Taxi & Accessible Services

MISSION

Taxi Services' Mission is to protect public safety, enforce regulations fairly and transparently, provide a forum for stakeholder input, provide a positive customer experience for San Francisco taxi passengers, work toward the financial health and sustainability of all sectors of the San Francisco Taxi Industry, promote the San Francisco Taxi Industry to the public in order to increase the efficiency of the mode and to leverage the taxi mode of transportation in support of the SFMTA Strategic Plan goals of making transit, walking, bicycling, taxi, ridesharing and carsharing the preferred means of travel.

Taxi Services oversees every aspect of taxi regulation, from legislation to enforcement of motor vehicle for hire rules and regulations. Taxi Services also manages all permitting processes for drivers, medallion permit holders, companies and dispatch services. It also oversees fleet management, taxi complaints, special events, general industry customer service and grants that benefit the taxi industry.

The Accessible Services Program is responsible for ensuring that SFMTA programs are accessible, user friendly, cost effective and ADA compliant for seniors and persons with disabilities. Accessible Services oversees the accessibility of Muni services, vehicles and facilities; the accessibility of pedestrian, bicycle, and parking projects; and the provision of door to door Paratransit services. In addition, Accessible Services provides technical assistance on accessibility for all SFMTA divisions, and manages the Discount ID RTC Clipper program to ensure that persons with disabilities and seniors have access to reduced transit fares.

Budget Year 2019 and 2020

Account ID	Account Title	Description
MTATZ - TAXI & ACCESSIBLE SERVICES		
501010	Perm Salaries-Misc-Regular	Appropriation for permanent salaries reflects all regular job class positions budgeted in SFMTA's two-year operating budget. With the implementation of the new Financial System Project (FSP) in FY 2018, the City remapped its chart of accounts and this line item now consolidates all salary budget in one chart of account that includes miscellaneous employees, platform employees and temporary salaries.
509010	Premium Pay - Misc	Premium pay is established under various labor agreements and payment types include categories such as Supervisory Differential Adjustment, Acting Assignment Pay, Lead Person Pay, night and midnight shifts pay, heavy equipment or specialized equipment operation pay and etc.
513010	Retire City Misc	The San Francisco Employees' Retirement System is funded on a cost-sharing basis with a combination of employee contributions, employer contributions, and investment earnings from the retirement fund. This line item reflects the cost of contributions the City makes as the employer to the retirement fund for positions budgeted in this organizational area. The employer contribution is set in three tiers with different maximum salary rate thresholds resulting in different retirement rates to be paid by the city. This structure is based on Proposition C passed in November 2011 that adjusted the City retirement contribution to reflect cost differences based on wages.
514010	Social Security (Oasdi & Hi)	Mandatory employer contribution to Social Security benefit is 6.20% of annual salaries budgeted.
514020	Social Sec-Medicare(HI Only)	Mandatory employer contribution to Medicare is 1.45% of annual salaries budgeted.
515010	Health Service-City Match	The City Charter requires employer contribution to the Health Service Trust Fund that covers health insurance costs for current and retired City employees and their dependents. This line item represents health insurance coverage for current employees.
515020	Retiree Health-Match-Prop B	Proposition B, passed by voters in June of 2008, began to address the system's unfunded liability by requiring the City and employees hired after January 10, 2009 to contribute 1% and 2% of pre-tax compensation, respectively, into a Retiree Health Care Trust Fund. This line item represents the 1% contribution from the City.
515030	RetireeHlthCare-CityMatchPropC	Proposition C, passed by voters in November of 2011, enhanced Proposition B's effects by requiring all remaining employees - in addition to employees under Proposition B requirement - to begin contributing to the Retiree Health Care Trust Fund beginning in FY 2017 with corresponding employer contribution. This line item represents the employer contribution under Proposition C.
515610	Health Service-Retiree Subsidy	This account captures the contribution that the General Fund supported and Enterprise departments make toward retiree health care. If the employee is vested for health service upon retirement, the department that the employee retires from will receive the budget and charges for that retiree's health service subsidy, regardless of the employee's employment history.
515710	Dependent Coverage	This line item represents employer contribution to the Health Service Trust Fund that covers health insurance costs for the dependents of current and retired employees. The budget is based on MOUs and Health Service enrollment records.
516010	Dental Coverage	Required by the City Charter, this line item represents employer contribution to dental insurance for current and retired City employees and their dependents.
517010	Unemployment Insurance	Mandated by the State of California, the City must budget for unemployment insurance coverage for its employees. The City reimburses the State for any unemployment benefits paid to former City employees. The Controller's Budget Office updates this rate upon review of the balance in the unemployment insurance fund.
519110	Flexible Benefit Package	This account is used to record the cost of flexible benefit plans that are currently authorized for members of MEA and MAA.
519120	Long Term Disability Insurance	This line item covers Long Term Disability Insurance for most of the labor unions.
520010	Indirect Cost Reimbursement	This is an indirect-cost allocation by the City based on calculations of County Wide Cost Allocation Plan (COWCAP).
520190	Department Overhead	This account represents SFMTA'S department overhead cost allocated to this fund.
521020	Travel Costs Paid To Vendors	Airfares for business trip is handled by contracted City vendors and this account records service fees paid to those vendors.

The Treasurer/Tax Collector's Office sells MUNI fast passes, maps, and prepaid parking meter cards at its cashier's windows in City Hall. It also provides lockbox services that include the process of receiving and depositing parking ticket citation payments submitted via US mail. All payments are deposited and information is electronically tracked for accounting and adjudication purpose. The SFMTA funds the above services through work order budget.
