

SFMTA Metrics Reporting

SEC. 5.23-4. DUTIES OF COUNCIL.

- *(d) Review travel time data collected by the MTA for routes to the Event Center to determine if traffic conditions associated with the Event Center, especially when there are weekday evening overlapping events with large attendance at the Event Center and AT&T Park, should entail additional City actions and expenditures from the Fund or the Designated Overlapping Event Reserve, and make recommendations to the MTA on additional actions and expenditures.*
- Review pre-event travel time data for the 15 Bayview Hunters Point Express, 22 Fillmore and T Third routes to evaluate Muni service performance. This information will inform the Advisory Council of the overall Muni service health leading up to events at the Chase Center and inform if they want to consider requesting adjustments.

Travel Time Data to be Reported Going Forward

- Goal: Review pre-event travel time data for the 15 Bayview Hunters Point Express, 22 Fillmore and T Third routes to evaluate Muni service performance.
- Metrics to be reported on:
 - Routes will include 15 BVHPX, 22 Fillmore, T Third
 - On time performance of routes
 - Difference between on time performance and actual service
 - Time frame assessed will be 3 hours prior and 1 hour after event start time
