dependents who elect to enroll in any health plan offered through the HSS, the SFMTA shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the SFMTA’s contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

d. Contribution Cap

In the event HSS eliminates access to the current highest cost plan for active employees, the City’s contribution under this agreement for the remaining two plans shall not be affected.

e. Average Contribution Amount

For purposes of this Agreement, to ensure that all employees enrolled in health insurance through the City’s HSS are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City’s health insurance premium contribution under the Percentage-Based Contribution Model is less than the “average contribution,” as established under Charter section A8.428(b), then, in addition to the
ARTICLE III – PAY, HOURS AND BENEFITS

City’s contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual “average contribution.” The parties intend that the City’s contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

f. Medically Single Employees Outside of Health Coverage Areas

The provisions in paragraph 371 above shall not apply to “medically single employees” (Employee Only) who are permanently assigned by the City to work in areas outside of the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such “medically single employees” (Employee Only), the City shall continue to contribute one hundred (100%) of the premium for the employees’ own health care benefit coverage.

DENTAL COVERAGE

372. Each employee covered by this agreement shall be eligible to participate in the City's dental program.

373. supervisor and the Department’s safety committee and/or safety officer. The safety officer shall promptly investigate the complaint. While the employee is awaiting the arrival of the safety officer, and until the officer has made the safety officer’s determination, the employee shall not be required to perform the disputed assignment and shall be assigned other work.

438. If the safety officer determines that the complaint is valid, the safety officer’s determination, including recommendations regarding abatement procedures or employee reassignments, shall immediately be submitted to the departmental management for resolution. In the event that there is no concurrence between the employee’s good faith belief that a hazardous or unsafe condition exists, and the safety officer’s determination that such is not the case, the employee shall continue with the assignment.

439. The safety issue, however, would be appealable by the employee. Said appeal would have to be filed with the Appointing Officer, in writing, within 7 calendar days of the safety officer’s determination.

440. The appeal will be processed through an expedited proceeding. The expedited hearing shall be before a Health and Safety expert to be mutually selected by the parties. A hearing on the matter will be scheduled as soon as the Health and Safety expert is available. The parties shall not use briefs. The expert will use every effort to issue a bench recommendation followed by a written decision. Transcription by a certified court reporter shall be taken, but shall be transcribed only at the direction of the health and safety expert.

442. Each party shall bear its own expenses in connection with the Health and Safety expert hearing process. All fees and expenses of the expert and the court reporter and transcript, if any, shall be shared equally by the parties.

Overtime, Shift, Vacation, Holiday Assignments:

Overtime

466. (a) The SFMTA shall generate a list of eligible employees by seniority each fiscal year for overtime purposes. At the beginning of each fiscal year, overtime shall be initially offered by going down the seniority list. After SFMTA has gone through the seniority list once, SFMTA will thereafter offer overtime to the employee with the least number of accrued overtime hours. If that employee refuses the overtime offer, SFMTA will offer overtime to the employee with the next lowest number of accrued overtime hours until all overtime assignments are filled. Refusals of overtime are not counted as accrued overtime hours for the purpose of overtime distribution. If SFMTA reaches the end of the list of employees based on accrued overtime hours before all overtime assignments are filled, then the SFMTA will assign overtime by reverse seniority. SFMTA shall update the list of employees based on number of accrued overtime hours at least once every pay period, indicating the cumulative number of overtime hours worked by each employee for the fiscal year. This list shall be posted on the bulletin board by the following pay day and, upon request, the traffic signal shop shall provide the list to the Union within five (5) working days. Any hours documented as refusals shall be listed for informational purposes only.

467. (b) Scheduled overtime assignments shall be posted bi-weekly on the bulletin board, including all assignments in future weeks. When new work orders come in, or as additional shifts become available, they shall be updated to the posted availability within 24 hours, or as soon as practicable.

468. (c) When unexpected but immediate coverage is required, the SFMTA will first call
the employee(s) assigned to pager assignment. If additional coverage is needed, management shall make reasonable efforts to contact employees utilizing the list. Management shall document the date and time of the attempt to contact employees and shall provide the documentation to the Union upon request within five (5) working days.

