

Construction Coming

Sloat Quick-Build Project

Installation of new transportation safety improvements on Sloat Blvd from Great Highway to Skyline Blvd will begin October 2025.

Project improvements include:

- Two-way protected bikeway on the south side of Sloat Blvd
- Upgraded pedestrian crossings
- Bus boarding islands
- Parking and loading changes
- Revised Sunset Dunes connections

Construction impacts are limited to the south side of Sloat Blvd and the Sloat Blvd / Great Highway intersection.
