TO: San Francisco Taxi Drivers
SUBJECT: Domestic Terminals Overnight Work

On the night of Wednesday, February 18 (Thursday morning), the arrivals level outer roadway will be closed for construction from 1:30am-9:30am. Temporary taxi stands will be created on the inner curb. These temporary taxi stands at T1, T2 and T3 will be limited to a maximum of 4 cabs from 1:30am to 9:30am. You may not join the temporary taxi stand during open lot hours if 4 or more cabs are already staged there. On Thursday morning, curbside staff will relocate the taxi stand to the center island once construction is complete. Do not stage at the center island at the Domestic Terminals unless directed to do so by staff or taxis are already present on the stand after construction is complete.

Please contact the curbside management office at 650-821-2700 with any questions.
