MTC Complete Streets Checklist for N Judah Accessibility Improvements

SFMTA CAC
November 5, 2026

SFMTA

**SFMTA recently won
an FTA ASAP grant**

\$2.5 million

For N Judah Accessibility
Improvements

Improvements at or near

Judah & 43rd Ave

Judah & Funston Ave

**This is separate from
N Judah Muni Forward,
which may include
other accessibility
improvements.**

All Stations Accessibility Program (ASAP)

About the grant

The Federal Transit Administration (FTA) awards competitive grants to make older rail stations that were not required to be ADA accessible to be accessible, including wheelchair users.

SFMTA's previous ASAP application

Awarded in 2024

\$4.7 million

Platforms, wheelchair ramps and other accessibility improvements at:

5 J Church stops

3 M Ocean View stops

SFMTA has a long history of exceeding ADA standards and improving mobility options for older adults and people with disabilities.

L Taraval

10

new accessible
stops added

M & J Lines

5

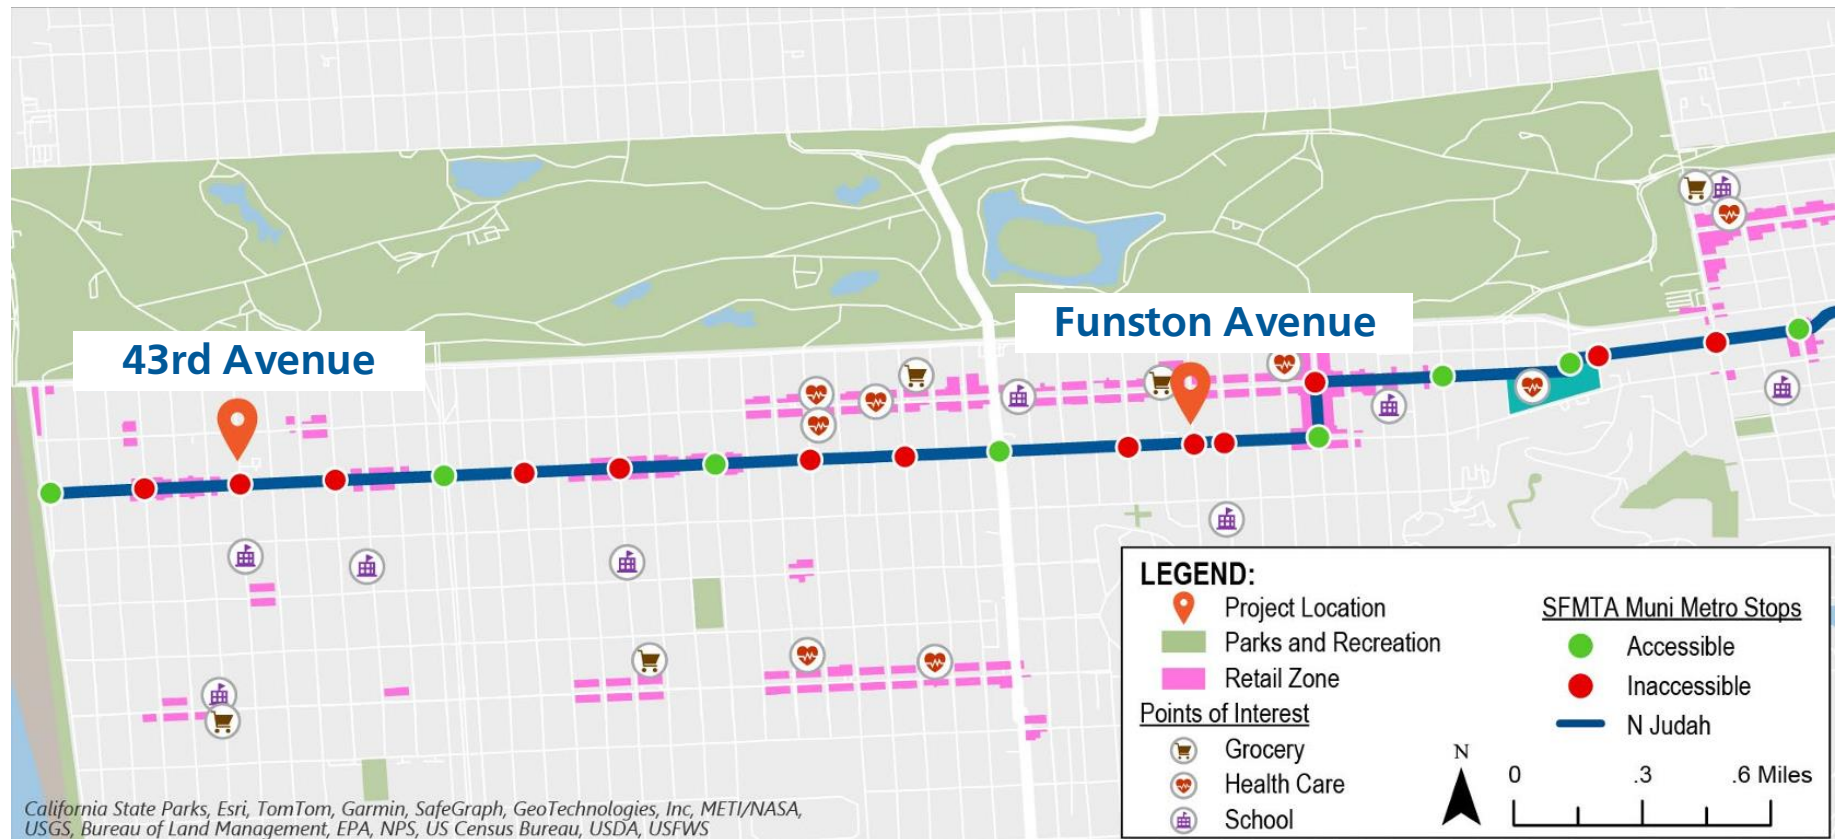

new accessible
stops being added

K Ingleside

Reviewing
opportunities
to add more
accessible stops

When designing transit capital projects, we review inaccessible stops to determine whether they can be made accessible.

Two project locations on Judah St at or near 43rd Ave and at or near Funston Ave

Accessibility improvements

ADA platforms

Full-width boarding islands
