

One-way traffic flow on Linden St between Laguna and Octavia would need to be reversed eastbound to facilitate access to Patricia's Green.

A bike share station is planned for the block between Fell and Linden. An alternative site might be adjacent to the park within the closure area to retain parking.

Public open space
Open for emergency access
14' 15" clear

Barriers could be designed to swing open easily for access.

Public open space
No vehicular traffic

Bicycle access is retained along Octavia St. A short contra-flow bikeway could be installed on Hayes St to facilitate a wiggly to continue on Octavia northbound.

Locations of fire hydrants
● = low-pressure H = high-pressure

Changes to on-street parking
-# = loss of # spaces

Activity space for movable cafe-style tables and chairs.

+9 Parking spaces added on Gough St (summer 2017)
