Dreamforce Convention *continued*

Tuesday, Sept. 15, through Thursday, Sept. 17: The Salesforce Corporation will be holding its yearly Dreamforce Convention at the Moscone Center. Conference hours will be from 7 a.m. to 8 p.m. each day. An attendance of 45,000 is expected at Moscone Center North, South and West. For more event details, visit <https://www.salesforce.com/dreamforce/>.

Significant traffic congestion is anticipated in and around Moscone Center between 7 a.m. and 7 p.m. daily for the duration of the closure, particularly on streets immediately east of 3rd Street. Additional congestion on 4th Street from Market Street and on Mission Street between 3rd and on 4th Streets is anticipated from early morning through the evening between Monday, Sept. 14 and Thursday, Sept. 17. Travelers are encouraged to take public transportation or use alternate routes. There will be heavy pedestrian traffic in the area.

From Sunday, Sept. 6 through Sunday, Sept. 20, Howard Street traffic will be detoured via southbound 2nd Street to Harrison Street, or via New Montgomery Street to Hawthorne Street to either Folsom or Harrison streets.

There will be a signed bicycle detour for people on bikes on Howard Street to turn north at 2nd Street to Market Street. People on bikes who wish to stay on Howard Street will have the option to dismount at Howard and 3rd streets and walk their bicycle through the event along the north sidewalk.

Signage will be placed in advance of the street closures and detour routes.

Caltrans will activate electronic message signs on major freeways entering the city to notify motorists of the closures.

SFMTA Parking Control Officers and San Francisco Police Officers will be deployed at key intersections throughout the closures.

There will be no impact on Muni service.

There will be temporary taxi stands for ***pick up and drop off only***:

- White Zone at W Hotel, north side of Howard Street between 3rd Street and Hawthorne Street
- White Zone at Intercontinental, north side of Howard Street at 5th Street
- Southside of Howard Street (westbound) between 4th and 5th streets

Event at Chase Center

Friday, Sept. 18 to Saturday, Sept. 19: Golden State Valkyries will play two games at Chase Center:

- **Friday, Sept. 18:** Golden State Valkyries will play against the [Portland Fire](#). The game will start at 7 p.m. Doors will open at 5:30 p.m.
- **Saturday, Sept. 19:** Golden State Valkyries will play against the [Seattle Storm](#). The game will start at 6 p.m. Doors will open at 4:30 p.m.

Muni will provide supplement 78X Arena Express service:

- ***Pre-event express shuttle service from 16th Street BART Station to Chase Center*** will start two and a half hours before each game/event and will end one hour after game/event starts.
- ***Post-event express shuttle service from Chase Center to 16th Street BART Station*** will run until the crowd clears.

Special Event Parking Rates

During basketball games and other major events with more than 10,000 expected attendees at the arena, parking meters close to the arena will charge a special event rate of \$13 per hour. These rates help reduce congestion and keep parking spots available in the neighborhoods near the arena, discouraging circling for free or cheap parking. Start times for special event rates vary based on the start time of the event. More information on special event parking regulations can be found on www.sfmta.com/special-event-parking.

Street Closures

To accommodate events that will take place at the arena, the following street closures will be enforced two hours before and one hour after each event:

- a) 16th Street between 3rd Street and Terry Francois Boulevard
- b) Warriors Way between 3rd Street and Terry Francois Boulevard
- c) Northbound 3rd Street between 16th Street and Warriors Way will also be closed approximately 30 minutes before and 45 minutes after the event.

Only local access will be allowed on Northbound Illinois Street between Mariposa and 16th streets.

CONSTRUCTION WORK AND OTHER UPDATES

UPDATE: Overnight Work Along the T-Third

Sept. to Oct. 2026: Building on the success of the T-Third Fix-It! Weekends. The SFMTA is launching a proactive maintenance program to improve conditions and cleanliness along the T-Third corridor between Evans and Sunnydale stations.

