education & encouragement programming

- open streets event
- bicycle education
- transportation safety media campaign

design

14 raised crosswalks

9 bulb-outs/corner extensions

1 block of sidewalk widening

6 median islands

7 speed cushions

4 blocks of separated bikeway

7 transit boarding islands

23 intersections with
decorative crosswalks

parking

approximate parking changes:

project between Cargo and Galvez:

42 parking spaces removed related to separated bikeway changes along Mendell

53 parking spaces added related to changing parking configurations along cross streets

project south of Galvez:

14 parking spaces removed due to bulb-outs and sidewalk extensions at Hudson, Thomas, and Underwood

2 parking spaces removed due to medians at Lane intersections

total: 5 spaces removed along project

separated bikeway

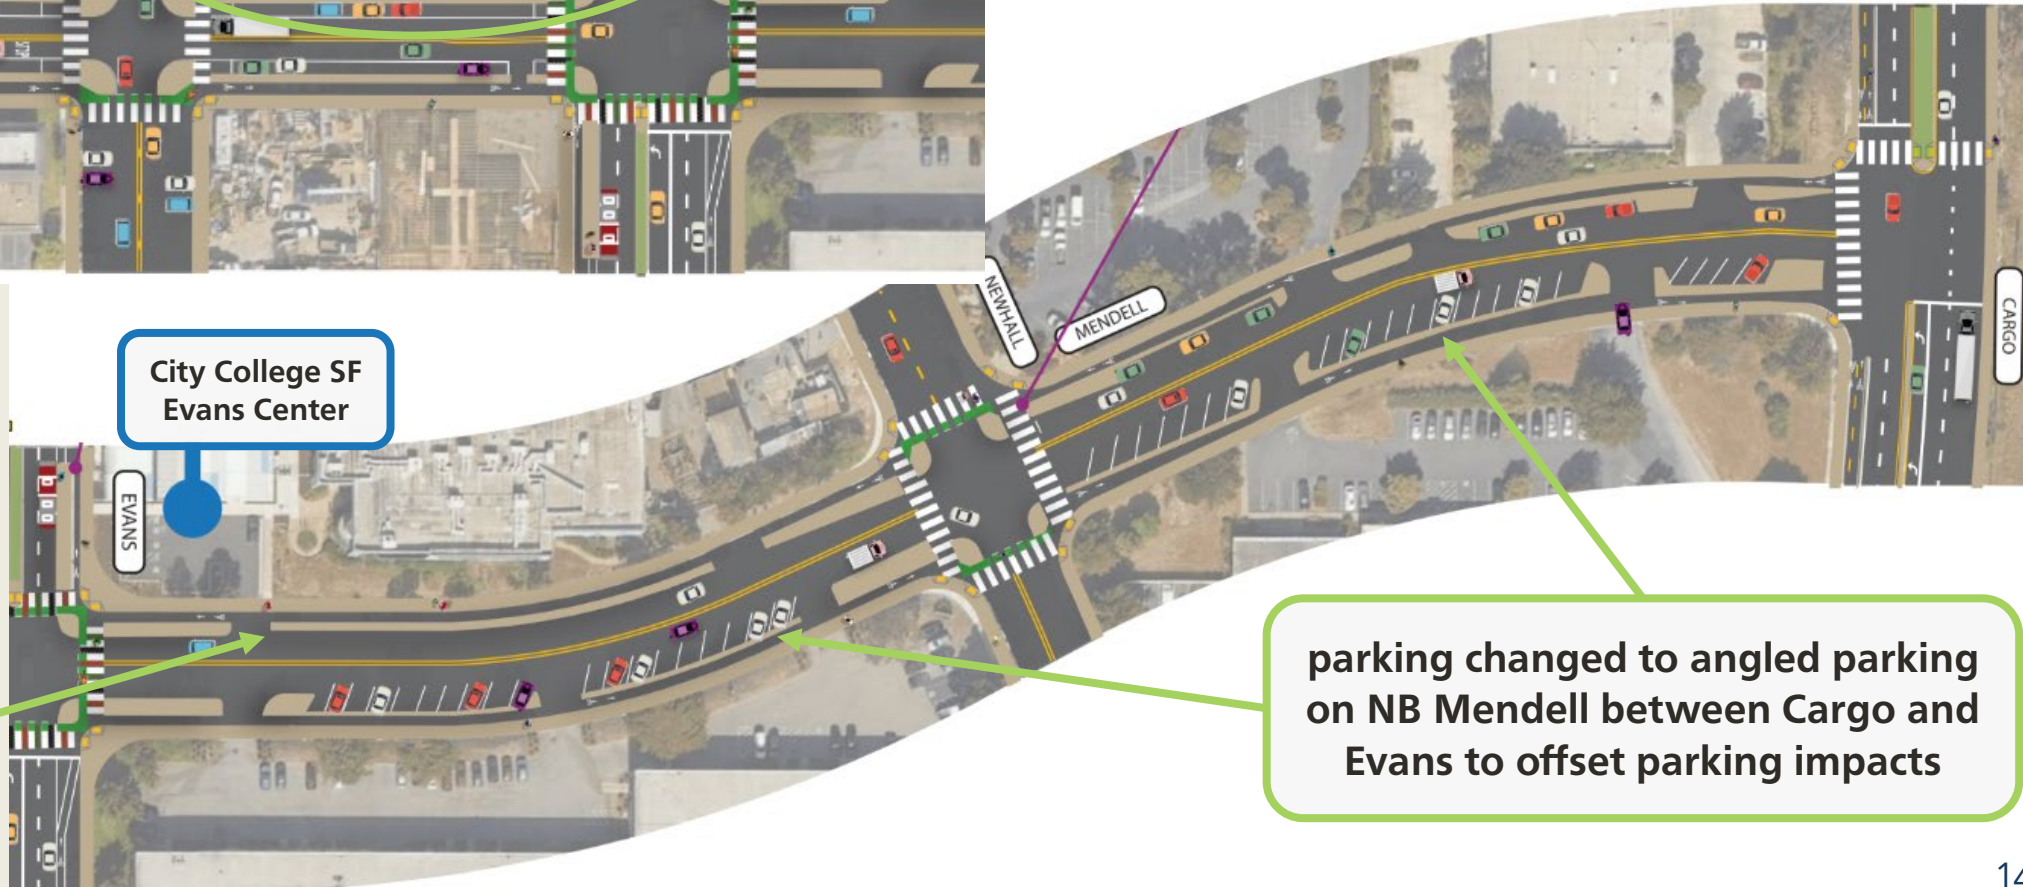

parking reconfigurations along
Fairfax and Evans

Youngblood
Coleman Park

City College SF
Evans Center

parking changes
to accommodate
emergency access
needs

parking changed to angled parking
on NB Mendell between Cargo and
Evans to offset parking impacts

decorative crosswalks
(23 intersections)

median islands
(6 intersections)

