The Bayview Shuttle Community Congress empowers Bayview-Hunters Point residents to lead and shape the Bayview Shuttle Program. By ensuring mobility solutions reflect the community's diverse needs and lived experiences, and are delivered equitably, the Congress promotes transparency, accountability, and inclusive decision-making. Its mission is to build a resilient, connected, and just Bayview through community-driven oversight and leadership.

Reflect on your answers to the previous questions, discuss with a partner or submit via [Mentimeter](#) any changes you would make to the mission statement
