

San Francisco Municipal Transportation Agency

#### FY 24-25 and 25-26 Operating Budget Update

Bree Mawhorter Chief Financial Officer March 5, 2024

M

**SFMTA** 

## **Today's presentation covers**

- Two-year budget overview
- Additional revenue options requested by Board members
- Expenditures
- Division work plan summaries
- Community feedback
- Next steps

# Beginning in FY25-26, the SFMTA is facing a budget gap of \$12.7M.

## **Budget strategy**

- Focus on revenues available July 1, 2024 to close FY25-26 gap.
- Control expenditure: implement only cost neutral Muni service changes.
- Stretch one-time sources like federal, state and regional transportation relief.
- Focus on FY24-25 and FY25-26 but manage toward solving \$240M+ annual deficit beginning in FY26-27.

## FY24-25 and FY25-26 Budget

Assumes minimal growth over FY23-24 projected expenditures, maintaining current service levels + inflation.

| Category    | FY23-24<br>Budget<br>(\$M) | FY23-24<br>Projected<br>Actuals<br>(\$M) | FY24-25<br>Budget<br>(\$M) | FY25-26<br>Budget<br>(\$M) | Year 1<br>%<br>Change | Year 2<br>%<br>Change |
|-------------|----------------------------|--|----------------------------|----------------------------|-----------------------|-----------------------|
| Revenue     | \$1,407.6                  | \$1,357.0                                | \$1,388.5                  | \$1,420.8                  | 2%                    | 2%                    |
| Expenditure | \$1,407.6                  | \$1,357.0                                | \$1,388.5                  | \$1,433.5                  | 2%                    | 3%                    |
| Net         | -                          | -  | -                          | (12.7)                     |                       |                       |

Base budget consistent with assumed citywide wage increases. Actual wage increases will be determined by labor negotiations.

#### FY24-25 and FY25-26 Revenue

General Fund transfers and parking revenues are the largest sources of funding in operating budget.

#### FY24-25 and FY25-26 Revenue (\$M)

Most significant change is reduction in state and federal relief, which reflects decreasing availability of one-time funds.

| Category                    | FY 23-24<br>Budget<br>(\$M) | FY23-24<br>Projected<br>Actuals<br>(\$M) | FY24-25<br>Budget<br>(\$M) | FY25-26<br>Budget<br>(\$M) | Yr1<br>Percent<br>Change<br>(%) | Yr2<br>Percent<br>Change<br>(%) |
|-----------------------------|-----------------------------|--|----------------------------|----------------------------|---------------------------------|---------------------------------|
| General Fund                | 542.3                       | 542.3                                    | 548.5                      | 566.5                      | 1%                              | 3%                              |
| Operating Grants            | 193.3                       | 207.0                                    | 233.2                      | 227.7                      | 13%                             | -2%                             |
| Federal and State<br>Relief | 201.1                       | 265.1                                    | 208.5                      | 211.2                      | -21%                            | 1%                              |
| Parking Revenue             | 282.0                       | 226.0                                    | 267.3                      | 274.4                      | 18%                             | 3%                              |
| Transit Revenue             | 140.6                       | 95.4                                     | 92.1                       | 98.3                       | -4%                             | 7%                              |
| Other Revenue*              | 48.3                        | 21.2                                     | 38.7                       | 42.8                       | 82%                             | 7%                              |
| Total                       | 1,407.6                     | 1,357.0                                  | 1,388.5                    | 1,420.8                    | 2%                              | 2%                              |

Large increase in Other reflects timing of payments in current year.

\*Includes \$52.7M of Fund Balance in FY 22-23

## **Principles for additional revenue**

#### **Revenue proposals must:**

- Be available starting July 1, 2024
- Be within SFMTA administrative control
- Be distributed across multiple transportation types, so everyone shares the burden
- Increase equity and protect those with the least resources

# Summary of Board Workshop revenue options

| Category         | Option   | Additional<br>Revenue FY25<br>(\$M) | Additional<br>Revenue FY26<br>(\$M) | 2-Year Total<br>(\$M) |
|------------------|--|-------------------------------------|-------------------------------------|-----------------------|
|                  | Suspend inflation indexing                           | -2.4                                | -4.4                                | -6.8                  |
| Transit          | Implement inflation indexing                         | -                                   | -                                   | -                     |

