Stop Changes to Improve Safety and Access

Starting Saturday, June 21, the SFMTA will also make changes to some bus stops. These changes are not connected to the agency’s budget shortfall. They are part of the agency’s ongoing work to help make Muni safer and more reliable.

9 San Bruno

- The outbound stop at 228 Bayshore will move to the intersection at Costa Street. This moves the bus stop further away from where multiple lanes of traffic merge to improve safety.

15 Bayview-Hunters Point Express

- The outbound stop at 4th & Berry streets will move to 4th & Townsend streets to avoid conflicts with the right-turning traffic onto Berry Street.
- New stops will be added in both directions on Hudson at Newhall streets. This will bring riders closer to the Third Street corridor and nearby homes.

18 46th Avenue

- The inbound stop on Lincoln Way and Great Highway will be relocated to the near side of the intersection as part of the Great Highway closure to improve access.

Summer 2025 Muni Service Cuts *continued*

28 19th Avenue and 28R 19th Avenue Rapid

- A new stop for the 28 19th Avenue Rapid route will be added at 19th Avenue and Lincoln Way. This will help more riders enjoy quicker trips on the 28R 19th Avenue Rapid and decrease crowding on the 28 19th Avenue.

33 Ashbury-18th Street

- The inbound stop at Clayton and Carmel streets will be relocated to the far side of the intersection. This will help to reduce conflicts with lane merging and improve safety.

43 Masonic

- The outbound stops at Naples and Rolph streets and at Naples Street and Geneva Avenue will be relocated to one stop at Naples Street at Rolph Street, near side. This will help improve safety for riders.
- The outbound stops at Curtis and Prague streets and at Prague and Drake streets will be relocated to one stop on Curtis Street at Prague Street, far side. This will be at a sidewalk with a level curb, improving safety for riders boarding.

- The Still and Lyell Streets stop for both routes will be relocated to the near side of the crosswalk to improve stop visibility.

48 Quintara/24th Street

- The by-request segment of the route that serves Hoffman Street will be removed. Removing this optional section of the route will improve reliability and travel times on the remainder of the route.
- A new outbound stop will be added at Clipper and Diamond streets. This will facilitate transfers to the 35 Eureka route, which serves the Hoffman area.

54 Felton

- The outbound stop at Hudson Avenue and Ardath Court will be relocated to the south by approximately 75 feet for better boarding access.

Muni Fare Increases Effective July 1, 2025

Effective July 1, 2025, some Muni fares will increase, based on public feedback received during our budget process in spring 2024. For details about all fares, visit [SFMTA.com/Fares](https://www.sfmta.com/Fares).

On July 1, the Clipper and MuniMobile discount will be reduced from 25 cents to 15 cents, bringing the fare to \$2.85. This change helps offset rising costs while minimizing the impact on riders. The cash fare will remain at \$3. The cable car fare is increasing for the first time since January 2020, from \$8 to \$9.

After feedback collected from the public, these fare adjustments were included as part of the SFMTA's 2024-2026 budget, which began on July 1, 2024. For more information, visit our [Fares webpage](#) or call 311.
