Subject: SFMTA CAC Recommendation

In our Citizens' Advisory Council meeting on May 7, 2026, the Council adopted the following recommendation:

CAC MOTION 260507.01

The SFMTA CAC recommends that the agency evaluate protected bike lanes on 9th and 10th Streets in SOMA to close these crucial gaps in street safety on the high injury network. To curb sidewalk riding and riding against traffic flow, we recommend bidirectional bike lanes.

It is the opinion of the SFMTA Citizens' Advisory Council that the proposed recommendation would be of significant benefit to the citizenry of San Francisco and the San Francisco Municipal Transportation Agency.
