Overview
The 22 Fillmore Transit Priority Project also proposes to improve conditions for people on bicycles and enhance connections to the existing bicycle network. This includes intersection improvements and moving the bicycle lane onto 17th Street, from Kansas Street to Mississippi Street.

PROPOSAL DETAIL OF 17TH ST
Kansas to 7th/ Mississippi Streets
Bike lanes in each direction on 17th St. from Kansas St. to Mississippi St.

OTHER IMPROVED CONNECTIONS TO THE EXISTING BICYCLE NETWORK

FOLSOM ST.
Boarding islands separating transit vehicles from people on bicycles

HARRISON ST.
Large bulbouts to make the intersections predictable for all users
