**TO:** Powered Scooter Share Program Permittees

**FROM:** Danny Yeung, Manager – Permits & Administration  
Taxis, Access & Mobility Services, Streets Division *DY*

**Date:** January 21, 2026

**SUBJECT:** Scooter Share Geofencing Specifications – Temporary Parking Restrictions

The San Francisco Municipal Transportation Agency (SFMTA) is temporarily updating geofencing specifications for mobility devices permitted by the [Powered Scooter Share Permit Program](#) (Scooter Share). This policy will be enforced by the SFMTA for the Powered Scooter Share Program Permits issued to Lime and Spin (Permittees), in addition to [existing geofencing restrictions](#), during specified time periods until February 10<sup>th</sup>, 2026.

## Temporary Parking Restrictions

The [FY25-26 Scooter Share Permit](#) terms and conditions state that the Permittees shall apply geofencing specifications provided by the SFMTA to prohibit parking/locking scooters in specified areas or addresses, or to direct users to specified designated parking area (e.g., at an event venue), within seven calendar days' notice from SFMTA.

The SFMTA expects the Permittees to ensure that its users observe the below device parking restrictions and to understand that the Permittees may face citations and fines if not observed in compliance with the geofencing specifications.