469. (d) The parties agree that management has an obligation to make reasonable efforts to provide opportunities for overtime for all employees based on the lowest number of accrued overtime hours. However, the parties recognize that strict adherence to offering overtime to the employee with the lowest number of accrued overtime hours may not be practicable in all circumstances. Therefore, under the following circumstances, the SFMTA may assign overtime based on operational need:

470. (e) When overtime is necessary in order to complete a job, the SFMTA may continue persons assigned to the work until its completion. If the assignment continues past the end of the work day, unless otherwise provided in this Section, the SFMTA shall offer that overtime based on subsection (a) of this Section. If the SFMTA believes an exception is warranted based on extenuating circumstances, it may assign the overtime based on operational need and must notify the Union when this occurs. Provided, however, that if this exception denies any employee an opportunity for overtime based on the provisions of sub-paragraph (a), the parties agree to meet to review the SFMTA’s decision to assign work past the end of an employee’s work day, upon request of either party.

471. (f) The language set forth in subsection (g) below details the exceptions for warranting overtime assignments out of sequence:

472. (g) The parties recognize that strict adherence to offering overtime to the employee with the lowest number of accrued overtime hours may not be practicable in all circumstances. Therefore, under the following circumstances, the SFMTA may assign overtime based on operational need:

473. (i) When overtime is worked in connection with a special project, overtime for that project may be restricted to the complement of employees assigned to that project; provided however, that SFMTA shall notify the Union when this situation occurs. The SFMTA shall make best efforts to provide not less than two weeks advance notice, when feasible. If the terms of this paragraph result in complaints regarding the distribution of overtime opportunities, the parties agree to meet to review such complaints, on a case by case basis, upon request of either party.

474. (ii) When an employee must attend to a work task the next day that cannot be substituted by another employee. In such cases, SFMTA may skip the employee in offering overtime provided, however, that if this exception denies any employee an opportunity for overtime, the parties agree to meet to review the work task assignment, upon request of either party.

475. (iii) When unexpected but immediate coverage is required, and the employee
ARTICLE VI – STREETS DIVISION

476. The parties agree that the procedure set forth in this subsection (g) will not be used to deny overtime opportunities to any employee at Streets Division, and the SFMTA agrees to make reasonable efforts to offer overtime assignments based on provisions of sub-paragraph (a) whenever practicable. At least 24 hours in advance of each meeting of the Union/SFMTA Relations Committee, SFMTA shall provide the Union with data showing the overtime hours worked over the preceding three (3) months by each employee in the shop to confirm compliance with this section.

Vacation:

477. Vacation for covered employees in the Streets Division shall be granted according to the following procedures:

In the course of the 2019 collective bargaining negotiations, the parties exchanged proposals regarding possible changes to the SFMTA’s shift bidding, division transfers, injury bidding, and vacancy bidding practices set forth in Article III.F., Paragraphs 184-242, of the 2014-2019 MOU. (Paragraphs 223-260 of the 2019-2022 MOU).

2. The parties have agreed to commence meet and confer, no later than July 9, 2019 to try and reach agreement on the MOU sections identified above, and shall meet as often as necessary to thoroughly review these issues.

4. Both parties agree to provide all necessary and relevant information to assist the parties to explore these issues.

5. Should the parties fail to reach agreement on the issues noted above by August 17, 2019, any issues which remain unresolved after good faith bargaining pursuant to this Side Letter shall be submitted to a mediation/arbitration board in accordance with the procedures and criteria set forth in Section A8.409-4 and A8.104(n) of the City Charter, with Arbitrator Christopher Burdick, as the neutral Chairperson (or if unavailable, an arbitrator will be selected under Charter Section A8.409-4(b), with the timeline for the selection process triggered upon notice that Arbitrator Burdick is unavailable), except that with respect to A8.409-4(b), the parties shall select and appoint board members not later than August 23, 2019, and the decision of the mediation/arbitration board, if any, shall be issued on or before April 26, 2020. SFMTA NEGOTIATIONS 2018

Date: May 2018

UNION ACCESS TO NEW EMPLOYEES PROGRAM

1. Purpose

The purpose of this agreement is to memorialize the rights and obligations of the San Francisco Municipal Transportation Agency (SFMTA or Agency) and the Union in accordance with CA Government Code Sections 3555-3559, through the creation of a single, Agency-wide Union Access to New Employees Program applicable to all SFMTA Divisions and all SFMTA Service-Critical Employee Unions.

