Sustainable Streets Division Directive Order No. 6281

Following public hearings held on July 25, 2020 and July 31, 2020, along with staff recommendations, the following items presented herein will affect traffic movements and safety may be improved. The following items have been environmentally cleared by the Planning Department on August 12, 2020, Case No. [2020-007183ENV]. The following changes are implemented under Section 201.a.5 of the San Francisco Transportation Code:

**J CHURCH TRANSFER IMPROVEMENTS**

The following measures would temporarily restrict most private traffic on Church Street between 15th and Market streets in order to provide space for passengers on the J Church to safely board and alight the train and transfer to Church Street Station while maintaining physical distancing. The northbound curb lane would be restricted to all vehicles adjacent to the inbound boarding platform and wheelchair accessible stop, except bicycles. The southbound curb lane would be restricted to all vehicles from the intersection of Market Street to approximately 200 feet southerly, except bicycles. Vehicles that are permitted on this block of Church Street would use the center track lane where the adjacent curb lane is closed.

**TEMPORARY ROAD CLOSURE EXCEPT FOR MUNI, PARATRANSIT, TAXIS, BICYCLES, EMERGENCY VEHICLES, AND COMMERCIAL VEHICLES**

Church Street, northbound and southbound, from Market Street to 15th Street (local access to be maintained & the road closure will be from August 12, 2020 until 120 days after the termination or expiration of the COVID-19 Emergency)
