

CESAR CHAVEZ/POTRERO AVE./BAYSHORE BLVD. INTERSECTION (THE HAIRBALL)

Summer 2025 Project Update

The SFMTA is currently undertaking another series of spot improvements to address these safety issues, specifically along Bayshore Boulevard between Marin Street and Jerrold Avenue, and approaching Cesar Chavez Street. The scope includes striping improvements, upgrading bikeways, and traffic calming. Project changes were approved in 2023. Implementation is expected to take place in 2025.

Near-Term Spot Improvements:

- Intersection improvements at Bayshore Boulevard and Jerrold Avenue
- Two-way bikeway on Bayshore Boulevard separated by concrete barriers
- Speed cushion on Bayshore Boulevard north of Marin Street
- Raised crosswalk on Bayshore Boulevard just south of Cesar Chavez Street
- Road diet and striping modifications on Cesar Chavez Street underneath US 101

Project Timeline

Long-Term Improvements

In addition, the SFMTA is working with Public Works to install long-term capital improvements to further bring safety and accessibility enhancements to the area. The scope of this work includes flashing beacons, signal modifications, curb ramp upgrades, raised concrete crosswalks, new sidewalks, and westbound protected bikeways.

This project builds on previous outreach efforts of the Cesar Chavez East Community Design Plan and improvements will be connect to proposed future changes from the Cesar Chavez Street Quick-Build Project.