Maintenance activities are tentatively scheduled from Sept. through Oct. 2026. To minimize impacts on riders and the surrounding community, work will take place during overnight hours from midnight to 5 a.m. Owl service will not be affected, and access to businesses and residences will be maintained throughout the construction.

As part of this effort, SFMTA crews will perform routine maintenance, cleaning, and facility improvements at T-Third platforms on Third Street between Evans and Sunnydale stations. This work supports the agency's ongoing commitment to keeping Muni facilities clean, safe, and in good condition for riders and the surrounding community.

CONSTRUCTION WORK AND OTHER UPDATES *continued*

UPDATE: Potrero Yard Modernization Project

Now until 2030: Muni's Potrero Yard Modernization Project is replacing an obsolete, century-old bus yard at 2500 Mariposa Street with a modern, four-story bus maintenance and storage facility. Construction has now begun and will run through 2030. Work hours are between 7 a.m. and 8 p.m., Monday through Friday. Overnight work is anticipated to be intermittent, work hours will be from 11 p.m. to 4 a.m. Expect temporary lane shifts around the project site bounded by Mariposa, Bryant, 17th and Hampshire streets. Signage and cones will be in place to clearly mark and section off work zones. People traveling are advised to use caution and look out for changing traffic patterns. Temporary parking restrictions will be necessary in active work zones.

Overnight work is scheduled from Monday, Sept. 21 through Wednesday, Sept. 23: Overhead wire removal work will be conducted during night hours, from 11 p.m. to 4 a.m. This work will create temporary lane shifts at these intersections:

- Hampshire at 17th streets
- Hampshire at Mariposa streets
- Bryant at Mariposa streets
- Bryant at 17th streets

Construction is led by Webcor. For construction questions and to sign up for notifications, email PotreroYard@plenaryamericas.com. For project details and design information, visit SFMTA.com/PotreroYard.

ONGOING

ONGOING: Improvements on Muni Service Changes Since Saturday Aug. 29

Since Saturday, Aug. 29, the SFMTA made targeted Muni service changes designed to improve reliability, provide more room for riders and support smoother service across the system.

The **1 California and N Judah** now arrive more often. The **5R Fulton Rapid** is operating with larger 60-foot buses where there is more capacity. The SFMTA is also adding capacity during busy times citywide.

more – more - more

ONGOING: Improvements on Muni Service Changes Since Saturday Aug. 29 *continued*

Additional updates include a new one-seat ride from Visitacion Valley to Francisco Middle School for students who previously had to transfer from the 8AX Bayshore Express to get to school. The SFMTA also made schedule changes on the **22 Owl** that make it more reliable.

These changes are based on rider feedback, operator input and service data.

For more information, visit [SFMTA.com/ServiceChanges](https://www.sfmta.com/ServiceChanges).

ONGOING: Castro Station Accessibility Improvement Project

Construction of the new elevator at Castro Station is wrapping up and once completed will provide continuous accessible access to the Castro Station. Until then, please continue to use the escalator on the north side for accessibility to the station.

To learn more about the Castro Elevator Improvement Project, visit: [SFMTA.com/CastroElevator](https://www.sfmta.com/CastroElevator).

ONGOING: Chinatown Construction

San Francisco Public Works is managing three major construction projects taking place in Chinatown. For project updates, sign up for the [San Francisco Public Works Construction Update Newsletters](#).

Drivers, Muni riders and visitors in and around construction zones should allow extra time when visiting the neighborhood.

Portsmouth Square Construction

The Portsmouth Square Improvement Project is a complete revitalization of Chinatown's historic central plaza, located above the parking garage at 733 Kearny Street, which will remain open during construction. Major work began in summer 2026, with an expected completion in 2028.

For more information on the Chinatown Portsmouth Square Construction, visit the website: [Portsmouth Square Improvement Project](#).

Chinatown Public Health Center

As part of the construction for the Chinatown Public Health Center Renovation Project, significant traffic impacts in the Broadway Tunnels are anticipated.

more – more - more

ONGOING: Chinatown Construction *continued*

The Broadway Tunnel is partially open at reduced capacity with one westbound lane and one eastbound lane. The Broadway Tunnel will remain partially open for approximately 14 months.

