

## **NOTICE**

January 28, 2026

**TO:** San Francisco Taxi Drivers  
**SUBJECT:** **Taxi Remote Lot Access**

Taxi drivers have reported delays accessing the Taxi Remote Lot via the approved route, due to backups of TNCs (Uber and Lyft Vehicles) tailing back out of the lot.

As an alternative, Taxi drivers may use the I-380 or North Access Road ramps to Airport Blvd, turn right on San Bruno, and right turn into the parking campus from San Bruno to reach the Taxi Lot.

U-turns on San Bruno are NOT allowed. Do not use the San Bruno exit from 101 to access the Lot.

The map to the right shows the approved access routes.

Please contact the curbside management office at 650-821-2700 with any questions.