II. Notice and Access

A. The Agency shall provide the Union written notice of, and access to, new employee orientations (hereinafter NEOs) as set forth below. It is the Agency's policy that NEOs are mandatory for all newly-hired employees. It is the Agency's intent that NEOs take place as promptly as possible after the first day of employment. Within thirty (30) calendar days of the start of employment, newly-hired employees will be scheduled to attend the next available NEO. NEOs shall be scheduled during an employee's regularly scheduled, paid time. In the event that a newly-hired employee's regular schedule is outside of a scheduled NEO, the Agency may make a one-time adjustment to the employee's work schedule in order to accommodate this requirement.

In the event an employee does not attend the NEO that the employee was scheduled to attend, said employee will be automatically enrolled to attend the next available NEO. If the employee does not attend the subsequently scheduled NEO, the Union NEO Coordinator may contact the Agency NEO coordinator to arrange a meeting with the employee pursuant to Section E., below.

B. Application: New employees include, but are not limited to, newly-hired employees whose positions are permanent, temporary, full-time, part-time, per diem, seasonal, provisional, or as-needed

C. Notice

1. Single Point of Contact: The Union agrees to provide the Agency with a single point of contact (hereinafter, Union NEO Coordinator) and the Agency agrees to provide the Union with a single point of contact for the Agency (hereinafter, Agency NEO Coordinator), which will be updated by the Agency and the Union on an as-needed basis.
2. **Notice of Schedule:** For any NEO that takes place on a regular, recurring schedule, the Agency shall be responsible for providing annual notice to the Union. For NEOs that are not offered on a regular, recurring schedule, the Agency shall provide no less than ten (10) business days' notice. Said notices shall be provided by email, to the Union NEO Coordinator. This requirement shall apply to all NEOs in which Agency personnel provide newly-hired employees with information regarding employment status, rights, benefits, duties, responsibilities, or any other employment-related matters.

3. **Notice of Enrollment:** Notice shall include a list of new employees represented by the Union scheduled to attend the NEO. If practical, the Agency agrees to provide additional identifying information including, but not limited to, classification and division. Six months from enactment, in the event the Agency is unable to provide classification and division information in the Notice of Enrollment, the Union can reopen this Agreement for the sole purpose of meeting and conferring over the identifying information provided in this Section II.C.3 Notice of Enrollment. Said meeting and conferring shall not foregoing information no less than five (5) business days prior to the NEO taking place. The Agency will make best efforts to notify the Union NEO Coordinator of any last-minute changes. Onboarding of individual employees for administrative purposes is excluded from this notice requirement.

D. **Access and Presentation:** At all NEOs, the Union shall be afforded thirty (30) minutes to meet with represented new employees who are present. The right of the Union to meet with newly-hired employees is limited to only those employees whose classifications fall within the Union's bargaining unit. The Agency shall ensure privacy for the Union's orientation, and it shall take place without Agency representatives present. This requirement can be met by providing either a private room or a portion of a room with sufficient distance from other activities in the room to limit disruption. The Agency shall be responsible for including Union presentations on the agenda. The Union's presentation shall occur prior to any meal break, and will not be conducted during a scheduled break time. One (1) of the Union's representatives may be a Union member designated by the Union. Such member(s) shall be released to attend under the terms and conditions specified in the MOU. The Union may request release of a Union-designated member to attend the NEO. Release time shall not be unreasonably withheld. Said requests shall be made to the Employee Relations Division no less than three (3) business days in advance of the scheduled NEO. The Union agrees to limit its presentation to only those matters stated in Section G., below.

E. **Alternate Procedures:** In the event the Union identifies one or more new employees who did not attend the Union's presentation as described in Section D., above, the Union may contact the Agency NE coordinator to schedule a mutually-agreeable fifteen (15) minute time slot for the Union to meet privately with the new employee(s). If the number of such identified employees is five (5) or more at a particular location, the Union NEO Coordinator and Agency NE Coordinator will work together to schedule a mutually agreeable thirty (30) minute time slot for the private meeting. One (1) of the Union's representatives may be a Union member designated by the Union, and such member shall be released to attend under the terms and conditions specified in the MOU.
The Union may request release of a Union designated member as provided for in Section D., above. This alternate procedure shall also apply to any employee who has promoted or transferred into the bargaining unit.