#### **Additional revenue options**

At the workshop, Board members asked staff to provide additional revenue proposals.

| Proposal  | Additional<br>Revenue<br>FY24-25<br>(\$M) | Additional<br>Revenue<br>FY25-26<br>(\$M) | Policy Considerations   |
|---|---|---|---|
| Index fares in FY24-25 and<br>FY25-26 and decrease<br>Clipper discount \$0.25 in<br>FY25-26 | \$3.5                                     | \$6.7                                     | Increases cash fare from \$3.00 to \$3.25<br>over two years (8%)<br>Continues to privilege riders who use<br>Clipper, despite demographic data that<br>shows most Clipper riders are more<br>resourced than riders who pay cash |
| Increase the floor on parking meter rates   | \$0.3                                     | \$0.3                                     | Undercuts variable rate demand policy and could decrease revenue opportunities or expansion opportunities.  |
| Reinstate all taxi fees   | \$1.1                                     | \$1.1                                     | Assumes taxi driers have fully recovered from impacts of COVID and industry changes related to entry of TNCs.   |

# Index fares and decrease Clipper discount

Indexing fares and reducing Clipper discount increases single-ride cash fare from \$3.00 to \$3.25 or 8%.

| Fare<br>Product/Fare                  | Current (\$) | (\$) Suspend Indexing/<br>Eliminate Clipper<br>Discount/2 Years |       | Index + Reduce Clipper<br>Discount by \$0.25 (NEW) |       |  |
|---------------------------------------|--------------|---|-------|--|-------|--|
|                                       | FY24         | FY25  | FY26  | FY25   | FY26  |  |
| Single Ride Adult -<br>Clipper/Mobile | 2.50         | 2.75  | 3.00  | 2.85   | 3.00  |  |
| Single Ride Adult -<br>Farebox        | 3.00         | 3.00  | 3.00  | 3.10   | 3.25  |  |
| Monthly Pass                          | 81.00        | 88.00   | 96.00 | 91.00  | 96.00 |  |
| Cable Car Single<br>Ride              | 8.00         | 8.00  | 8.00  | 8.00   | 9.00  |  |

#### **Reinstate Fees for Taxi Drivers**

**Reinstating and indexing all fees would**:

- Increase New Driver Permit Application Fee from \$265 to \$322 in FY24-25 and to \$334 in FY25-26
- Increase Driver Permit Renewal Fee from \$127 to \$154 in FY24-25 and to \$160 In FY25-26.

| Option        | Description  | FY25<br>Increase<br>(\$M) | FY26<br>Increase<br>(\$M) | 2-Year<br>Total<br>(\$M) |
|---------------|--|---------------------------|---------------------------|--------------------------|
| Option 1      | Continue taxi driver fee<br>suspension                             | 0                         | 0                         | 0                        |
| Option 2      | Reinstate limited fees and index                                   | 0.6                       | 0.6                       | 1.2                      |
| New<br>Option | Reinstate all fees (including driver application and renewal fees) | 1.1                       | 1.1                       | 2.2                      |

#### **Staff Recommendations**

#### Staff recommendations generate an additional \$13.0M.

| Category                          | Option  | Additional<br>Revenue<br>FY24-25<br>(\$M) | Additional<br>Revenue<br>FY25-26<br>(\$M) | 2-Year<br>Total<br>(\$M) |

| Total                             |   | 5.2                                       | 7.8                                       | 13.0                     |

## **Revenue-Neutral Fare Changes**

#### Eliminate surcharge on Visitor Passes purchased on Clipper/In-Person

- 1 Day Visitor Pass (Muni+Cable Car) priced at \$13 on MuniMobile/\$24 Clipper/In-Person
- Pilot program effective November 1, 2024 reduced Clipper/In-Person fare equal to MuniMobile
- Actual revenue for November January (FY23 vs. FY24)
  - 30% increase in 1-Day pass sales
  - 26% decrease in single ride cable car tickets
- Results indicate that while remaining revenue neutral, customers opted for the 1-Day pass incentivizing additional travel on Muni

#### Implement new \$5 California Cable Car line all day pass

- Six-month pilot July December 2023
- Resulted in increased ridership in underutilized Cable Car route

#### FY24-25 and FY25-26 Exp by Cost Center

Staff are the SFMTA's greatest resource and largest expenditure.

