Extended sidewalk with rain garden proposed to replace existing on-street bike parking on Laguna; bike parking proposed for relocation to southeast corner next to restaurant

See "Parcel T" private development and Octavia Boulevard Enhancement Project ([sfmta.com/octavia](http://sfmta.com/octavia)) concepts for potential changes to Page/Octavia intersection

Extended sidewalks proposed for Page Street at Gough Street to slow turns, shorten crossings, and add landscaping to intersection with busy arterial

**NOTE:** The SFMTA Haight Street MUNI FORWARD project plans to install traffic signals at the Webster and Buchanan intersections in early 2019. Due to sight distance issues, this project is proposing to restrict all left-turns at Haight and Buchanan. These changes would need to be completed prior to implementation of a Page Street traffic diverter pilot, if approved.