1. The Union NEO Coordinator shall coordinate with the new employee(s) referenced in the preceding paragraph and the Agency NEO Coordinator to schedule a fifteen (15) minute meeting during normally scheduled hours, which shall not be during employee's break or meal period, for the Union representative(s) to meet privately with, and provide materials and information to, the new employee(s). Agency representatives shall not be present during said meeting. The Union agrees to limit its presentation to only those matters stated in Section G., below.

2. In the event the proposed time cannot be accommodated, the Union NEO Coordinator and the Agency NE Coordinator shall work together to find a mutually agreeable time within ten (10) business days of the Union's request.

F. Process for Periodic Union Orientations: By mutual agreement, the Union NEO Coordinator and the Agency NEO Coordinator may schedule periodic thirty (30) minute Union orientations. Periodic Union orientations may be scheduled on an every other-month, quarterly, or other basis.

G. Union Orientation Presentations: The Union agrees to limit its presentation to a general introduction to its organization, history, by-laws, and benefits of membership. The Union agrees not to engage in campaigning on behalf of an individual running for public elected office and ballot measures during the NEO, or other topics that would be considered beyond general discussion on the benefits of Union membership.

III. Data Provisions

Subject to the limitations contained in CA Government Code Section 3558, the Agency shall provide the Union with all required information on newly-hired employees to the extent it is made available to the Agency. In addition, within ten (10) business days of the conclusion of each NEO, the Agency agrees to provide the Union with a stand-alone report containing a list of employees, including classification code and division, who were scheduled to, but did not attend each NEO.

IV. Hold Harmless

The Union agrees to hold the Agency harmless for any disputes that arise between the Union and any new employee over application of this Agreement.

(2) In the case of the up to two voluntary, employee-initiated referrals, the SFMTA will pay the employee the difference between the employee’s SDI benefits, use of accrued paid leaves, and any catastrophic illness benefits, and the employee’s regular hourly base pay, for up to the eight hours per day for full-time employees and up to three hours per day for part-time employees, up to a maximum of 21 work days during a five-year period. MUNI BULLETIN 4.4

4.4 Equipment Maintenance Attendance Policy

Purpose

Attendance is an important standard of performance. Each employee is required to work the hours normally scheduled for their position. There is not a single job that is not vital to overall operations. When employees fail to take this fact seriously, time consuming rearrangements and reshuffling hampers our ability to meet our obligations to the public.

This policy provides definitions of the different types of absences and describes the disciplinary actions that can and should be taken when attendance becomes a problem.

Definitions

All Shops and work locations within the SFMTA shall define the attendance policy in these terms:

Absence: This is the failure of an employee to report to work during the hours they are normally scheduled to work.

Extended Absence: This is a leave of absence for any reason other than suspension, vacation, and/or compensation time for more than Five (5) consecutive work days.

Unexcused Absence: An employee will be considered Absent without Official Leave (AWOL) if the employee:

- fails to notify the immediate supervisor of absence prior to the normally scheduled work period.
- decides to be absent even though supervisory permission was not granted.
- fails to produce sufficient proof or documentation to justify absence when required.
- is absent from their designated work station during the course of the normal work period without supervisory permission.
Tardiness: This is the failure to be on the job, ready to perform duties at the time work is normally scheduled to begin. Tardiness will be considered excused or unexcused by the immediate supervisor based on the reason, length of time, whether or not the employee notified the supervisor, and number of occurrences.

Requesting and Receiving Authorization for Absence

It is the employee’s responsibility to request supervisory permission to be absent at any time during the normal work day in a timely manner. Request for leave for extended periods must be submitted to the supervisor on a properly completed CSC 7-20 Request for Leave Form (see Attachment 1). Except for involuntary and sick leave, employees should submit a request at least 30 days in advance to allow time for the supervisor to make arrangements for work coverage. Involuntary and sick leave requests should be submitted as soon as possible.

In cases of unforeseen absence, the employee will call before the start of the work shift and report the absence to the supervisor or designated contact. Each supervisor will inform all of their subordinate employees in writing of the time, telephone number, and name(s) of contact(s) to call when unable to report for work (see Attachment 2). The point of contact should be reliable and consistent for each work station and shift.

Rare exceptions are permitted in cases where employee notification does not occur. There is no substitute for common sense when determining whether or not extenuating circumstances were such that it prevented the employee from notifying their supervisor.