## FY24-25 and FY25-26 Expenditure by Expenditure Type

Significant uncertainty remains. Two of the largest costs, labor and services of other departments, are still being negotiated.

| Expenditure Type                 | FY 23-24<br>Budget<br>(\$M) | FY 23-24<br>Projected<br>Actuals<br>(\$M) | FY24-25<br>Budget<br>(\$M) | FY25-26<br>Budget<br>(\$M) | Yr1<br>Percent<br>Change<br>(%) | Yr2<br>Percent<br>Change<br>(%) |
|----------------------------------|-----------------------------|---|----------------------------|----------------------------|---------------------------------|---------------------------------|
| Labor*                           | 935.5                       | 868.2                                     | 879.7                      | 902.3                      | 1%                              | 3%                              |
| Professional Services            | 259.5                       | 252.4                                     | 239.0                      | 244.3                      | -5%                             | 2%                              |

\*Assumes citywide labor projections loaded in Base Budget – labor negotiations in progress.

#### FY24-25 and FY25-26 Exp by Service

SFMTA expends most of its funds to provide transit.

Given fixed costs, proportional expenditure remains the same in both budget years.

#### FY24-25 and FY25-26 FTE by Type

Revenue constraints limit ability to add positions and require putting additional vacant positions on budget hold.

| Category         | FY23-24<br>Hiring<br>Plan<br>(FTE) | FY24-25<br>Hiring<br>Plan<br>(FTE) | FY25-26<br>Hiring<br>Plan<br>(FTE) | Year 1<br>Percent<br>Change<br>(%) | Year 2<br>Percent<br>Change<br>(%) |

\*Does not include temporary positions or attrition adjustments.

#### FY24-25 and FY25-26 Transit

Performs ongoing planning, procurement, operation, safety, and maintenance activities for the country's 7th largest public transit system, including 1,000 motor coaches, trolley coaches, light rail vehicles, cable cars, historic and vintage streetcars, plus nearly 700 non-revenue vehicles, 3,500 transit stops that deliver more than 450,000 passenger boardings.

## **Supporting Climate Action**

- Supporting mode shift by improving Muni service speed and reliability
- Continuing procurement of LRV4s and retirement of Bredas
- Completing and analyzing electrification pilot
- Continuing preventative maintenance including midlife for buses and quarter-life for first trains
- Supporting Building Progress Program including moving out of Potrero.

## **Moving Muni Forward**

|                                      | Design | Constructio | on   |      |       |
|--------------------------------------|--------|-------------|------|------|-------|
| Muni Forward Corridor                | 2024   | 2025        | 2026 | 2027 | 2028+ |

| L Taraval                            |        |             |      |      |       |
| 5 Fulton (Inner Richmond)            |        |             |      |      |       |
| 14 Mission (Downtown)                |        |             |      |      |       |
| 22 Fillmore: 16 <sup>th</sup> Street |        |             |      |      |       |
| 29 Sunset: Phase 1                   |        |             |      |      |       |
| 30 Stockton (3 <sup>rd</sup> Street) |        |             |      |      |       |
| 38 Geary (GBIP)                      |        |             |      |      |       |

Note: Timelines are for construction of full capital projects. In many cases, quick build phases are delivered much earlier.

## **Service Innovations**

- Launching Muni Equity Strategy Working Group
- Conducting Semi-Annual
  Service Assessment
- Restarting L Taraval rail service
- Evaluating Subway performance to improve efficiency and reliability
- Continuing to iterate and improve on headway-based service management

#### SFMTA SFMTA Board Meeting | March 5, 2024

RELIABLE

## **Investing in Infrastructure**

- Expanding **Fix It Week** to Cable Car, continuing high-impact and low-cost efficiency improvements in metro maintenance
- Completing Subway Renewal and Muni Metro Modernization Studies
- Initiating Train Control Supplier/Consultant Contracts
- Supporting Design/ Implementation of Twin Peaks Tunnel Structural Upgrades

## **Training & Communicating**

- Expanding employee appreciation and performance feedback programs
- Re-activating
  Apprentice Program
- Continuing equity and deescalation trainings
- Recruiting and training for highvacancy positions
- Proactively communicating accomplishments and the value of Muni
- Continually improving outreach

**SFMTA** 

Plans, designs, implements, maintains, and improves the city's street, transit, bicycle, pedestrian and parking infrastructure to meet the goals and objectives of the Transit First and Vision Zero Policies.

