   Bryant Street, south side, from 80 feet to 140 feet east of 7th Street

The proposed modification establishes protected bikeways on 7th Street between Folsom Street and Townsend Street.

**Decision:** Items 1(a) through 1(r) approved by City Traffic Engineer for implementation. Items 1(s) through 1(u) approved by the City Traffic Engineer to send to SFMTA Board for legislation.

**Public Comments:** Comments in favor and opposition received. Comments in favor expressed positivity about the proposed changes improving bicycle safety and transit operations. Comments in opposition expressed concerns about the proposed changes creating additional congestion and complexity.
Whether or not the City Traffic Engineer’s decision is considered a Final SFMTA Decision is determined by Division II, Section 203 of the Transportation Code. If the City Traffic Engineer approves a parking or traffic modification, it is considered a Final SFMTA Decision. If a City Traffic Engineer disapproves or declines a parking or traffic modification, a member of the public must request additional review by the SFMTA of that decision which shall be conducted pursuant to Division II, Section 203 of the Transportation Code before the decision becomes a Final SFMTA Decision. Final SFMTA Decisions, whether made by the City Traffic Engineer or the SFMTA Board, can be reviewed by the Board of Supervisors pursuant to Ordinance 127-18. Decisions reviewable by the Board of Supervisors are denoted with a pound (#). Information about the review process can be found at: https://sfbos.org/sites/default/files/SFMTA_Action_Review_Info_Sheet.pdf. For questions about any of these items, please contact: sustainable.streets@sfmta.com and reference this order number.