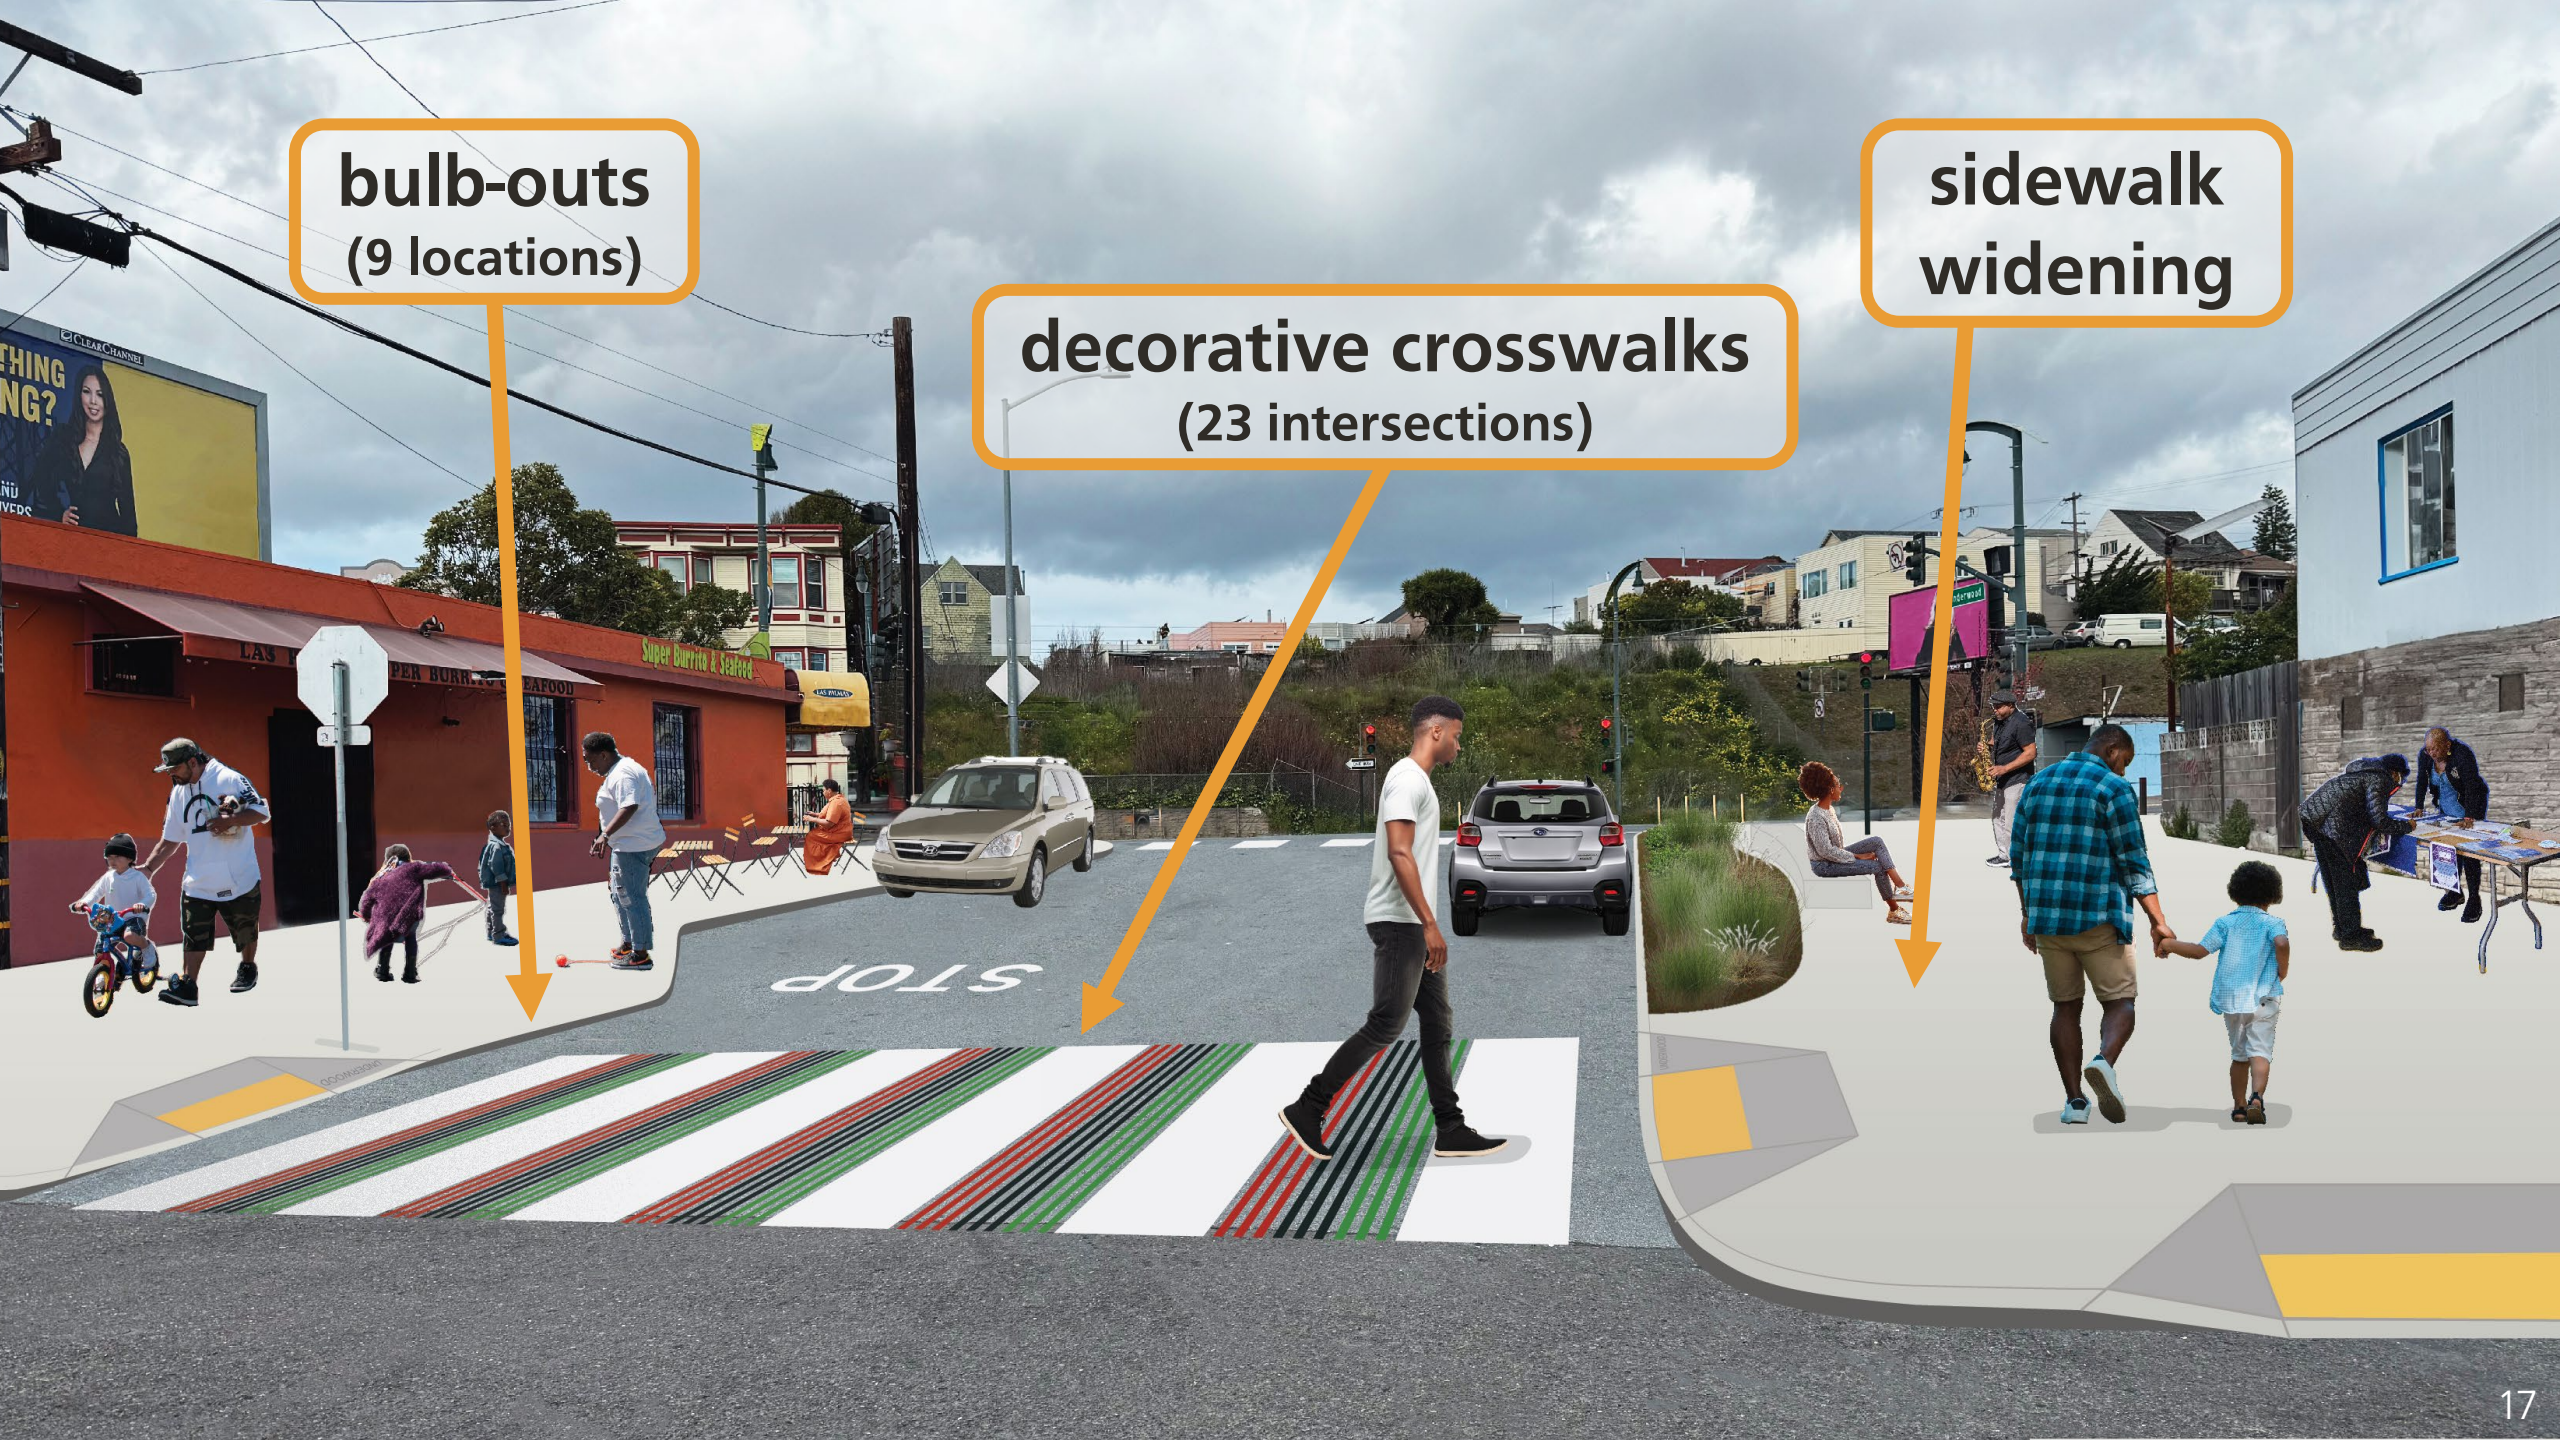

bulb-outs
(9 locations)

bulb-outs
(9 locations)

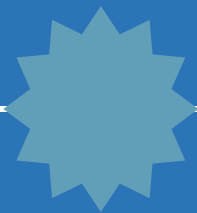

decorative crosswalks
(23 intersections)

sidewalk widening

seeking approval for proposed street changes (including traffic calming, a separated bikeway, transit stop improvements, and placemaking elements) to **improve safety for people walking, biking, and riding transit** near Third Street