#### Work Plan

- Implement **17 Quick Build safety projects** on High Injury Network
- Complete installation of new parking meters at over 10,000 spaces.
- Expand the **Pay or Permit program** to additional neighborhoods
- Implement **20MPH signage**, 20 feet temporary bus zones and safety speed bumps citywide.
- Replace **approx. 100 traffic signal controllers** annually to improve state of good repair , reduce the risk of citywide signal failures
- Install **33 speed safety cameras** and eight new automated photo enforcement locations.
- Right-size **Transit Fare Inspector staffing** levels to support fare compliance
- Evaluate and complete **Valencia Street bike lane** pilot program
- Complete the development of the **Active Communities Plan**, which updates the former San Francisco Bicycle Plan.

#### Vision Zero work plan details

- Install **speed safety cameras at 33 locations** spread throughout the city.
- Vision Zero Quick-Build pedestrian and bicyclist safety improvement projects on 50 remaining miles of the High Injury Network.
  - 17 Quick-Build corridor projects
  - Assess more than **900 HIN intersections** for core safety treatments.
- **No turn on red** in parts of the city with high concentration of pedestrian activity.
  - Begins with Union Square, the Financial District, parts of South of Market and Chinatown
- Continue implementing **daylighting**, including enforcing AB413
- Federally funded safety projects in **Western Addition and Tenderloin** (Safe Streets and Roads for All grant).

#### Security and investigations work plan details

- **Staff presence on Muni** (Transit Fare Inspectors, Muni Transit Ambassadors)
- Security Operations and Intelligence Center
- MuniSafe
  - Monitor data to identify trends and take action based on trends
  - Public awareness campaign
- Safety Equity Initiative
  - Analyze initial survey results and develop plan to implement recommendations.
- Employee safety
  - Enhance security of SFMTA facilities
  - Track Muni operator assaults
  - Develop and implement prevention strategies.

#### RPP (Residential Parking Permits) 2.0

- Possible expansion of Pay or Permit parking (time limits for visitors in RPP Areas replaced by payment for visitors; nothing changes for permitholders)
- Larger-scale changes are being studied

# FY24-25 and FY25-26 Taxis, Access and Mobility Services

Taxis, Access and Mobility Services ensures all transportation modes are accessible to older adults and people with disabilities, provides over 500,000 paratransit trips per year, and regulates the taxi and emerging mobility programs such as scooter share and commuter shuttles.

#### FY24-25 and FY25-26 TAMS

#### Work Plan

- Develop Needs Assessment and 5-Year Accessibility Strategy - Assess how well SFMTA meets the diverse transportation needs of older adults and people with disabilities.
- Access for All Program: Distribute over \$4 million in grants to improve accessible on-demand transportation though taxis.
- **Powered Scooter Share:** Administer new application process and improve the adaptive program.
- **Taxi Driver Safety Initiative:** Use data to identify speeding and coach/retrain drivers, update on-vehicle camera requirements, continue service audits of taxi driver customer service and dispatch/app service.

# Access & Mobility Services Division Access & Mobility Services & M

externally

- Develop Accessibility Strategy Needs Assessment & 5-Year Plan.
- Within the SFMTA, ensure **Disability Access Coordination**
- Distribute over \$4 million in **Access for All** grants to improve accessible on-demand transportation.
- ADA Paratransit & Mobility Management: Direct one of the region's largest programs to enhance mobility of older adults & people with disabilities.
- Improve taxi driver safety outcomes.
- Administer new application process and on-going program for **Powered Scooter Share**. Improve the adaptive program.