If and when required, written documentation should be submitted to justify absence. Although not all absences require written justification, there are certain types of leave that should not be granted without proper documentation. Employees must present these documents when requesting leave. For example:

- Military orders are required in requesting military leave.
- A physician must complete Items 12-17 on the leave form when requesting an extended period of Medical Leave.
- A court issued notification of selection for jury duty is required in requesting Jury Duty Leave.
- A physician’s written verification is required for any absence due to illness if the employee is on sick leave restriction. It must be submitted when the employee returns to work.
Once an employee has requested leave, the supervisor must respond. Requests for leave shall be processed by the appropriate supervisor and/or manager and a copy shall be provided to the employee for their records. Jury duty and military leave must be granted if properly requested. Use of accrued sick leave for valid purposes must be granted. Written documentation is required after five (5) days of absence or if the supervisor has information indicating that the employee is not using paid sick leave for a valid purpose.

The use of compensation time, vacation, floating holidays and lieu days is at the discretion of the supervisor. However, if employees are in jeopardy of forfeiting earned time off, the SFMTA will make best efforts to prioritize employees’ use of the same.

**Disciplinary Action**

To correct attendance problems, progressive disciplinary measures will be taken.

**Tardiness:** Excused tardiness will result in loss of pay, with no disciplinary action taken. When necessary, the supervisor may allow employee to make up time not to exceed an eight-hour shift or a forty-hour week. Each occurrence of tardiness must be documented on a timecard or sign in log.

Unexcused tardiness will result in loss of pay. A verbal warning will be given on the first occurrence. The second occurrence within a three month period may be cause for written instruction or written warning. A third occurrence within the same three month period may be cause for suspension.

**Unexcused Absence:** The supervisor will endeavor to discuss the reason for an unexcused absence with the employee. If there are clearly extenuating circumstances which can be justified, such as proven emergencies, no further disciplinary action will be taken. In the absence of justifiable circumstances, the employee will be considered AWOL. This will result in both loss of pay and documented as either a written instruction or a written warning.

Each occurrence must be documented with a D-1 discipline form, as either a written instruction or a written warning. A second occurrence of being AWOL within a six-month period may result in suspension. A third occurrence within the same six-month period may result in a Recommendation for Dismissal or Termination.
Being AWOL for five (5) consecutive days will constitute ‘abandonment of position’, and may result in dismissal for being AWOL. Supervisors are required to make reasonable efforts to contact the employee. In particular, the supervisor will call the employee’s home and emergency telephone numbers during the first three (3) days. If the employee cannot be reached, the supervisor will report it to the appropriate Labor Analyst (ELR). The Labor Analyst (ELR) will then:

- Send a letter via certified mail (see Attachment 3) to the employee’s last known address.
- Continue to call the employee up to the fifth day.
- Report verbally to the SFMTA Director of Human Resources or designee on the fifth day.
- Send a formal memo to the SFMTA Director of Human Resources or designee requesting dismissal for being AWOL. The memo should state specific efforts taken within Equipment Maintenance to contact or locate the employee. (See Attachment 4 for a Sample.)

- **Attendance Evaluation**

- Each employee’s attendance will be evaluated on an annual basis when performance appraisals are conducted. Supervisors shall, uniformly throughout Equipment Maintenance, use the twelve-month attendance chart (see Attachment 6) to evaluate each employee’s attendance. The official timeroll sheets should be used in completing the chart to ensure accuracy. The Attendance Review Chart is designed to provide an at-a-glance analysis of either an individual employee’s attendance up to twelve months or a group of employees on a monthly basis. This chart should be filled out according to timeroll reports submitted to payroll. In analyzing the chart, scheduled absences for vacation, legal and floating holidays, and other similar planned leaves, and any leaves protected by law, are not to be used when determining an employee’s absenteeism.

Leaves of Absence - General Provisions

1. Requests for extension of FMLA/CFRA or PDL leave must be submitted two weeks prior to the end of the currently scheduled FMLA/CFRA or PDL leave when practical. Failure to submit timely requests may delay granting the extension.

2. Following verification of eligibility and medical necessity, certain leaves must be designated on Form FMLA, even if not requested. This form cannot be used to approve or deny FMLA, CFRA or PDL protections. Signature acknowledges receipt of FMLA, CFRA or PDL request only.

