2021 Youth Commission Budget Recommendations

San Francisco Municipal Transportation Agency

The following recommendations compiled by the Youth Commission's Housing and Land Use Committee reference the Municipal Transportation Agency:

- 1) The Youth Commission urges the SFMTA and SFCTA to propose funding to **establish a strategy to build an effective, equitable, and sustainable transportation system** for San Francisco youth and students;
- 2) The Youth Commission urges the SFMTA to propose funding for a full-time **youth development position** to staff the SFMTA Youth Transportation Advisory Board (YTAB) and support youth serving on the YTAB;
- 3) The Youth Commission urges the SFMTA to propose funding to work collaboratively with SFUSD and CCSF to **enroll all students and youth in the Free Muni for Youth** program;
- 4) The Youth Commission urges the SFMTA to propose funding to **implement Free Muni for All Youth** by eliminating the nominal youth fare up to age 23; and
- 5) The Youth Commission urges the SFMTA to increase funding for the 29-Sunset Improvements Project with the view of developing a rapid bus service along the aforementioned line.

The following recommendation made by the Youth Commission's Housing and Land Use Committee relies on the continued cooperation of the Municipal Transportation Agency:

- 6) The Youth Commission urges HSH to continue funding for equipping TAY experiencing homelessness with first-aid survival resources, and for increased support services for nutritional food, laundry, and transportation for that population.

The following recommendation made by the full Youth Commission may additionally apply to the Municipal Transportation Agency:

- 7) The Youth Commission urges all departments that contain Boards, Commissions, and other advisory bodies with one or more youth and/or TAY seat(s) to request funding to provide **compensatory stipends for all youth and TAY serving on such Boards, Commissions, and other advisory bodies**, within the limits of the law.