Alvin Br

# FY24-25 and FY25-26 Taxis, Access & Mobility Services

#### **Efficiency & Innovation**

- SF Paratransit program's **taxi and group van services** are more cost-effective than traditional van service; more efficient for scheduling; more convenient for riders.
- First paratransit agency to **pilot Clipper 2.0** in FY25
- Streamlining paratransit recertification process will increase efficiency & reduce immediate hiring needs.
- Powered Scooter Geofencing Restrictions along the waterfront & Embarcadero discourage sidewalk riding.
- Improve **scooter share company response rates**: Now addressed in ~ 45 minutes vs. 6+ hours.
- **Public-facing dashboards** for paratransit, commuter shuttles, taxis, scooter share, enforcement
- Innovative **Taxi Upfront Fare Pilot** has increased participating driver income by 40%.

#### FY24-25 and FY25-26 Administration

# Supports service delivery by providing functions related to

- Human Resources
- Finance and Information Technology
- Facility Management and Data Analysis
- Board of Directors
- External Communications, Marketing, and Outreach
- Government Affairs
## FY24-25 and FY25-26 Administration

#### Workplan

- Collaborate with policy makers to shape Autonomous Vehicles regulation
- Collaborate with regional transit agencies, elected officials, and regional transit planning organizations to advocate for regional transit measure on 2026 ballot
- Advocate for legislative changes necessary to support RPP 2.0
- Lead community outreach and engagement to advance agency projects using multichannel communication methods that prioritizes impacted, marginalized communities.
- Leverage our social media channels and media partnerships to proactively tell our agency's stories highlighting project completion, improved services, and employee skill and dedication.

## FY24-25 and FY25-26 Administration

#### Efficiency

- Coordinate with Controller's Office to simplify project financial structure to simplify reporting
- Implement asset management system to automate inventory control
- Audit utility use (water, natural gas, power) to reduce energy costs
- Upgrade the SFMTA.com digital asset to Drupal 10, ensure compliance with SF's Digital Accessibility and Inclusion Standard, and improve its connection with the Salesforce CRM
- Strengthen and expand our customer communications through transparent coordination between our colleagues and customers, reaching our customers where they are and elevating customer perspectives to agency leaders.

## FY24-25 and FY25-26 Administration

#### Innovation

- Implement electronic management system to track and resolve payroll and employee relations issues
- Work with state legislators to write legislation to modernize curb side parking
- Identify and implementing best practices for project delivery and ridership recovery
- Launch a community liaison program that continues to focus on cultural competency and building trust.
- Elevate the Muni and SFMTA brand through sponsorships, delivery of public events and by producing engaging brand stories that elevate agency messaging.

## **SFMTA Has Significant Unmet Needs**

# Divisions submitted \$150.8M in expenditures for critical items that cannot be funded with existing revenue, including:

- 1. New unfunded Automated Speed Enforcement program to reduce speeds in support of Vision Zero
- 2. Ongoing support for Elevator Attendant program to increase ridership
- 3. Maintenance for transit vehicle deployment and radio technology systems coming off warranty
- 4. Transit radio system technology upgrades to replace outdated infrastructure with current technology
- 5. Non-revenue vehicles

# **Community feedback**

### What we have heard so far:

- General understanding of the need for cost-of-living increases
- Main concerns:
  - Equity in transit fares if Clipper discount is eliminated
  - Fare evasion and making sure everyone is paying their fair share
  - Balancing increases in transit fares and increases in parking fees

Over 90 members of the public attended the February 22 Virtual Listening Session.

# Some of the groups we have met with to date:

- Youth Transportation Advisory Board
- Bay Area Council
- Multimodal Accessibility Advisory Committee
- SF Youth Commission
- Building Owners and Managers Association
- Tenderloin Neighborhood
  Development Corporation
- Calle 24
- SF Transit Riders & Livable City
- Potrero Boosters

## **Next Steps**

- Incorporate updated General Fund estimates
- Adjust budget consistent with city-wide pension, retiree health, and centrally calculated costs
- Negotiate city department work orders
- Update labor costs consistent with labor negotiations
- Consider strategic investments including Transit Fare Inspectors
- Balance budget

### **Budget timeline**

| March 16  | April 2 | April 19                    | April 23  |
