Special Event Parking Rates

During basketball games and other major events with more than 10,000 expected attendees at the arena, parking meters close to the arena will charge a special event rate of \$13 per hour. These rates help reduce congestion and keep parking spots available in the neighborhoods near the arena, discouraging circling for free or cheap parking. Start times for special event rates vary based on the start time of the event. More information on special event parking regulations can be found on www.sfmta.com/special-event-parking.

Street Closures

To accommodate events that will take place at the arena, the following street closures will be enforced two hours before and one hour after each event:

- a) 16th Street between 3rd Street and Terry Francois Boulevard
- b) Warriors Way between 3rd Street and Terry Francois Boulevard
- c) Northbound 3rd Street between 16th Street and Warriors Way will also be closed approximately 30 minutes before and 45 minutes after the event.

Only local access will be allowed on Northbound Illinois Street between Mariposa and 16th streets.

CONSTRUCTION WORK AND OTHER UPDATES

UPDATE: Overnight Work Along the T-Third

Sept. to Nov. 2026: Building on the success of the T-Third Fix It! Weekends. The SFMTA is launching a proactive maintenance program to improve conditions and cleanliness along the T-Third corridor between Evans and Sunnydale stations.

Maintenance activities are tentatively scheduled from Sept. through Nov. 2026. To minimize impacts on riders and the surrounding community, work will take place during overnight hours from midnight to 5 a.m. Owl service will not be affected, and access to businesses and residences will be maintained throughout the construction.

Tuesday, Oct. 20 and Tuesday. Oct. 27: Work is scheduled at the Williams platform.

As part of this effort, SFMTA crews will perform routine maintenance, cleaning, and facility improvements at T-Third platforms on Third Street between Evans and Sunnydale stations. This work supports the agency's ongoing commitment to keeping Muni facilities clean, safe, and in good condition for riders and the surrounding community.

ONGOING

ONGOING: Castro Station Accessibility Improvement Project

Construction of the new elevator at Castro Station is wrapping up and once completed will provide continuous accessible access to the Castro Station. Until then, please continue to use the escalator on the north side for accessibility to the station.

To learn more about the Castro Elevator Improvement Project, visit: [SFMTA.com/CastroElevator](https://sfmta.com/CastroElevator).

ONGOING: Chinatown Construction

San Francisco Public Works is managing three major construction projects taking place in Chinatown. For project updates, sign up for the [San Francisco Public Works Construction Update Newsletters](#).

Drivers, Muni riders and visitors in and around construction zones should allow extra time when visiting the neighborhood.

For additional information on these projects and the related traffic and transit impacts, please visit [SFMTA.com/GoChinatown](https://sfmta.com/GoChinatown). For more details on Chinatown infrastructure improvement projects, please refer to this [Department of Public Works](#) website.

ONGOING: 13th Street Safety Project

Now until 2027: The 13th Street Safety Project is currently under construction to deliver new traffic safety improvements on 13th Street and Duboce Avenue between Folsom and Valencia streets, including protected bike lanes, sidewalk extensions, traffic signal upgrades, accessibility upgrades, sewer upgrades, repaving, and parking/loading changes.

San Francisco Public Works is installing curb ramps and traffic islands on 13th Street at the US-101 Highway Off-Ramp. The next phase of construction work is expected to result in delayed travel time when exiting the Mission Street/Duboce Avenue freeway off-ramp.

Construction is underway and will continue for approximately four weeks. The work hours are from 8 a.m. to 4 p.m., Monday through Friday (excluding holidays). However, traffic control barricades and lane reductions will remain in place after hours until work is completed.

Muni riders should follow posted signage for any temporary bus stop relocations.

Construction is led by San Francisco Public Works in partnership with the SFMTA. For construction updates and to sign up for notifications, visit sfpublicworks.org/13thStreetSafety. For project details and design information, visit [SFMTA.com/13thStreetSafety](https://sfmta.com/13thStreetSafety).

ONGOING: Transbay Howard Streetscape Project – Road Construction

Feb. 2026 through 2028: As a part of the Transbay Howard Streetscape Project, new safety upgrades, traffic signal infrastructure, landscaping and a protected two-way bicycle lane are being built on Howard Street between The Embarcadero and 4th Street.

Due to work at multiple sites, expect intermittent delays and lane closures on weekdays from 7 a.m. to 4 p.m. Drivers should exercise caution near construction zones, follow posted detour signage, and consider using alternate routes. During major events and conventions, work will be paused near Moscone Center.

This is a San Francisco Public Works project, with support from the SFMTA. For more information and to sign up for construction updates, visit sfpublicworks.org/TransbayHoward. To learn more about the project design, visit [SFMTA.com/TransbayHoward](https://sfmta.com/TransbayHoward).
