Clean Air Taxi Rebate

The San Francisco Municipal Transportation Agency (SFMTA) is a leader in providing and regulating environmentally sustainable transportation options, including the taxi fleet. Over 90% of vehicles in the taxi fleet are low-emission and play a critical role in meeting the city's ambitious climate goals of 80% of trips taken by sustainable means of travel by 2030 and zero emissions by 2050. In order to achieve our goals, the SFMTA's latest clean air taxi program as of May 2020 offers a rebate up to \$11,800 per qualifying vehicle with a total of \$250,000* in dedicated funding. Grant ends on **September 30, 2021**.

The vehicle rebate is only eligible under the following conditions:

- ✓ Purchased by a current Active medallion holder or color scheme in good standing
- ✓ **New or used** vehicles purchased on or after **May 21, 2020** **NEW**
- ✓ Vehicle **model year 2017 or newer** **NEW**
- ✓ Vehicle has been fully introduced into the taxi fleet and actively providing trips
- ✓ Vehicle is properly transmitting trip data
- ✓ Must place a grant sticker on the vehicle indicating this vehicle was funded by this grant (contact SFTaxi@sfmta.com for us to mail out the sticker)

NEW This rebate is in addition to any existing federal, state, and local tax credits that may be available for such vehicles.

The vehicle rebate amount is dependent on each vehicle type:

- **Hybrid** vehicle: 90% of the purchase cost, up to \$7,700 maximum rebate **NEW**
- All **electric, compressed natural gas (CNG), or hydrogen fuel cell** vehicle: 90% of the purchase cost, up to \$11,800 maximum rebate **NEW**

To request a rebate, please provide the following documents:

- Vehicle Registration (not temporary registration)
- Copy of sales invoice or purchase order if from a dealer or auction, or deposited purchase check if from a private party sale
- Photos of the vehicle before and after the conversion to a taxi
- Photos showing the grant sticker on the vehicle
- For large cab company fleet purchases, a spreadsheet listing each vehicle's make, model, year, fuel type, VIN, and date vehicle was put in service as a taxicab
- IRS Form W-9

Please submit the information to SFTaxi@sfmta.com,