Leaves of Absence - General Provisions

1. Leave requests must be submitted to a department head or designee for approval.

2. A request for leave in excess of five days must be approved in advance on the appropriate form by the employee’s supervisor, department’s human resources representative, and the appointing officer/designee.

3. Employees who do not return to work when they are expected are absent without leave (AWOL) and may be subject to disciplinary action or automatic resignation.

4. Disapproval of certain types of leave may be appealed either through the grievance procedure in the respective collective bargaining agreement or the Civil Service Commission Rules.

5. Except for personal leave and in cases where the employee has obtained the prior approval of the appointing officer and the human resources director, an employee may not accept employment outside of the City and County service, other than military service, while on a leave of absence.

Employees should consult their human resources representatives if they have questions or need more information on any of the leaves or leave requirements described below.

Sick Leave: Except for leave under Labor code Section 233, sick leave requests for over five days must be certified by a licensed medical doctor, dentist, podiatrist, licensed clinical psychologist, Christian Science practitioner or licensed doctor of chiropractic medicine. Verification of sick leave for less than five days may be required on an individual basis. Employees are responsible for notifying their supervisors when they are unable to report for duty because of illness, and of the approximate date of their return to work. The duration of leave requested by the employee on this form should be the same as the duration certified as medically necessary by the health care provider. Only the amount of sick leave certified by the health care provider will be approved.

Family Care Leave: If an employee’s leave to care for a newborn, newly adopted child or sick family member extends beyond the 12-week FMLA/CFRA leave maximum, or if the employee is not eligible for FMLA/CFRA leave, he or she may seek additional unpaid leave of up to a total of one year for any of the same reasons. This type of leave is available to permanent employees who have completed at least one year of service and is at the discretion of the department’s appointing officer.

Military Leave: Military leave is governed by the provisions of applicable federal and state laws, Charter provisions, and by the Civil Service Commission Rules. A copy of the employee’s official orders must be attached to his or her request for military leave. Certain employees on military leave may receive their regular compensation for a period not to exceed 30 days, and may qualify to receive supplemental pay and benefits during a qualified active military duty leave.

Leaves for Spouse/Registered Domestic Partner While Qualified Member on Leave From Deployment:
In compliance with the State of California Military and Veterans Code, a qualified employee who is a spouse or registered domestic partner of a qualified member of the Armed Forces, National Guard, or reserves shall be allowed to take up to 10 days of unpaid leave during a period of leave from deployment of the qualified member.

Family Medical Leave Act/California Family Rights Act (FMLA/CFRA): Eligible employees may take up to 12 workweeks of unpaid, job-protected leave in a 12-month period to care for themselves or family members who are ill, or for child bonding and military exigency. See Notice of Eligibility, Rights and Responsibilities – FMLA for more information on this leave entitlement.

Jury Duty Leave: Employee must notify their supervisor when a jury summons is received. Any employee who is called to jury duty for a municipal, state or federal court during the employee’s working hours is allowed his or her regular compensation less the amount of jury fees paid while serving as a juror. An employee called as a witness in a non-work related matter may be granted leave without pay unless vacation leave or compensatory time is granted.

Educational Leave: Educational leave unpaid and is generally available to permanent employees only. An employee may be granted leave for the purpose of securing additional education in a field related to his or her position.

Religious Leave: Employees may be granted religious leave when personal religious beliefs require the abstention from work during certain periods of the work day or work week. Religious leave is without pay unless a request to utilize accumulated compensatory time off, vacation time, or floating holidays is approved.

Leave to accept other City and County employment: Leave to accept a temporary or exempt appointment in the City is available at the discretion of the department head to permanent civil service employees only.

Personal Leave: Permanent employees may request unpaid personal leave for up to 12 months within any two year period. The department head has discretion to grant or deny requests for personal leave. With certain exceptions, temporary or provisional employees may request personal leave for a maximum of one month, and only if a replacement for their position is not required.

Leave Extension: An employee who wishes to extend a leave of absence must submit a completed Request for Leave form to his or her immediate supervisor or department’s human resources representative at least two weeks, if practical, before the expiration date of the current leave. If the request is for sick leave, the employee must provide documentation from their health care provider.

Leave Abridgment: An employee who wishes to abridge a leave must submit an amended Request for Leave form before returning to work, and, if the employee was on sick leave, the health care provider must certify that the employee is physically able to return to work.
