

## **Section 10: SAN FRANCISCO POLICE DEPARTMENT OFFICERS (SFPD)**

Traffic Control by Uniformed San Francisco Police Officers assigned to work 10B Construction (referred to herein as officers) may be required under certain circumstances, such as a Special Traffic Permit or Contract specifications.

### **10.1 Duties of Officers**

- Direct vehicular and pedestrian traffic  
Cite motorists or pedestrians violating traffic regulations
- Maintain contractor compliance with STP conditions  
Enforce traffic regulations
- Facilitate safe paths of travel  
Other traffic control duties as directed by SFMTA

For further reference, duties of San Francisco police officers will be specified in the Special Traffic Permit or in the city contract.

### **10.2 Requesting Officers**

The Contractor shall coordinate deployment of officers with the San Francisco Police District Construction Coordinator for the area where construction is taking place (see Appendix D). The Contractor shall make a deposit to the SFPD in the amount of \$2,000 unless otherwise specified by the SFPD. The Contractor shall pay SFPD each invoice within 30 calendar days of the invoice date.

### **10.3 Officer Working Hours**

The officers shall be paid a minimum of four hours per day. If the number of work hours exceeds four hours, the officers shall be paid for one additional hour for travel time. For a twelve-hour shift, the officers shall be paid thirteen hours per ordinance.

### **10.4 Notification and Restrictions**

The Contractor shall notify the San Francisco Police District Construction Coordinator Officer Theresa Conway 415-638-0336 [theresa.conway@sfgov.org](mailto:theresa.conway@sfgov.org) or Sgt. Maureen Leonard 415-930-1075 [maureen.leonard@sfgov.org](mailto:maureen.leonard@sfgov.org) regarding the schedule and number of officers required at least 4 calendar days in advance of the scheduled date. The minimum time to cancel is 24 hours.

### **10.5 Furnishing Permits to Officers**

Each day, Contractor shall furnish each officer a copy of the STP (if one is issued) before beginning work at the site to ensure that the officers are familiar with the conditions on the permit. Failure to furnish all officers copies of the permit may result in the officers canceling the job, thereby placing the contractor in violation of the permit.

## **10.6 Officer Reassignment**

SFPD reserves the right to re-assign officers to other duties, in case of emergencies. SFPD may adjust the number of officers at a site based on site conditions.
