### **CONSTRUCTION WORK AND OTHER UPDATES**

#### **UPDATE: Van Ness Improvement Project**

**On Friday, March 27, between the hours of 8 p.m. and 7 a.m.,** crews are scheduled to work on installing a joint-utility trench, traffic striping and sewer main at the following locations:

For more project details and the latest construction updates, visit [sfmta.com/vanness](http://sfmta.com/vanness).

Vehicle and bicycle access via travel lanes across the bridge continue to be available in each direction, northbound and southbound **(except during periods of full temporary bridge closures when the pending scope of work restricts access across the bridge for all vehicle, bicycle and pedestrian traffic)**. **Third Street Bridge is open and access across the bridge is available.**