Please use other alternate routes as early as possible to reduce congestion in the construction area.

For information on Chinatown's Public Health Center construction work, visit website: [Chinatown Public Health Center Renovation Project](#).

For information on traffic detours during construction work, visit website: [Traffic Impacts from Chinatown Public Health Center Construction](#).

For additional information on these projects and the related traffic and transit impacts, please visit [SFMTA.com/GoChinatown](#). For more details on Chinatown infrastructure improvement projects, please refer to this [Department of Public Works](#) website.

ONGOING: 13th Street Safety Project

Now until 2027: The 13th Street Safety Project is currently under construction to deliver new traffic safety improvements on 13th Street and Duboce Avenue between Folsom and Valencia streets, including protected bike lanes, sidewalk extensions, traffic signal upgrades, accessibility upgrades, sewer upgrades, repaving, and parking/loading changes.

San Francisco Public Works is installing curb ramps and traffic islands on 13th Street at the US-101 Highway Off-Ramp. The next phase of construction work is expected to result in delayed travel time when exiting the Mission Street/Duboce Avenue freeway off-ramp.

Construction is underway and will continue for approximately four weeks. The work hours are from 8 a.m. to 4 p.m., Monday through Friday (excluding holidays). However, traffic control barricades and lane reductions will remain in place after hours until work is completed.

During construction, temporary lane reconfigurations will be delineated. Existing traffic flow shall be maintained for the through lane to Duboce Avenue and right turn lane to Mission Street. Muni riders should follow posted signage for any temporary bus stop relocations.

more – more - more

ONGOING: 13th Street Safety Project *continued*

Construction is led by San Francisco Public Works in partnership with the SFMTA. For construction updates and to sign up for notifications, visit sfpublicworks.org/13thStreetSafety. For project details and design information, visit SFMTA.com/13thStreetSafety.

ONGOING: Transbay Howard Streetscape Project – Road Construction

Feb. 2026 through 2028: As a part of the Transbay Howard Streetscape Project, new safety upgrades, traffic signal infrastructure, landscaping and a protected two-way bicycle lane are being built on Howard Street between The Embarcadero and 4th Street.

Due to work at multiple sites, expect intermittent delays and lane closures on weekdays from 7 a.m. to 4 p.m. Drivers should exercise caution near construction zones, follow posted detour signage, and consider using alternate routes. During major events and conventions, work will be paused near Moscone Center.

This is a San Francisco Public Works project, with support from the SFMTA. For more information and to sign up for construction updates, visit sfpublicworks.org/TransbayHoward. To learn more about the project design, visit SFMTA.com/TransbayHoward.

ONGOING: SFPUC Geary Boulevard Sewer and Water Replacements

Now until 2027: Replacement work of sewer and water lines is currently taking place along Geary Boulevard between 32nd Avenue and Stanyan Street. Due to construction work at multiple locations, some of the bus stops for Muni routes 38 Geary and 38R Geary Rapid will be temporarily relocated nearby. Riders should look for orange signage at impacted bus stops.

UPCOMING CONSTRUCTION

UPCOMING: Caltrans Project 04-00020 Bayshore and Central Viaduct Contract

Friday, Oct. 23 to Monday, Oct. 26: Caltrans will conduct a full closure of westbound I-80 between 4th Street and the US-101/I-80 interchange the weekend from Friday, Oct. 23 to Monday, Oct. 26. Detours and alternate routes will be established, signed and messaged. More details to follow.

more – more - more

UPCOMING: Caltrans Project 04-0Q020 Bayshore and Central Viaduct Contract *continued*

Caltrans contractors will deploy traffic control personnel and message boards will be in place in advance of the closures. Motorists should proceed cautiously through work zones. For more information about this project and the Fab 4 Rehabilitation Project, visit sfhighwayprojects.com.
