

Summer 2025

13th Street Safety Project

Construction is underway!

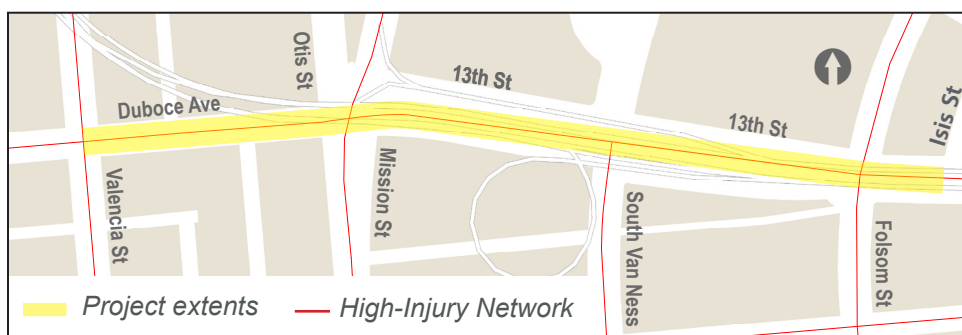

¡La construcción está en marcha! 建設正在進行中!
Kasalukuyang isinasagawa ang konstruksyon!

Construction of new traffic safety improvements on 13th Street from Valencia Street to Folsom Street began in early 2025, with overall completion of the project expected in early 2027.

During construction, please expect minor delays in travel time along this corridor and plan accordingly. Construction scheduling is subject to change due to rain, equipment breakdown, unforeseen field conditions, or early/delayed completion of work at prior location. Please see the posted "No Parking" barricades for exact parking restrictions. Please note that restricted parking hours may differ from general work hours. Restrictions may vary per block.

Thank you for your patience as we complete these infrastructure improvements along 13th Street!

For detailed and up to date construction information, including phasing, contact SF Public Works:

sfpublishworks.org/13thStreetSafety

Project improvements include:

- Sidewalk extensions to increase pedestrian visibility and shorten crossings
- Signal timing and hardware upgrades to help control and organize traffic flow
- Protected bike lanes to physically separate people riding bikes from people driving
- Parking and loading changes to maximize use of curb space

PROJECT IMPROVEMENTS

Sidewalk extensions to increase pedestrian visibility at intersections and shorten crossings

Signal timing and hardware upgrades to help control and organize traffic flow

Protected bike lanes to physically separate people riding bikes from people driving

Parking and loading changes to maximize use of curb space
